Transcript – Lessons From The Israelites For Us Today

Alrighty, Chag Semeach. It is wonderful to see all these people. I said I do believe prophetically that a door has been turned, but also here. We have been keeping the Feast here now for about six years in Jordan. This is the first year that we had so many people coming, so praise YAHWEH for that. More people coming to the wilderness.

I have a message that is kind of like a two-part message, but not really, you can listen to them separately. Today's message is called, *Lessons from the Israelites for Us Today.* The second part is going to be, *Are You Ready to Enter the Kingdom of Yahweh?* So, they are kind of connected, but not totally, not like if you heard one you couldn't hear the other.

And one of the things that is really impressed on me in recent days is we are living in a time where we are seeing, and will see, the power of Yahweh on this earth that has not been in 6,000 years except for the Exodus. If you think about it, Yahweh's power is always there. Throughout history you can hear stories of miracles or something happening in someone's life. I'm not talking about it. I'm talking about on a worldwide scale.

When you look at the Exodus up to now, there is nothing that has ever happened in the history of humans where Yahweh has personally intervened in a worldwide scale to do what He did. That's today what I am pretty much going to go over. Now in the end time, the exact same thing has happened. And the exciting part is, each of us are called to be part of that. It's not just that Yahweh is doing it, but we are part of it.

And actually the time frame of the Kingdom of Yahweh coming even depends on us finishing our work. Once we finish our work, then YAHWEH is going to let the bottom fall out and everything is going to happen. And then Yahshua is going return, the Kingdom of YAHWEH and the Day YAHWEH is going to come.

So, on the other end, like I say, if we don't do our job, the Kingdom of YAHWEH is still going to come. He says, if He has to, He is going to go out and call - the rocks will scream out or we know the parable in **Matthew 22** of calling the people in the highways and the byways. So, in one way, it depends on us collectively as a group doing our job because it's prophetic. But it doesn't depend on us individually. Because individually, if we don't do our job, we are just going to be replaced. That's the reality of it.

So, I'm excited. I'm excited because like I said, except for the Exodus. And that's why in 3,500 years, Mount Sinai has not been known. It hasn't been there - nobody. YAHWEH opens that up now. And in the last two years, there's many more things that have been found probably more than they found originally 30 years ago when they first started finding the crossing site.

And I remember as we were there a year, a year and a half ago, when some of the new stuff that I was finding, and I kept asking the man that was there, the Bedouin man, “Are you sure that this goes back to the Exodus?” And he says, “I'm telling you for the 10th time, no one has been here for 3,000 years. Nobody's been here. Nothing has changed.”

Now it's a little different when NEOM, which is falling apart, praise YAHWEH. But can you imagine YAHWEH has kept that there all that time from the Exodus, and now He brings us there to proclaim His name? There are a few other people that have been going there. Not only our group, but these other people are certainly not

proclaiming the name of YAHWEH that are there. And YAHWEH's bringing us there, restoring the marriage covenant. Now we have a couple here that actually we did the marriage ceremony right there. And below Mount Sinai, it's touching. Now they have a baby with them. So that's a new baby for the Kingdom of YAHWEH.

So, what a great time to be alive. What a great time to be part of something bigger than yourself. Because we're living in the Laodicean era where there's a lot of people that don't want to be part of something. But the Kingdom of YAHWEH is bigger than we are. The greatest miracles that ever happened were during the Exodus. And the sad part about it, as we're going to see today, they still didn't believe.

I mean I'm going to read these scriptures today. It's nothing new. We all read them before. But how shocking to think that after all these miracles, and yet you know why I'm not shocked? We're seeing the same thing today. YAHWEH is already … I mean the Revelation 12th sign that happened September 23, 2017. That happens once in 7,000 years. And it's not like an earthquake happening or a landslide. You're talking about something in heaven coming together that happens once every 7,000 years. YAHWEH predicted it'll happen in our time and it happened exactly like He said. We're seeing already the signs in the heavens.

We're seeing a lot of the others things that are going on. And wow, we're not in the beginning of it. We're in the end of it. This isn't the beginning of the last generation. We're in the end of it. And if you don't see it by now, all I can say is go back to sleep because it's probably too late for you. Because there's so many things that we've seen. It's unbelievable. So, there were many lessons that were learned. But the main lesson that we learned from the Israelites is they didn't believe it. Which is hard to imagine because they physically were seeing it. Yahshua was there before them as the pillar of fire in the cloud of smoke. And they still didn't believe it.

So, let's start in 1st Corinthians 10; which is an amazing chapter. I did another message, not like this, but on just this chapter a couple years back. And it says,

1st Corinthians 10:1-4 *And I do not want you to be ignorant, brothers that our fathers were all under the cloud, and all passed through the Sea. And all were baptized to Moses in the cloud, and in the Sea, …* So it's a type of baptism *… and all ate the same spiritual food. And drank the same spiritual drink; for they drank of the spiritual rock following, and that Rock was Messiah …* So, we know Yahshua was there before them.

1st Corinthians 10:5-6 *Yet Elohim was not pleased with most of them, "For they were scattered in the deserted place." But these things became examples for us, so that we may not be lusting after evil, even as those indeed lusted …* where there's probably more lust today than you ever see in the history of man.

1st Corinthians 10:7 *Neither be idolaters, …* wow, talk about idolatry … *even as some of them, as it has been written, "The people sat down to eat and drink, and rose up to play."*

Comment: Probably another message I should give soon. I've done it before, but again on idolatry. Because people think, “Oh, no, no, no, I don't have a statue of some whatever that bowing down to.” Maybe that was idolatry then. But today idolatry is people having five cars and people doing this and “down come near this!” The idolatry is coming in materialism, more than it's coming to bowing down to a statue.

1st Corinthians 10:8-9 *Nor should we commit fornication, …* Another thing, remember it's not just in the act, but it's in the mind … *as some of them fornicated, and twenty three thousand fell in one day. Neither let us tempt the Messiah, …* And when we don't believe, and we don't follow, we are tempting Him. Because we're saying we don't believe it, right? … *Neither let us tempt the Messiah, as some of them did, and were destroyed by serpents.*

Comment: Some of you, I think, have been with us before to the place where the copper serpent was. Unfortunately, these days we were not able to go there for different reasons, but wow, what a great place that was to be there where the copper mines are.

1st Corinthians 10:10 *Neither should you murmur, as some of them murmured, and perished by the hand of the destroyer.*

Comment: So, we see another thing there. And it's kind of interesting because in the Aramaic, it's literally "*the destroyer*" is literally Satan. They use the word Satan in the Aramaic.

1st Corinthians 10:11 *And all these things happened to those as examples, and it was written **for our warning,** on whom the ends of the ages have come.*

So, like I say, for 2,000 years, every believer could get something out of here, right? Because these are problems that probably always existed for 2,000 years, but it wasn't written for that. **It was written for us**. It was written for us, *whom the end of the ages have come*. So, these were examples for our time. So, we have to take these things serious, but today I really want to go over the biggest one, the lack of belief.

Let's go to the book of Hebrews. Hebrews 3:7 through 13, then we'll go down to verse 16. He says,

Hebrews 3:7-11 *Because of this, even as the Holy Spirit says, "Today, if you hear His voice, do not harden your hearts to provoke Him, as the murmurers did in the day of temptation in the wilderness, there where your fathers tempted Me, even though they saw My works for forty years. Because of this, I was angry with that generation and said, They always go astray in their heart; and they did not know My ways; so I swore in My wrath, They will not enter into My rest.*

Comments: And to me as much as I loved everything at Mount Sinai … I loved the altar … to me the most sobering place in Mount Sinai, is going to the graveyard. They say there are about 3,000 graves there, which correlates with one of the stories there. And to think that the faithful Israelites went into the Promised Land. They're buried in Israel wherever their bones are there.

Joseph's bones they took, the tomb of Joseph is there in the north, and when the resurrection comes he'll be resurrected. But these people, while we're standing there their bones are right underneath us, and they're never going to the Promised Land. They're never going there. Because YAHWEH swore in His wrath they will not enter His rest.

Hebrews 3:12-13 *Beware, therefore, my brethren, lest there be in any of you an evil heart which does not believe, and you will be cut off from the living Elohim. But search your hearts each day, …* not once, not once will your baptized, but every day … *until the day which is called "the day", …* meaning the day of YAHWEH, that comes on the earth in Yahshua's return … *that not anyone of you be hardened by the deceitfulness of sin.*

And that's the problem, it starts out easy, and then you have the normalcy bias. And like I said, we go into that normalcy bias, and we start to think, “Well at least I'm not as bad as the next guy.” And we follow the way of the world. We do the things that the world does.

