

Why Congregation of Yahweh Jerusalem Will Not Host an International Feast any longer in Jerusalem.

For one 19-year time cycle, Yahweh blessed the Congregation of Yahweh Jerusalem to host the 3 pilgrim feasts in Jerusalem, as what we believe was part of fulfilling prophecy (Ezek 36:38).

However, due to the following reasons we are no longer hosting the feast in Israel, but in the wilderness in Jordan, the very same place that the Israelites dwelt before coming into the Promised Land.

Not only is Israel number one in the world for abortion per capita, but now in the last few years they have also legalized gay marriage, and even adoption for gay couples. Tel Aviv is the gay capital of the world, and gay parades are even allowed in Jerusalem, Yahweh's eternal capital. And now, even the orthodox seem not to care any further. Even today, one can see men openly holding hands, and even kissing in public. Also, so many here in Israel openly wear gay earrings, and also so many have nose rings.

But, in reality, you are looked at as evil and racist if you don't accept this new normal that America/Babylon has brought to the world. Also, new laws have been made in the last few months to allow all shops open on Sabbath in Tiberias and major cities, with even buses running, and they don't realize that they are violating the very Sabbath covenant that sets them apart.

Eze 20:11 And I gave them My statutes, and I made them know My judgments, which if a man does them, he will even live by them.

Eze 20:12 And I also gave them My Sabbaths to be a sign between Me and them, that they might know that I am YAHWEH who sets them apart.

Eze 20:13 But the house of Israel rebelled against Me in the wilderness. They did not walk in My statutes, and they despised My judgments, which if a man does them he will even live by them. **And they greatly profaned My Sabbaths. Then I said, I will pour out My fury on them in the wilderness, to consume them.**

And the current so-called conservative government has supported these abominations, and this is why I have been crying out to Yahweh and seeking His will for myself and the brethren in the last few years seeing how defiled Jerusalem and Israel has become. Israel is also the leader in New World Order technology of everything from facial recognition to even chip implants. And Yahweh has shown me that judgment is coming on this land for their many sins, not the least being that they have fully turned away from Yahweh and His Torah and want to be a secular nation like America Babylon.

Jer 5:1 Roam around in Jerusalem's streets and see now, and know, and seek in her plazas if you can find a man, if there is one who does justice, who seeks truth; and I will pardon her.

Jer 5:2 And though they say, As YAHWEH lives, surely they swear falsely.

Jer 5:3 O YAHWEH, are not Your eyes for the truth? You struck them, but they felt no pain. You consumed them, yet they refused to take correction. They made their faces harder than rock; they have refused to return.

Jer 5:6 On account of this a lion out of the forest shall strike them; a wolf of the desert shall destroy them; a leopard is watching over their cities. Everyone who goes out from them shall be torn in pieces, **because their transgressions are many; their rebellions are multiplied.**

Jer 5:7 Why should I pardon you for this? Your sons have forsaken Me and have sworn by ones who are Not Elohim. When I fed them to the full, they then committed adultery and gathered themselves by troops in a harlot's house.

Jer 5:9 Shall I not judge for these things, says YAHWEH? And shall not My soul be avenged on such a nation as this?

This has been a steady progression for the last ten years or so, but in the last few years it has gotten extremely worse, and I am grieved in my spirit to bring third world brethren who live in sanctified societies to Jerusalem at least time, and have them see such wickedness in the streets.

And I have told many of the brethren I don't know how much longer I can host the feast under such circumstances, as whatever is not of faith is sin. However, I did not want to make any decision until Yahweh would go before me and clearly show His will. And then, last Passover started the most shocking abominable

act that prophecy foretold. The Jewish Rabbi's started again the Passover sacrifice below the incorrect Temple Mount, solidifying their rejection of Yahshua as Messiah and Son of Yahweh. Remember, even though it was never Yahweh's will to have a sacrificial system and Temple in Jerusalem until Yahshua would return and set up the Kingdom of Yahweh, He allowed it because of the heart of King David in asking for a House of Yahweh.

Jer 7:2 Stand in the gate of the house of YAHWEH and call out there this Word, and say, Hear the Word of YAHWEH all Judah, who enter in at these gates to worship YAHWEH.

Jer 7:3 So says YAHWEH of Hosts, the Elohim of Israel, Amend your ways and your doings, and I will let you dwell in this place.

Jer 7:4 Do not trust yourself to lying words, saying, The sanctuary of YAHWEH! The sanctuary of YAHWEH! This is the sanctuary of YAHWEH!