And I've said this many times, the worst insult that a person can ever give to you is to say, “I never knew you were a believer!” People you work with, or maybe even people in the family, or your neighbor, that they can know you personally for years, and never know that you're a believer in Yahshua; never by your actions, or whatever.

Drop down to verse 16,

Hebrews 3:16-19 *Who were those who heard and provoked Him? Was it not those who came out of Egypt through Moses; although not all of them? …* Some did get into the Promised Land … *But with whom was He angry forty years? Was it not with the ones sinning, whose bones lay in the wilderness? …* Like I said, we're right there seeing those bones … *And to whom did "He swear, they would not enter into His rest," except to those not obeying? So we see that they were not able to enter in* ***because of unbelief.***

Hebrews 4:1-2 *Therefore, Let us fear, lest while the promise of entering into his rest remains, lest some among you find that they are falling short from entering. For, indeed, we have had the good news preached to us, even as they also; …* So wow, they went through the baptism and the Red Sea, and they literally had the good news preached to them … *but the Word did not profit those hearing it, not having been mixed with faith in the ones who heard.*

And we are living … think about it, you're living in a world where about every third person on this earth is a “Christian”, right? Believes in Jesus, believes in the Bible that we're reading, right? And yet, do they have faith? Do they really believe? What is their belief really based on? Nothing! They're all part of church organizations, right? They have no idea.

And one of the saddest things to me is sometimes I'm invited to some of these Sunday churches and I happily go. And these people that are so zealous and good and happy, loving and caring and they don't know the first thing in Scripture. And it's the pastors, like Yahshua said to the Pharisees. They're blocking the door for them to get in and keeping the other people out.

Because most of these people, if they heard the truth, or a lot of them at least would come. I've been to Christian churches where the whole congregation, in a two-hour message I gave came to faith. I've had it happen before more than once. So, this is the point though - it's not mixed with faith and they're not entering. If doctrine is not mixed with faith, it is useless and simply a ritual. It simply becomes ritual.

So, let's start going into now what were these miracles that YAHWEH did? What were the peoples' sin? Let's go to Numbers. Numbers 13. They did a lot of sins, but this was kind of like the one that tipped over the top. Because now the time is to go into the Promised Land. They're around the wilderness long enough. YAHWEH sending the spies into the Land to look in the Land and YAHWEH's been before them. He's been before them in all things. So you wouldn't think that they would worry about it, but this is what happens after the 12 spies come back. Numbers 13 starting in verse 1:

Numbers 13:1-2 *And YAHWEH spoke to Moses, saying, Send men for you, and they shall spy out the land of Canaan which I am giving to the sons of Israel; you shall send one man for the tribe of his fathers, one man, everyone a leader among them.*

So, YAHWEH sends in these tribes. They go in and then they come back out. And I'm going to pick it up from verse 25 …

Numbers 13:25-26 *And they returned from spying out the land at the end of forty days. And they went and came in to Moses and to Aaron, and to all the company of the congregation of the sons of Israel, to the wilderness of Paran, to Kadesh. And they brought them and all the congregation word, and made them see the fruit of the land …* This is probably somewhere near Aqaba in that area over there.

Numbers 13:27-29 *And they reported to him and said, We came to the land where you sent us, and indeed it is flowing with milk and honey; and this is its fruit. But the people that live in the land are fierce, and the cities are walled up, very great. And also we have seen the children of Anak there. Amalek lives in the land of the Negev, and the Hittite, and the Jebusite, and the Amorite live in the hills. And the Canaanite is living by the sea, and beside the Jordan.*

Numbers 13:30-33 *And Caleb stilled the people before Moses, and said, We will certainly go up, and we will seize it, for we are well able to do it. And the men who had gone up with him said, We are not able to go up against the people, for it is stronger than we. And they sent out an evil report of the land which they had spied out to the sons of Israel, saying, The land into which we passed, to spy it out, is a land eating up the ones living in it. And all the people we saw in its midst were men of stature. And we saw the giants there, the sons of Anak, of the giants. And we were in our own eyes as grasshoppers, and so we were in their eyes.*

Let's go to Numbers 14. I'll start in verse 1.

Numbers 14:1-4 *And all the congregation lifted up their voice and cried; and the people wept during that night. And all the sons of Israel murmured against Moses, and against Aaron. And all the congregation said to them, Oh that we had died in the land of Egypt, or in this wilderness, oh that we had died! And why is YAHWEH bringing us into this land to fall by the sword? Our wives and our infants have become a prey. Is it not good for us to return to Egypt? …* Right, we turn back to Babylon … *And they said each to his brother, Let us give a leader and return to Egypt.*

Numbers 14:5-8 *And Moses and Aaron fell on their faces before all the assembly of the congregation of the sons of Israel. And Yehoshua the son of Nun, and Caleb the son of Jephunneh, of those who spied out the land, tore their garments. And they spoke to all the congregation of the sons of Israel, saying, The land into which we passed, to spy it out, is an exceedingly good land. If YAHWEH has delighted in us, then He will bring us into this land and will give it to us, a land which is flowing with milk and honey.*

Numbers 14:9-12 *Only, do not rebel against YAHWEH. And you, do not fear the people of the land, for they are our bread; their defense has turned away from them; and YAHWEH is with us; do not be afraid of them. And the congregation said to stone them with stones. And the glory of YAHWEH appeared in the tent of meeting, to all the sons of Israel. And YAHWEH said to Moses, Until when will this people despise Me? And until when will*

they continue not to believe in Me for all the signs I have done in its midst? I shall strike it with pestilence and dispossess it. And I will make you a nation greater than you had before.

Drop down to verse 20 …

Numbers 14:20-22 *And YAHWEH said, I have forgiven according to your word; but as I live, all the earth shall be filled with the glory of YAHWEH; for all the men who are seeing My glory, and My miracles which I have done in Egypt and in the wilderness, and have tried Me these ten times, and have not listened to My voice,*

Numbers 14:23-24 *they shall not see the land which I have sworn to their fathers. Yea, not one of those who provoked Me shall see it. And My servant Caleb, because there is another spirit in him, and he is fully following Me, I shall bring him into the land into which he has gone, and his seed shall possess it.*

Verse 26 …

Numbers 14:26-28 *And YAHWEH spoke to Moses and to Aaron, saying, How long shall I bear with this evil company who are murmuring against Me? I have heard the murmurings of the sons of Israel which they are murmuring against Me. Say to them, As I live, says YAHWEH, as surely as you have spoken in My ears, so I will do to you.*

Numbers 14:29-30 *Your dead bodies shall fall in this wilderness, even all your numbered sons, as to your whole number, from twenty years old and upward, in that you have murmured against Me. You shall certainly not come into the land which I lifted up My hand to cause you to live in it, except Caleb the son of Jephunneh and Yehoshua the son of Nun.*

Numbers 14:31-34 *As for your infants, of whom you have said, They shall be a prey, I shall bring them in, and they shall know the land which you have rejected. As for you, your carcasses shall fall in this wilderness. And your sons shall be shepherds in the wilderness forty years, and shall bear your fornications until your carcasses are wasted in the wilderness; by the number of the days in which you spied out the land, forty days, a day for a year, a day for a year; …* showing a dual prophecy … *you shall bear your iniquities forty years; you shall know My alienation from you.*

So, wow. I mean, what an example. This is what He's warning us now, because we're in the same times. We're seeing the miracles of YAHWEH, we're seeing the things He's doing, and what are we doing with it? Are we believing? Or are we believing in commercial Babylon? The Red Sea is there, the dividing point and which side are we on?

And like I said, it's not the beginning of it. This is the later end of it. We're really where we can see the top of Mount Zion, and again, only YAHWEH knows the days and the hour, and like I said, I can guarantee you it's not 50 years, 100 years; it's not even 40 years that are left now, or 30 years.

We are in the last, and the last, and we can see it. We can see because the same thing, He even gives us another way to know. Look at what's happening in the days of Noah - will be the Son of Man, and why did YAHWEH have to bring a flood on the whole earth?

Because they were defiling His spirit living in man. And I can tell you right now, back then in that day in the days of Noah, they did not have AI, and they did not have the stuff that they're doing now, mixing DNA, mixing humans with all this other stuff. So, wow, if YAHWEH had to destroy the earth then, we know we're close to that spot. We know it.

So, what I want to go into now is, they didn't repent for a lack of trusting YAHWEH, but why? Was YAHWEH, was He being overly stern with them? Did they deserve what they went through, or was it just like, oh should He have really given them more? Well, let's take a look at it. Let's go to Exodus 7, because let's see why, what they saw, what they knew, and why YAHWEH said about their lack of belief.

I want to start in Exodus 7:1 through 6.

Exodus 7:1-3 *And YAHWEH said to Moses, See, I have made you an Elohim to Pharaoh; and your brother Aaron shall be your prophet. You shall speak all that I command you, and your brother Aaron shall speak to Pharaoh. And he will send away the sons of Israel from his land. And I will harden the heart of Pharaoh. And I will multiply My signs and My wonders in the land of Egypt.*

Exodus 7:4-6a *And Pharaoh will not listen to you. And I will put My hand on Egypt, and will bring My armies, My people, the sons of Israel, from the land of Egypt with great judgments. And the Egyptians will know that I am YAHWEH when I send forth My hand on Egypt and bring out the sons of Israel in their midst.*

And we see the same today, right? You look at **Ezekiel 38 and 39** that what YAHWEH is doing in our days, He says the same thing that in that day, because of what He's doing, *and they will know My name is YAHWEH.* So sometimes you probably witness to people and say, "Ooh, these earthquakes are happening, or this is happening, it proves we're the end time." And what you get from unconverted, "We've always had earthquakes. Well, yeah, this just happens this way."

I'm going to show you here in the Exodus, there was no doubt Who is doing this. In the end Pharaoh and the Egyptians, they didn't say it was happening by chance, and that's what YAHWEH says; what is happening now in our day, that **Ezekiel 38 and 39**, they will know YAHWEH has done this. And that's part of the watchmen to show them, they're telling beforehand, "Just that you know this is going to happen here, and when it does happen you know that it's YAHWEH. It's not just a coincidence."

So, let's continue, let's go to Exodus 8 now, because let's see some of the things, what were the things that happened? Exodus 8:1 through 6.

Exodus 8:1-2 *And YAHWEH said to Moses, Go to Pharaoh, and say to him, So says YAHWEH, Send away My people that they may serve Me. And if you refuse to send them away, behold, I am about to smite all your territory with frogs.*

Exodus 8:3-4 *And the river will swarm with frogs. And they shall go up and enter into your house, and into your bedroom, and on your couch, and into your servants' house, and on your people, and into your ovens and into your kneading troughs. And the frogs will come up on you, and on your people, and on all your servants …* Can you imagine that millions of frogs just all over?

Exodus 8:5-6 *And YAHWEH said to Moses, Say to Aaron, Stretch out your hand with your staff over the rivers, over the canals, and over the pools. And bring up frogs on the land of Egypt. And Aaron stretched out his hand over the waters of Egypt, and the frogs came up and covered the land of Egypt.*

It was completely covered with these frogs, drop down to verse 16.

Exodus 8:16-17 *And YAHWEH said to Moses, Say to Aaron, Stretch out your staff and strike the dust of the earth, and let it become lice in all the land of Egypt …* Wow, that's pretty nasty … *And they did so, and Aaron stretched out his hand with his staff and struck the dust of the earth. And the lice were on man and on beast. All the dust of the earth became lice in the land of Egypt.*

And wow, when you have an outbreak of lice like that it's almost impossible to get rid of it. That's why a lot of them wound up dying. Drop down to verse 20.

Exodus 8:20-21 *And YAHWEH said to Moses, Get up early in the morning, and stand before Pharaoh. Behold, he is about to go out to the water. And say to him, So says YAHWEH, Send away My people that they may serve Me. And if you do not send away My people, behold, I am about to send swarms of flies on you, and on your servants, and on your people, and on your house. And the houses of the Egyptians will be full of swarms of flies, and also the ground on which they are.*

Exodus 8:22-24 *And in that day I will separate the land of Goshen with My people resting on it, that there be no swarms of flies, so that you may know that I am YAHWEH in the midst of the earth. And I will put a distinction between My people and your people. This miracle shall be for tomorrow. And YAHWEH did so. And teeming swarms of flies came into Pharaoh's house, and the house of his servants, and into all the land of Egypt. And the land was destroyed before the swarms of flies.*

And when the Bible says that the lessons from the Israelites are for us today, from 1st Corinthians 10, do we see that we are reliving this now? Do we see that Satan is Pharaoh and the same thing is going on? The same way that Moses went to Pharaoh and said, *let my people go*, that that is happening with YAHWEH and Satan.

Is this battle going on? And YAHWEH is saying, let my people go from commercial Babylon. And that is why YAHWEH is bringing some of these plagues on the earth to show where we are in prophecy. But the difference is, we are going to see it later, that these Israelites even though at this point they did not have a choice, when they did not have a choice and left, where was the heart of most of these people? It was still in Egypt.

And where is the heart of YAHWEH's people today? It is still in commercial Babylon. So this is the point where now it is the same thing that is happening. It is this thing that Satan is saying, *I am not going to let you go.* You think Satan is going to let you go? No way! No way! That is why he will do anything to have you keep your iPhone. He will do anything to have you keep your internet. He will make it as pleasurable as possible.

And now it is going to be better because with A.I., you are going to be able to put these glasses on, you are going to be able to go skiing without spending a dollar. You are going to be able to do more anything you want! You name it … you name it. And I think we know all the stuff that is going on. And this is the battle going on. And YAHWEH says, and that is why this is Egypt 2.0 that we are living in now.

And the difference just they did, they had free will … they had free will. But because their heart and their mind were in commercial Egypt, it didn't make a difference. That is the sad part about it. That the same way that Pharaoh had no control over those people back then because we have free will. The same way Satan has no control over us because we have free will.

Unless we give that free will over to him, unless you bring the cursed thing into your house. If you bring it into your house, then don't ask YAHWEH for protection because you have no one to blame but yourself. As long as this life now, we pray over our room and we pray for protection. And I can guarantee you this. There is no demon that can enter this room.

Just like the time that demon I cast out in Jerusalem. That is why I told the people, come on the floor I will pray. A demon will not be able to come down here if you pray and you block that. But if I give him permission, if I am bringing in things that belong to Satan, he has every right to come and get what's his.

So, this is where the decisions we are making in our life, we are deciding what side of that gulf we are standing on. And we have free will. Nobody is going to force us … nobody is going to force us. YAHWEH is going allow it.

So, let's continue. Let's go to chapter 9.

Exodus 9:1-4a *And YAHWEH said to Moses, Go in to Pharaoh and say to him, So says YAHWEH the Elohim of the Hebrews, Send away My people that they may serve Me. And if you refuse to send away, and you still hold onto them, behold the hand of YAHWEH is going to be on your livestock in the field, on the horses, on the donkeys, on the camels, on the herds, and on the flocks, a very heavy pestilence. And YAHWEH will make a distinction between Israel's livestock and Egypt's livestock.*

Comments: So that is why I said right now, this isn't the beginning of the wilderness. YAHWEH has been doing this for many years. And I am going to show you this tomorrow it may be more years than you think that the spiritual wilderness is going on. I have proof of it. More years than you think. And there is the dividing line that is there, almost like the valley of the decision like we see in Joel.

And that is what YAHWEH is doing like He did here He separated between the camp of YAHWEH and the camp of Satan even that darkness. And He is doing the same thing today. Have you entered the wilderness? At least the spiritual wilderness? I am amazed some haven't even entered the spiritual wilderness. Never mind the real wilderness. Because you are running out of time.

Somebody asked a question recently. Did any Israelites stay in Egypt when Moses took the people out? And we don't know for sure. We do know that some Egyptians went with them in the mixed multitude. It is probably not a good idea. But who knows how many might have stayed. They might have said, "You know what? I like it here." We do know though how many wanted to go back. How many never left in their minds and in their hearts. So, YAHWEH is making the distinction between Israel and commercial Egypt.