Jer 7:16 And you, do not pray for this people; do not lift up cry or prayer for them. Do not intercede with Me, for I do not hear you.

Jer 7:17 Do you not see what they are doing in the cities of Judah and in the streets of Jerusalem?

And even though Yahweh allowed the first Temple to be built by King Solomon, and He also ordered the rebuilding of the second one by Zerubbabel and Yahoshua the priest, nowhere in scripture does He sanction another Sanctuary of Yahweh to be build, except by the Messiah Himself.

Mat 21:42 Yahshua said to them, Did you never read in the Scriptures, "the Stone which the builders rejected, this One became the Head of the Corner? This was from YAHWEH, and it is a wonder in our eyes?"

Mat 21:43 Because of this I say to you, The kingdom of YAHWEH will be taken from you, and it will be given to a people who produce fruits.

Mat 21:44 And he who falls on this Stone will be broken; but on whomever It falls, It will destroy him.

Mat 21:45 And hearing His parables, the chief priests and the Pharisees knew that He was speaking about them.

Isa 28:16 So, Adonai YAHWEH says this: Behold, I place in Zion a Stone for a foundation, a tried Stone, a precious Cornerstone, a sure Foundation; he who believes shall not hurry

And Yahshua is that stone that is now rejected, and Nowhere in scripture does Yahweh sanction the starting of animal sacrifices again, nor the killing of a Passover lamb, as there is only one Passover sacrifice, which is Yahshua, the eternal Son of Yahweh. And yet, last year, below the Temple Mount, the Jewish Priests killed a Passover Lamb. This past year has been exactly 70 Passovers for modern Israel, (70 is the number of a complete cycle and an end point) and I believe that judgment is coming soon.

Heb 10:8 Above, when He said, "You did not desire nor were pleased with sacrifice and offering and burnt offerings and sacrifices concerning sins," which are offered according to the Levitical Law,

Heb 10:9 then He said, "Lo, I come to do Your will, O Elohim." He takes away the first in order that He may set up the second;

Heb 10:10 by which will we are sanctified through the offering of the body of Yahshua Messiah once for all.

Heb 10:14 For by one offering He has perfected in perpetuity the ones being sanctified.

Heb 10:18 But where remission of these is, there is no longer offering concerning sins

The Levitical order is finished and has been superseded by the reality of the Melchizedek Priesthood. And this starting of killing a Passover Lamb by the Jewish priests is a type of the abomination that causes desolation, as it is the final rejection of Yahshua by the nation in these last days, **although we do NOT believe it to be the fulfillment of the one spoken of by Daniel the prophet**, which is still to come, as a greater abomination will still come.

Mar 13:14 And when you see that which was spoken of by Daniel the prophet, the sign of unclean desolation that was standing where it should not be, then let him who reads understand, then let those in Judea flee into the mountains.

It is quite interesting that Yahweh even states that this sacrifice of abomination will not be at the true Temple site in the City of David, but will be in the wrong place, "**standing where it should not be**". And don't take this

great abomination lightly, as there has not been a sacrifice of a Passover by priests since the destruction of the Temple almost 2,000 years ago, and it just begins again now, as another sign of being close to the end.

With all this in mind, I have been praying to Yahweh on what to do right now, and especially since it clearly states that after the abomination of desolation takes place you are to leave Jerusalem. I believe there will be a worse abomination to come, but I do believe this is a type of that and a sign to Yahweh's elect in these end times that it is time to leave the sin of Jerusalem now for the wilderness. Before the destruction of the Temple in Yahshua's day, the Holy Spirit warned the brethren to **leave Jerusalem for the wilderness of Pella 2 and 1/2 years before the destruction came** to give them time to prepare in the wilderness and to save their lives. And the time of Jacob's trouble is just around the corner, and Yahweh is preparing His remnant for the days ahead.

I am fasting and praying and seeking the face of Yahweh for the direction of the congregation from this point. For how could I be teaching the Philadelphia Experiment and telling brethren to flee the ways of society if I myself was bringing them to such a defiled, worldly place at feast time? We are so close to the end that each of us must make those hard decisions in life from here on end that will set us apart from the world and keep us sanctified to Yahweh.

It was also bothering my spirit to see how commercial the tourism business has gotten here in Israel. However, I am extremely thankful to Yahweh for opening up this door the last 21 years to bring brethren and see our Promised Land, and I have cherished every moment and place I have been blessed to see. However, it is weighing on my Spirit that it has gotten so money hungry for tourists and prices have doubled and tripled the last few years. Also, the last few years have been so crowded, that even at Holy sites there is very little sanctity with guides yelling to hurry through and everyone just looking to make a profit, and few caring for the sacred truths the places are supposed to represent.