Exodus 9:5-7 *And YAHWEH set a time, saying, Tomorrow YAHWEH will do this thing in the land. And YAHWEH did this thing on the next day, and all the livestock of Egypt died. And from the livestock of the sons of Israel, not one died. And Pharaoh sent, and behold, not even one was dead from Israel's livestock! And Pharaoh's heart was hardened, and he did not send away the people.*

Exodus 9:8-9 *And YAHWEH said to Moses and to Aaron, Take for yourselves the fullness of your hands of soot from the furnace, and let Moses sprinkle it toward the heaven before Pharaoh's eyes. And let it become dust on all the land of Egypt, and let it become boils breaking out into sores on man and on livestock in all the land of Egypt …* Doesn't it say that in Revelation? People take the mark of the beast; they are going to wind up getting boils on them.

Exodus 9:10 *And they took soot of the furnace and stood before Pharaoh. And Moses sprinkled it toward the heavens, and it became a boil breaking out into sores on man and on livestock.*

Drop down to verse 13.

Exodus 9:13-14 *And YAHWEH said to Moses, Get up early in the morning and stand before Pharaoh, and say to him, So says YAHWEH the Elohim of the Hebrews, Send away My people that they may serve Me. For at this time I am going to send all My plagues to your heart, and on your servants, and on your people, so that you may know that none is like Me in all the land …*You will know in that day that YAHWEH has done this.

Exodus 9:15-16 *For now I have sent forth My hand and have stricken you and your people with pestilence, and you have been destroyed from the earth. And for this reason I have made you stand, in order to cause you to see **My power**, and in order to declare **My name** in all the land …* The name of YAHWEH, no other name!

Exodus 9:17-18 *You still are exalting yourself against My people, so as not to send them away. Behold! I will rain very heavy hail about this time tomorrow, such as has never been in Egypt from the day of its foundation until now …* Almost like we're seeing the Godzilla El'Nino. You're seeing something that has never happened there.

Exodus 9:19-20 *And now send out, bring your livestock to safety, and all belonging to you in the field. All men and livestock found in the field, and not brought to the house, the hail will come on them, and they will die. Of the servants of Pharaoh, the one who feared the Word of YAHWEH …* so even some of the Egyptians feared Him … YAHWEH *made his slaves and his livestock flee to the houses.*

Let's go to chapter 10 verse 3.

Exodus 10:3-4 *And Moses and Aaron went in to Pharaoh and said to him, So says YAHWEH Elohe of the Hebrews, Until when will you refuse to humble yourself before Me? Send away My people so that they may serve Me. For if you refuse to send away My people, behold, I am going to bring locusts into your territory tomorrow …* We have had locust outbreaks the last couple years, some big ones in the world.

Exodus 10:5-6 *And they will cover the eye of the land, and no one will be able to see the land. And they will eat the rest of that which escaped, that which is left to you from the hail. And they will eat every tree that sprouts to you from the field. And your houses will be full, and the houses of all your servants, and the houses of the Egyptians, which neither your fathers nor the fathers of your fathers have seen; from the day of their being on the earth until this day. And he turned and went out from Pharaoh.*

Drop down to verse 12.

Exodus 10:12-14 *And YAHWEH said to Moses, Stretch out your hand for the locusts over the land of Egypt, so that they may go up on the land of Egypt and may eat every plant of the land, all that the hail left. And Moses stretched out his staff over the land of Egypt. And YAHWEH brought an east wind on the land all that day and all that night. And at morning the east wind lifted up the locusts. And the locusts went up over all the land of Egypt, and rested on all the territory of Egypt, exceedingly many. Never were there locusts like them before, and afterward none will be like them.*

Exodus 10:15-18 *And they covered the eye of the earth, and the land became dark. And they ate every plant of the land, and all the fruit of the trees that the hail had left. And no greenness was left in the trees and in the plants of the field in all the land of Egypt. And Pharaoh hurried to call Moses and Aaron. And he said, I have sinned against YAHWEH your Elohim and against you. And now pray forgive my sins only this time, and pray to YAHWEH your Elohim that He may take away from me this death only. And he went out from Pharaoh, and he prayed to YAHWEH.*

Exodus 10:19-21 *And YAHWEH changed to a west wind, very strong. And it carried the locusts and threw them into the Sea of Reeds. Not one locust was left in all the territory of Egypt. And YAHWEH made strong the heart of Pharaoh, and he did not send away the sons of Israel. And YAHWEH said to Moses, Stretch out your hand to the heavens so that darkness may be on the land of Egypt, and one may feel darkness.*

Exodus 10:22-23 *And Moses stretched out his hand to the heavens, and darkness of gloom was in all the land of Egypt three days. They did not see each one his brother, and they did not rise up, each one from his place for three days. Yet to all the sons of Israel there was light in their dwellings.*

They weren't that far from each other. Can you imagine totally light in one place, because usually if something is dark, if there is light reflecting from somewhere else, then they couldn't even see the hand in front of their face. That's the darkness that's in commercial Babylon. That's the darkness in Satan's world. And I hope we see that darkness. But in the Kingdom of YAHWEH in the wilderness you have light. That's the example He's giving us. That's where He's bringing us. We're literally living in today.

Exodus 11, verse 1.

Exodus 11:1 *And YAHWEH said to Moses, I will bring yet one more plague on Pharaoh and on Egypt. Afterward he will send you from here. When he sends you away completely, surely He will drive you out from here.*

Drop down to verse 4.

Exodus 11:4-5 *And Moses said, So says YAHWEH, About the middle of the night I will go out in the midst of Egypt. And every first-born in the land of Egypt will die, from the first-born of Pharaoh, the one sitting on his throne, to the first-born of the slave-girl who is behind the mill; and every first born of animals.*

Exodus 11:6-7 *And a great cry will be in all the land of Egypt, such as never has been, and nothing like it shall be again. And a dog shall not sharpen his tongue against all the sons of Israel, toward man and toward livestock, so that you may know that YAHWEH distinguishes between Egypt and Israel.*

Comment: Right? Because you can't be in commercial Babylon and the Kingdom of YAHWEH. That's where we are. You have free will. Everyone has to choose, but that's what He's distinguishing.

Exodus 11:8 *And all these servants of yours will come down to me, and bow to me, saying, Go out, you and all the people at your feet. And afterward I will go out. And he went out from Pharaoh in the heat of anger.*

Wow. And we know what happened from there. Right? All the firstborn died. Sometimes I've seen in the past these movies that are like from scientific and they're trying to show scientifically why the people died in Egypt. And they're saying it could have been mold that was there. And I'm like, why would mold ill the firstborn? How can mold distinguish who is a firstborn or not.

So, YAHWEH does what YAHWEH does. He doesn't need science. Although science most of the time does prove it. He doesn't need it. But here it is. Think about this now. Think of these miracles are here. And we don't know exactly how long this went on for, but it's at least a month. It could have been several months. It could have been the whole winter. We don't know that. But for several months that all of these plagues are going on. So, it's not one, it's not two, it's not three. And it's not just that Moses is saying, “An earthquake is going to happen.” And an earthquake happens.

YAHWEH is speaking. And YAHWEH is saying. YAHWEH is telling. And it's happening exactly like He said. Even to the point where in Goshen there's nothing, in Egypt there is. Because YAHWEH shows the distinction between, like I said, commercial Egypt or commercial Babylon and the Kingdom of YAHWEH.

So now think about it. If you were one of those Israelites, and this is one of the biggest things that amazes me about these people, that's hard to figure. Why did YAHWEH even lead them in slavery to begin with? Why would Abraham, who is father Abraham, he is like a king. YAHWEH tells them there's going to be a great nation and it happens.

Why would YAHWEH bring these people for 200 and something years, about 230 years that they were down there? It's 400 years from the time the prophecy came to 230 in Egypt. Why did He leave them there to become slaves? Well we see it. Just look at us now. Look at us Westerners in our attitude compared to the brethren in the Third World - totally different, the mindset.

So, the same way there, He's thinking, “Man, if I'm ever going to get these people out and get their mindset, I'll put them in slavery first. And then when they come out they're going to be so happy that they're not slaves anymore, that they're not making bricks, they're not getting whipped.” And the amazing part is they were worse than if they were never slaves. The attitude of the Israelites when they came out of there was no appreciation whatsoever.

They were not appreciative whatsoever and bitter! And all they wanted was to go back to the slavery. And we see at the beginning of the Exodus where they're pleading, “Please take us out of here, we're being beaten. We’re being persecuted.” And then all of a sudden they get to the wilderness and it’s like, “Hey, we had a better life there.”

And what is our attitude in commercial Babylon? What is our attitude with coming out from there? So where do you think the Israelites … and even at this point, physically seeing with their eyes, when they get to the crossing site, what do you think they would have said? “Pharaoh's coming, boy, he's the stupidest Pharaoh I have ever saw after YAHWEH did in Egypt? Come on, Pharaoh. Come; let's see what's going to happen.” Because YAHWEH was real … YAHWEH was real. YAHWEH was there. They were seeing the pillar of fire. They

are seeing all this stuff. And what happens? Let's go to Exodus 14. What happens when they get to the Red Sea Crossing site? Verse 8.

Exodus 14:8-9 And *YAHWEH hardened Pharaoh, king of Egypt's heart. And he pursued the sons of Israel. And the sons of Israel were going out with a high hand. And the Egyptians pursued them. And they overtook them camping by the sea, all the horses and the chariots of Pharaoh, and his horsemen, and his army, by Pihahiroth, before Baal-Zephon.*

Comment: We've been there, that's on the Egyptian side. That fort is still there today in Pihar-Roth. 7,000 years old, the Egyptians made a fort made of mud bricks.

Exodus 14:10-12 *And Pharaoh came near, and the sons of Israel raised their eyes, and, behold! The Egyptians were pulling up after them! And they were greatly afraid. And the sons of Israel cried to YAHWEH. And they said to Moses, Were there no graves in Egypt, that you have taken us away to die in the wilderness? What is this you have done to us, to bring us out from Egypt? Is this not the word which we spoke to you in Egypt, saying, Go away from us, and let us serve the Egyptians. For it is good for us to serve the Egyptians, than to die in the wilderness.*

Comments: Now, I don't know either somebody took a page out of my Bible or something's wrong here because I don't remember reading that anywhere. I remember them saying how persecuted they were and how much they pleaded "YAHWEH get us out of here". And now all of a sudden here it changes.

And I think sometimes is it the same with us? That when YAHWEH does something with us and remember it says when you're a New Testament believer, He says*, he who gives up mother, father, sister, brother, lands for my sake will get* ***in this life***, not in the kingdom, in this life, *will get brothers, sisters*, *a thousand times more but with persecutions*. Don't forget that part. And the persecution is a good thing. That's what purifies us. But when we go through those persecutions, are we saying, "Why didn't you just leave me in Babylon? Why didn't you just leave me where I was?"

The persecution is the thing that purifies us. You're never going to be purified without the persecution. That's what makes gold GOLD, right? So can you imagine this is what they're saying after all those miracles I read to you, after seeing YAHWEH's presence, after seeing this from months at a time, not once, not twice, ten times, including the death of the first born.

And this is what they have to say. Wow! And the spirit of un-appreciation is something that will keep you out of the kingdom. And it's not just with words, it's with actions. What are our actions showing YAHWEH? I say, when you look at the world today, we are the most blessed people on earth. Everywhere I go, the brethren are the happiest you can ever imagine.

I go down to Sudan and Ethiopia down there, and what I see is with our brethren here, all I see is white teeth because they're smiling from ear to ear, thousands of white teeth everywhere, because they are so happy. And they probably have the least of anybody on earth. And they even said when trouble happens and the brethren have a famine, the people that are in the U.N. camps come to our brethren for food. They know where YAHWEH's blessing is. And they are so happy with that. And this is just disgusting what they said here.

Exodus 14:13 *And Moses said to the people, Do not be afraid. Take your stand and* ***see the salvation*** *(see the Yahshua) of YAHWEH, which He will prepare for you today. For as you see the Egyptians today, you will not continue to see them again forever.*

And that's the choice you have to make, right? All these little gadgets in commercial Babylon, all this social media, all this stuff, it's up to you. If you want to keep it, you're free too. You've got to free will. If you want to get rid of that, then stand and see the salvation of YAHWEH and see how it will be. That's what it comes down to. Whenever unhappiness is coming … In the West, when I go there what the saddest thing to me … wonderful brethren and pray for our brethren that are still in the West that can't get out of there.

But a lot of them aren't happy with that. And when your life is contradictory when you're going against your core values, you're never going to be happy. So if my core value is not stealing and I'm working for someone that I know that boss is stealing, and I don't leave that job because I want the money, I'm going to be miserable. So what good is that money of everything in my life I'm miserable going to that job?

And there's only so many hours in your life. Like I said, I figured it out. If you're blessed, you have about 25,000 days in your life. My life is three quarters over. And it hit me when I realized that because when I'm updating my computer and I keep seeing 13%, 14%, I'm like, come on, come on. When it hits, 75% seems to go real fast. And now I'm like 75% of my life is over.

But there's not a day in my life that goes by that I'm not happy. Because I'm not part of that. I'm not going to be bought by that system. My soul is not for sale. There's something bigger here at stake. And each of us has the same thing.

If you're unhappy, if there's something in your life that's stressing you, think about what it is. You're bringing in on yourself one way or another. And YAHWEH will bring, like I said, it's a blessing that He brings us these challenges in our life because they change us. And then you will be happy when we get rid of it. But we have to make the choice like He says. And if you do …

Exodus 14:13b-14 *Then these Egyptians you see today, you will see them no more. YAHWEH will fight for you, and you be silent*.

I tell people that sometimes, if you're fighting for yourself, why do you need YAHWEH? Let Him fight for you. You'll see what happens real fast. I've seen airlines go out of business. I've seen a lot of big things happen. And I've seen later. There was a man in Israel that we were dealing with years back. He was actually the one where we were renting land from when we were building our first kibbutz over there. And this guy really, really wronged us.

And afterwards, he was one of the richest men in Israel that told us probably one of the top ten. He lost everything. And he came to me and asked me because we were taking him to court. He said, “Would you please drop it?” I said, “I don't want the money. I'll drop it. I just want you to know that it wasn't me. It was YAHWEH.” And he said, “I know.” He said, “I know it.” And me and him are friends still today now. So YAHWEH will fight for you if you let Him fight for you. If not, if you want to fight for yourself, what you're telling Him is you don't need Him to fight for you.

So this is it, right? After seeing all this, they still didn't believe. Go to Exodus 32. So now YAHWEH does the Red Sea crossing. We've been there. They walk through the sea. Probably the greatest miracle ever, a hundred feet on each side. Ice walls and they're going through. As soon as these Israelites get through YAHWEH allows the water to come. Those chariot wheels are still there today. And now the people get to the other side and they're free. They're free from it. And YAHWEH protected them and YAHWEH took them. What do you think they're going to do next? Are they going to praise YAHWEH or have a big feast? Let's take a look. What do they do next? Moses goes up to get the commandments. And Exodus 32.

Exodus 32:1 *And the people saw that Moses delayed to come down from the mountain …* Was he up there years? No, he is up there 40 days. That's it. Not a long time … *And the people gathered to Aaron. And they said to him, Rise up, make for us gods who may go before our face. As for this Moses, the man who brought us up from the land of Egypt, we do not know what happened to him.*

Comment: Who knows? So after all those miracles seeing, this is their attitude? This is their attitude; which shows you they never had belief. They never had belief whatsoever.

Exodus 32:2-4 *And Aaron said to them, Break off the rings of gold which are in the ears of your wives, your sons and your daughters; and bring them to me. And all the people broke off the rings of gold in their ears, and they brought to Aaron. And he took them from their hand and formed it with an engraving tool. And he made it a casted calf …* Some of them you've been there. They still have the altar there where that's there … *And they said, These are your gods, O Israel, who brought you up from the land of Egypt.*

Comment: On the American money it doesn't say in YAHWEH we trust. It says "in God we trust" the Babylonian deity. And they sure do trust in the money. Babylon has made slaves of the souls of men.

Exodus 32:5-7 *And Aaron saw, and he built an altar before it …* And we were there … *And Aaron said, A feast to YAHWEH tomorrow …* Certainly not Sukkot … *And they rose early on the morrow, and they offered burnt offerings and brought near peace offerings. And the people sat down to eat and drink, and rose up to make merry …* And I think we know what when that happened … *And YAHWEH spoke to Moses, Come, go down, for your people whom you caused to go up from Egypt are corrupted;*

Comment: I always find that kind of little funny because it's like my parents, right? When the child does something good, it's like *my child*, when the child is in trouble, it's like the other spouse's child, right? So here it is YAHWEH's like the people *you brought up, Moses*. And Moses was angry.