Jer 6:13 For everyone from the least of them even to the greatest of them cuts off a profit. And from the prophet even to the priest, everyone deals falsely.

And now Yahweh has allowed the crippling of the tourism industry due to the coronavirus. I don't believe this also is a coincidence.

With all this in mind, I can only make decisions for myself and my family and Yahweh has to make decisions for His congregation, so even though I was convicted the last few years not to host the feast any longer in Jerusalem, due to the desolations happening, I decided to wait for Yahweh to make this decision Himself, and last Passover He has clearly shown me that the **right decision to take at this time is to no longer host the feast in Jerusalem**, but that it is time to go to the wilderness at feast time. I do not take this decision lightly, and I have actually put out 5 fleeces to Yahweh, in which **all 5 have come back positive**.

WOW, what an amazing outcome from Yahweh! I took the faith on my part to make a decision to seek the face of Yahweh for moving forward with His remnant from here, and Yahweh backed it up completely. In the mouth of 2 or 3 witnesses let everything be established. And the most important thing is that I waited on the decision by Yahweh without moving on my own will, as I know that due to my love for the land, that unless Yahweh moved first, I would not have taken this decision on my own. So, Yahweh has confirmed this to me in many multiple ways, but starting **this last Sukkot 2019**, I will be hosting Sukkot in the wilderness of Jordan. We will be tenting for part of the time, and we will also go to Selah, the very place that scripture states that Yahweh will hide a remnant in the last days. I have always said that the reason that we stay in temporarily dwellings during Sukkot is that it is probably the time that the congregation will flee to the wilderness. So, brethren would be ready, and come to a feast, and then, not return, but they will be taken to their wilderness location (Rev 12:14).

It has been one of the greatest honors of my life to host Yahweh's feast in Jerusalem for the last 19 years, but now we have entered a new time period in these last days, and it is time to enter the wilderness and be sanctified from the world of Satan at large. 19 years is actually a full lunar moon feast cycle.

Isa 29:1 Woe to Ariel, to Ariel, the city where David camped. Add year on year; let the feasts run their circle
Rev 12:14 And two wings of a great eagle were given to the woman, that she might fly into the wilderness, to her place, where she is nourished there for a time, and times, and half a time, away from the serpent's face.

If you look at Yahshua's congregation for the last 2,000 years you will see that they have always tried to be separated from an evil, worldly, society, and there has never been a more evil, wicked, immoral, society than we have today. And if it doesn't grieve your spirit to live among such worldliness, then it is only because you are too much like them.

The Priests of Qumran in 196BC thought the Messiah would be appearing in 100 years, but left Jerusalem at that time to the wilderness, because they knew the Messiah could only come to a righteous remnant. They knew they were not righteous, but wanted to stay separated for their children and grandchildren. In this last wicked generation, where Satan himself is god of this world, we are told to do the same, and come out from among such immorality, and to be set apart to Yahweh. **THIS IS THE MESSAGE COMING FROM YAHWEH THAT HE IS GIVING US THROUGH THE AMISH! AND THE TIME IS NOW!**

So, just to answer a few questions that some may be wondering:

Q) Have we changed our believe about Jerusalem?

No, we have always believed and still believe that Jerusalem is Yahweh's eternal capital, and will be the place that Yahshua reigns from. However, we have also always believed that the only road to the Promised Land is through the Wilderness, and this change only shows us how close we are, and the need to start to keep the feast in the wilderness.

Q) Have we changed our belief that the feast should be kept in Jerusalem?

We have always said that it is not a command to keep the feast in Jerusalem while in Diaspora, but it is a privilege. The reason for Israel being removed from the land of Israel by the Babylonians was so they could not keep the feast there, and that the land should rest.

So, our belief is the same that for those being in the land of Israel at feast time, that they should (according to scripture) come up to Jerusalem, but nowhere does scripture command those dwelling outside of Israel to come to Jerusalem, only those dwelling in the land of Israel. This is the main reason that we cannot still host the feast in Israel, but simply go to a more sanctified place outside the city to another place.

Last year we had the most wonderful spirit led feast I can remember in my some-odd 36 years of keeping feast days. Yahweh blessed our group from start to finish, and there are still many lessons to learn in the wilderness.