Exodus 32:8-10 *they have quickly turned off from the way which I commanded them; they have made for themselves a casted calf and have bowed to it, and have sacrificed to it. And they have said, These are your gods, O Israel, who brought you up from the land of Egypt. And YAHWEH said to Moses, I have seen this people, and, behold, it is a stiff-necked people. And now leave Me alone that My anger may glow against them, that I may consume them. And I will make you a great nation.*

And when you really think about it the normalcy bias, why did they make the golden calf? That's where they came from. That's what they knew. And how much is the normalcy bias in our lives? What is the normalcy bias?

For me, I can remember a time before, not before telephones, I'm not that old. But I do remember a time before cell phones and internet and all that stuff. I remember when I was a kid, there were still milkmen. They used to come and deliver milk to the front door.

But this became their normal. That's what they knew from being in Egypt their whole life. What is our normal? What is our normal that's an abomination to YAHWEH that needs to come out - the normalcy bias? It wasn't that they just made this up then. It was something they never got rid of that they went back to. And each of us has to think the same way. What is it in our life we're not letting go of that we should that's an abomination to YAHWEH?

So even after the miracle of the Red Sea, they quickly went back to the false deity's of Egypt and what they were used to. Deuteronomy 11 verse 1 through 5 and then verse 11.

Deuteronomy 11:1-3 *And you shall love YAHWEH your Elohim, and keep His charge, and His statutes and His judgments, and His commandments all the days. And you know today, for I do not speak with your sons who have not known, and who have not seen the chastisement of YAHWEH your Elohim, His greatness, His mighty hand, and His stretched out arm, and His signs, and His works which He did in the midst of Egypt to Pharaoh the king of Egypt, and to all his land;*

Deuteronomy 11:4-5 *and that which He has done to the army of Egypt, to its horses, and to its chariots, when He caused the waters of the Red Sea to flow over them as they pursued them. And YAHWEH destroyed them to this day; and that which He has done to you in the wilderness, until you came to this place;*

Verse 11 ...

Deuteronomy 11:11 *But the land which you are entering to possess it is a land of hills and valleys, drinking water from the rain of the heavens;*

The Kingdom of YAHWEH is 100% diametrically different than Satan's system of commercial Babylon – 100% different.

In Habakkuk 1, I've done recently the Bible study on Habakkuk, in verse 5 for our time with what He says,

Habakkuk 1:5 *Look among the nations and behold, and be amazed. Be amazed! …* I'm amazed. I hope you are amazed. Be amazed, he says it twice, dual prophecy … *For a work is working in your days which you will not believe, though it told to you.*

Boy is that true. And we haven't even begun to see the big fireworks yet. YAHWEH is doing something today that He hasn't done since the Exodus. His intervention in the world, and not just because most of His interventions usually just with His people because the world doesn't want it. They cut Him off from Adam from the Garden of Eden.

But in that day, He had to prove to the world that it's a sign for all times of the Exodus that He exists, and in the end time is the same because His kingdom is coming. That it won't just be His people that will know, but all the earth will know that YAHWEH is doing this. There's not going to be any meteorologists out there saying, "Well, yeah, it's just an earthquake. We've had them before."

No, and I say the time that I remember when we were in Jerusalem, one of the times I cast out one of the most horrific demons that I've ever seen in my life, and a man that I was speaking to for two or three hours that day was an atheist, and kept telling me how there's no Elohim in this. When I was casting out that demon, that man was on his hands and knees and praying because when the rubber hits the road, people will know its YAHWEH. They can say what they want.

I've said to atheists, "And you don't care that you're going to live?" "No, no, no, if I live 60 years I'm good with it." They may say that now, but when they're resurrected and being dragged to the lake of fire, there's a reason why they say there will be weeping and gnashing of teeth because nobody wants to die. Nobody wants to eternally not exist.

But **it all depends on what you do today**. That's what it is. Grace is YAHWEH's mercy to give us more time to repent. That's what it is. It's not a free pass to sin; never said that, Old Testament or New Testament, grace is not a free pass to sin. Grace is YAHWEH's mercy to not bring immediate judgment that He loves us enough that He gives us more time to change, but you know what? Sooner or later that time will run out.

Look at every single person in the Bible. Good, bad or different, they're all dead now. They can't do good, and they can't do bad. They're waiting in the grave for their judgment. Good or bad? For us, we have at least one more day. We're alive. We're here. There's something we can do. And the decisions you make today, until the day Yahshua returns to the day you sleep in the grave will depend on where you spend eternity; either in the kingdom of YAHWEH or cease to exist, one or the other.

So, what a time! What a time we're living in. And I say this - miracles do not make faith. They are an extension of one's faith. We see it here. YAHWEH did all these miracles. Did it make the people have more faith? Absolutely not! Miracles do not make faith. Miracles come as an extension of your faith. And I could say this as a young believer there were some miracles that I saw that YAHWEH did, even in my own life, sometimes in the congregation.

But I have never seen what I've seen in the last two years in our congregation. Big miracles. I mean real big miracles. People that even in Thailand, we have our Thai's here, when there was a man that was deaf, couldn't hear. And it wasn't a week later, a month later, prayed for him. Within minutes, he was healed. His hearing was back. And it really impressed me when he said the next day came up to me. He said, "For the first time in my life, I woke up hearing birds, hearing outside, hearing this stuff." And I was like, wow, Praise YAHWEH. Praise YAHWEH for that.

We've had many women that were barren. And that's one of the things we've seen in the Bible that they were able to bear. We've had many of that. We've had many horrendous demons that have been cast out. We had people that were blind that were able to see. We had all kinds of miracles that have been happening in the congregation. And over and over, just in two years, we probably have a hundred of them that are recorded.

Miracles of safety. This happened a couple of years ago in Ethiopia when they were first moving to the kibbutz. And because they found out there was food there, there was a whole band of people there that decided they're going to that kibbutz and they're going to take that food. They left at night.

And it was so pitch dark. They had no idea where they were going. They walked all night and the next morning they were right where they started again. They should have taken that as a sign. The next night, they did the same thing. And nobody has ever seen them again. They never ended up in our kibbutz and they never ended up back home. And nobody has heard or seen them.

So these are the miracles that YAHWEH does when you believe. And some of our people there in Ethiopia and South Sudan are some of the strongest believers I've ever seen. I mean, I've seen literally one of our people there, and he showed me that when they were having a service, he got attacked. And he got shot in the chest. And the bullet went off our Bible and didn't even go through it. He showed me the mark on the Bible because of that.

I mean, just miracles you can't even think of YAHWEH's protection. Do we believe? … Do we believe? And that's what I say. If this is true, what I have read you today, is it a story, is it made up? But if it's true, if He did that at the Red Sea, then why wouldn't He do the same thing today? But you have to believe … you have to believe. If you don't believe, it's not going to happen. So that's why I say, miracles don't make faith, they are an extension of our faith.

Matthew 9 in verse 20, says,

Matthew 9:20-22 *And behold, a woman who had a flow of blood for twelve years came near behind Him, and touched the fringe of His robe. For she said within herself, If only I shall touch His robe, …* touch His zitzitote … *I will be cured. But turning and seeing her, Yahshua said, Be comforted, daughter; your faith has healed you. And the woman was healed from that moment.*

Her faith was what healed her, her total belief. No doubt whatsoever. And it's great when you get it automatically, right? She believed it. She touched it. So great for that. But what happens when it doesn't happen right away? Because with healings, there is no formula that automatically … and I've seen it.

I've seen it firsthand where people were healed right off the bat. I've seen it where they were healed the next day. I've seen it where they were healed in a couple of months. I've seen some of these people that they will not be healed until the Kingdom comes. They are healed but that physical ailment that's on them; YAHWEH will take it away in the Kingdom.

So we don't know … we don't know. But all I know is if I follow what He said, if I was prayed for by the elder, I know I'm not going to go into the kingdom with broken arm or whatever other ailment is there. And you think Matthew 9:2 is kind of interesting on that subject because it says,

Matthew 9:2 *And, behold! They were bringing a paralytic lying on a cot to Him …* So he's crippled … *And seeing their faith, Yahshua said to the paralyzed one, Be comforted, child. Your sins are forgiven you.*

Yahshua didn't tell him he could walk. He just said your sins are forgiven. So that's what's more important. I would rather have my sins forgiven than walk. And then when they said, "Hey, who are You to forgive sins?" He said "Okay, I'll show you a sign. I'll have him walk." But he wasn't going to walk that man.

And I always remember from a movie called *The Robe*, if anybody's ever seen that, it's a movie from the 1950s, I believe. And it's about the centurion who put the spear in Yahshua. And it was New Testament believers

there. And this centurion was being convicted of Yahshua being the Messiah. And he was fighting it during the movie that's what the movie is about. But these people are coming. Like they're saying that there's a little boy that was crippled. And now he's coming and walking.

And he's saying, “Well, how do you walk?” He's like, “I saw Yahshua. He made me walk.” So then he sees this woman who's also a cripple And she's still crippled. And he says, “What about you? You saw Yahshua. Why aren’t you walking? Why aren’t you healed?” He said.

And she said, “I am healed. If you were to saw me before that day, when I saw Yahshua, I was bitter. I was angry.” And she said afterwards, “I thought for years, why didn't He let me walk again?” And she said, “Because if I was walking, of course, anybody would be happy.” She said, “I can glorify Him the same on this cot.”

And sometimes that’s what it comes down to. Sometimes He's healed us, but He allows us to still have the things of that sickness to show we can glorify Him no matter what. I can glorify Him if I'm sick. I can glorify Him if I'm well. I can glorify Him if I'm poor. I can glorify Him if I'm rich. I can glorify Him through everything.

And it takes faith. So it's not a lack of faith. If you've been prayed over, you're still a feeling the symptoms of it. As long as you believe you are healed, symptoms don't mean anything, right? It's that you believe you are healed, what matters is - that you know it. You know that you're not going into the kingdom that way, and that you can glorify the YAHWEH even in your affliction. That's faith. That's what YAHWEH is looking for.

Revelation 18 because I was telling someone recently the scripture in **Revelation 12** that talks about that Satan has deceived the whole world. I heard that scripture when I first came to faith, and they were saying, with the Christians keeping Sunday instead of Saturday, Christmas. And yes, that is part of that. Satan has deceived the world when a Christian is keeping these days. But that is not the main fulfillment of that scripture. We are living in the main fulfillment, Satan has deceived the whole world and you have not seen anything yet.

If up to today people are that deceived and like they're saying, AI is three months old, AI is in its incubation time period. It hasn't even started. How on earth will anything ever know what's real, what's not with that? And that's what Satan wants. He wants to blur the vision of reality and un-reality.

And again, in Hebrew, you have a word for black, you have a word for white, there's no word for gray because there's no gray in YAHWEH’s world. Everything is black and everything is white. That's a little Satan wants. He just wants gray everywhere because he doesn't want black and white. He wants you to be able to compromise on this. So this is where Satan has deceived the whole world.

And this is one of the main reasons why you have to come out of commercial Babylon because it's only a deception. And people don't realize the faith is in there. I didn't realize until I left America. I had never prayed once to YAHWEH ever for food; ever prayed for anything physically. I had money, I had everything I needed. I paid my own bills. I never had to pray. And then I remember when YAHWEH took it all away one time and I prayed. And literally within five minutes or less of that prayer, literally I didn't have food. There was a knock on the door and it was somebody there with a big basket of food. And it was like, wow thank you YAHWEH. It was so much fun.

More fun than me writing out checks and paying for myself was seeing YAHWEH take care of me. I don't need commercial Babylon. Now YAHWEH may use commercial Babylon sometimes the way He used Egypt. It doesn't mean that we have to be these kind of people that won't use dollar bills or something like that. Hey, if you use it, so be it but that's not our dependence. Our dependence is not in commercial Babylon. Our dependence is in the kingdom of YAHWEH.

Revelation 18:1-11. And we're living this now in real time.

Revelation 18:1-2 *And after these things I saw another cherub coming down out of Heaven having great authority, and the earth was lighted up from his glory …* Wow, what a great time that is … *And he cried in a strong, great voice, saying, Babylon the great has fallen! It has fallen, and it has become a dwelling-place of those possessed by demons, and a home of every foul spirit, and a home of every unclean bird, even the home of every unclean and hateful beast,*

Comment: And I'm telling you, in all honesty, I cannot even stand being there for a couple of weeks. The system there, how perverted and gross and there's just no purpose for most of it. Just entertainment and 200 channels of cable TV and all this stuff and restaurants and everything else. I literally, it's hard for me. But we still have brethren that are stuck there. So, I have to do what I have to do, but I can't stand it. I can't stand being there even for a day. So I can relate to this in what Babylon has become. And remember, you have to come out of it. Not just the land, but the **mindset.** The mindset of all that stuff. And he says:

Revelation 18:3a *because of the wine of the anger of her fornication which all the nations have drunk, …* Look what's happening now with President Trump. And all these nations, because they're so drunk on Babylon's economy, they can't stand up to his fury and his madness … *even the kings of the earth have committed fornication with her; …*

Comment: Wow, look at the deals he makes with Saudi Arabia, with right here in Jordan, the king of Jordan. And I was just told yesterday, but I had a meeting with somebody who was pretty high up in the government, and I asked him, "Why isn't the king?" He told me, and he said, "We can't." He said, "Without an America's help, we can't survive here." So, although the king does agree with Babylon, they don't have a choice, because they're part of that commercial Babylon system. They've committed fortification with her.

Revelation 18:3b ... *and the merchants of the earth became rich from the power of her trade …*

Comment: Who else can that be? There is no other nation on earth where the merchants of the earth, the Googles and all these other companies that are out there, Walmart's and all, no other nation that the merchants become great from the power of her trade. It's a trade.

Revelation 18:4 *And I heard another voice out of Heaven saying, leave the land of her, …* come out of her, and like I said, yes, it's physical, but it's also spiritual. Come out of her … *My people, that you may not share in her sins, and that you may not receive of her plagues;*

Comment: And if there's some plagues in your life right now, think about it, it could be because you're not following this scripture.

Revelation 18:5 *because her sins joined together, even reach up to Heaven, and YAHWEH remembered her unjust deeds.*

Comment: In the beginning of this war where Iran, first day, killed 185 Iranian school children, and didn't care less, could care less. “Hey, its part of war, what are you going to do?” And look what YAHWEH says, this is His answer.

Revelation 18:6-7 *Give back to her as also she gave back to you, and double to her double, according to her works. In the cup which she mixed, mix to her double. By what things she glorified herself, and luxuriated, by so much give back to her torment and mourning. Because she says in her heart, I sit as a queen, and I am not a widow; and I shall not see sorrow.*

Comment: Go to America and talk to a million people and see how many people tell you Babylon's going to fall, who aren't believers. None of them! They all say, “Oh no, they didn't, we're the strongest. We've got these bombs; nobody's going to touch us.”

Revelation 18:8-9 *Because of this, in one day her plagues shall come: death, and mourning, and famine; and she will be consumed with fire, …* And now we see a lot of fire going all over America … *for YAHWEH Elohim judging her is strong. And the kings of the earth will weep for her, and will wail over her, …* why? … *those having fornicated and having luxuriated with her, when they see the smoke of her burning;*

Revelation 18:10-11 *standing from afar because of the fear of her torment, saying, Woe! Woe to the great city, Babylon, the strong city! For in one hour your judgment came. And the merchants of the earth weep and mourn over her, …* why? … *because no one buys their merchandise any more,*

Nobody cares about nothing as long as the Dow Jones is going on. When they were talking about Epstein and all this stuff, the secretary of state of America, Pam Bondie, would not even turn around and look at those victims. And then she laughed in their face and said, “Why are you upset? The Dow Jones is 50,000.” Can you imagine? You imagine how sick that is? And for what? When you're talking about rape and rape of children, that that's her answer.

Because the merchants of the earth, and we learned this through COVID, it's not even the politicians in who are, it's the merchants that are running it. Can you imagine during COVID, all those laws were made by whom? They were made by the pharmaceutical companies, not politicians. They are running absolutely everything. And they are not only evil, they're demonic. These people in the top, it is demonic. It's that they worship Satan. It is an absolutely demonic thing that's going on.

And that's why YAHWEH is saying, come out of it. But it's a choice. We have free will. We'll never be forced to do it. This stuff of demons forcing themselves into people is absolutely false. The demon cannot force himself into it. You have free will. But Satan will trick you to allow the demon in your life through bad music, through bad internet, through bad whatever; whatever it is, having a cursed thing in your house. Whatever it is that Satan has authority over he'll trick you to have so that he can get in your life.

The merchants of the earth, we've been more because no one buys me merchandise anymore. And we're at that point … we're at that point. We're living that. And it's going to happen immediately. We're already seeing

all the signs. So, for anybody, don't say later, “Oh if I would have only known beforehand.” We do know beforehand.

And this is going to happen in one day. In one day it's going to collapse. So we're living it. We're seeing it. And that's one of the lessons today because the lesson is faith. This system is 100% diametrically opposed to the faith in YAHWEH. We don't realize it because we've lived in our whole life. We just think its normal.

You know go somewhere, you get this little piece of paper, you bring it to the bank, they give you this other paper, and you go and get all your food and everything from it. And now even health care. Someday you would think it's so simple. No, your health care is not YAHWEH. Your health care is on us.

Because if you're not working in commercial Babylon, you are not going to be able to go to a doctor unless you've got a lot of money. If you go for an operation, it’s $100,000. It's purposely to get you under their thumb. That everything in your life, your food, your work, your leisure, your health, everything is controlled by Satan in commercial Babylon.

But praise YAHWEH, we have free will. I was telling somebody I walk every day for 40 minutes. I pray to YAHWEH when I walk, I tell Him every single thing. “Thank you YAHWEH for getting me out of that system.” Because I can tell you something, and it's not by me, I've been out of that system since 1999, and YAHWEH has cared from me. I have tears of eyes when I think we YAHWEH did for us. That how He cares for us, is what He does, and what He gives. And I've been outside of that system since that time, and I will never go back.

Because if I was in the system, I know this mind here the way it's thinking, it would not be the same. And I'm wondering sometimes, are so few people thinking like me because they didn't come out of the system? You can't think that way if you're in that system. It is. It will take a part of your mind each and every day. You've got to come out of commercial Babylon. That's a big part of the wilderness journey. And we're not going to be going around in Jordan, Saudi Arabia, and wilderness for 40 years.

I don't know how long when YAHWEH brings the people there, it could be several years. It won't be 40, but it's been 40 years coming out of commercial Babylon, and I'll prove that to you. I'm going to prove it to you. And it's time that we've got to make those choices. It's no longer to put it down the road. It's no longer to sidestep it. You've got to come out of commercial Babylon.

Because you've probably heard this before, sometimes when there's big decisions, say it's a job, and they're offering you something. And you don't make a decision. Non-decision is a decision. Everything is a decision. So when you don't make a decision, you're making a decision. And as you're staying in commercial Babylon, you're making a decision. Even if it's not, you're thinking in your mind, it's not permanent, but every day you're there, is every chance less you're going to do something.

And that's why I say nobody has 24-7 faith. So when YAHWEH gives you inspiration for something, even Moses, you saw how he was scared at times and this and that. But when YAHWEH's Spirit inspires you at that time for faith, you've got to do it. Don't wait, because I've seen people even with baptism coming to faith, and they had to quit their job, because they had a job on the Sabbath. And they said, “I'm going in tomorrow, and I'm going to quit, and now I want to be baptized,” then all of a sudden you see them a few days later, and you're like, “Did you quite the job?” “No, you know what? We're working on this project. I'm just going to wait one more

week, and then I'll do it." And then all of a sudden you don't hear from them, some you are counseling. Now, two weeks later you call them, not answering the phone, run into them in the store. "Hey?" "I'm still thinking about it, I'll let you know." And every day you don't do it when YAHWEH gives you that, it's less chance, last chance of doing it after that.

So, what is keeping us in commercial Babylon? Why aren't we coming out of that system when YAHWEH clearly says to do so? The Israelites lacked true faith and YAHWEH, even though they witnessed His miracles in that day. So we see the end result. YAHWEH says that's our example.

They didn't come out of the system, even though they left Egypt, they never came out of the system, and they always wanted to go back, and they wound up dying in the end. Here we are it's the second Exodus. It's already been happening. What is it? What are we doing? We are witnessing the same miracles that they saw. Signs in the heavens, blood, moons. I mean, you name it, we're seeing it.

So there's nothing that we can say. Well, if we only get one more sign, it's like the old story the guy is on the boat and he's told the waves are going to come in and overtake him, and He's like, "No, no, I have faith. I have faith." And here it is, YAHWEH comes with a helicopter, and he's like, "Oh, no, no, no, no, I have faith." And then after that, there's another helicopter that comes, and then there's, another boat that's there, and then the guy winds up dying, he's up there, and he says, "Oh, why didn't You save me." He says, "I sent you two boats and a helicopter."

What do you need? YAHWEH is giving each of us. He's giving us. He'll always give you. And if you notice in your life sometimes, when there's things you're trying to overcome, and maybe you fail, and I noticed in my life, that right before that failure, there was always a way out that I was too weak to take. And then that, because I was too weak to take, I failed. So it says that YAHWEH will give you a way out, but you've got to make that decision. You've got to take it.

Deuteronomy 7, verse 26, and then we're done here. It says,

Deuteronomy 7:26 *And you shall not bring an abomination into your house, that you not be a cursed thing like it. You shall utterly detest it, and you shall utterly hate it; for it is a cursed thing.*

Years ago, we used to know these ladies in the congregation who had a business doing house cleaning. So they were really nice ladies, older ladies, and you'd meet like a brother and say give them our phone number we'd like to have our house cleaned. But it was a little bit different house cleaning than most people know. So they thought they were going to come there and clean the floors, maybe wax the bathroom, or whatever. No, their house cleaning was walking around that house, and every idol they would see, they would smash that thing to pieces. And they'd go to some people will know.

I had a good friend of mine that I was actually baptized with, who didn't see for years when he was in his house, and he had this big, Buddha thing that he had gotten when they were on a cruise in Egypt. And he thought it was just a souvenir, and I'm like, "Wow. I'm not staying in that house until you smash that thing. That thing is an idol."

So what is it? You know, what is it? What cursed thing are we bringing in our life? And you want to know something? I think deep down, it's not as hard a question as it may sound. I think deep down, we know who the cursed things are in our life. We know the things what we need to get rid of and a lot of them have to do with a lot of the stuff from commercial Babylon.

The internet, the things connected with the internet, like I said, the iPhones, the pleasure seeking, the social media, things that are only bringing pleasures that are taking away our spirituality. But the end result, if we look at Israel, what happened to them? They made it to the wilderness, but they didn't make it to the Promised Land. So there's no goodness I see in that, right? They made it to the wilderness, but they didn't make it to the Promised Land.

And here we are, right? Here we are. It takes a little faith to get to the wilderness, but it takes a lot of faith to get to the Promised Land. So there's no reward for the wilderness, as we see. And like I said, every time I'm there at Mount Sinai, my heart is pounding as I'm standing in that graveyard where there's thousands of Israelites who didn't make it, because I'm thinking in my mind, I can be down there next.

If I don't keep an eye on myself, if I don't watch myself, if I don't discipline myself every day, if I don't keep this stuff away, and it's not easy. It's not easy, because it's all over. We saw with COVID when COVID came. That's why the Bible says you will not be able to buy and sell without being part of that system. It doesn't say anything about lying or stealing anything. It's just being part of the system.

And COVID was like that. It was very simple. You either get the vaccine, or you don't buy and sell. And we know that the vaccine had Nano-particles, we know the garbage that was in there. We know a lot of people got killed immediately when they took it. So they are putting stuff in these vaccines. They are bad news, and they're not good. And we see it.

So like I said, it takes a little faith to enter the wilderness, but it takes a lot of faith into the Promised Land. So, I'm going to end just giving you a little assignment to … take some time today, whatever you want getting right before going to bed, and just jot down some notes to yourself. What is it in your life? From this message, from the lessons we learned from the Israelites. What is it that is in your life that could be holding back some of your faith in YAHWEH?

My mom used to always say to me, “Say what you want about America. But you can get anything you want here.” I'm like, “Mom, that's why I don't want to be there. I don't want an easy life. What good is that? Even if I lived to 300, I'm going to wind up dying after 300 years, and then where am I going to be?”

No, I don't want an easy life. I want an overcoming life. I want to life that in the end is going to please YAHWEH. And that's what it comes down to. So, like I said, in the second part, it's technically not a two-part message, but kind of like a two-part message. The second part of the message will be, *Are You Ready to Enter the Promised Land?*

So, that's why you have to do your homework because if you don't get rid of those things, you're writing down you're not going to be able to enter the Promised Land. So, that'll be the second part of this message. And we will take our lunch now, if I break, and then come back for some singing. YAHWEH bless. Chag Semeach!
