

TRANSCRIPTION – Seed of the Serpent or Seed of Elohim

Alrighty, Shabbat Shalom! And Shabbat Shalom to those who are watching with us. I have today that I want to give that's called, *Seed of the Serpent or Seed of Elohim...Seed of the Serpent or Seed of Elohim*. And I want to start in Genesis 1 in verse 26...this is kind of like the core Scripture to us in a lot of things and just beginning of the verse:

Genesis 1:26 *And Elohim said, let Us make man in Our image, according to Our likeness... let Us make man in Our image, according to Our likeness...then of course... to rule over the fish of the sea...and all the other things.*

But the point I want to make is that, like I've said many times, that **when Yahweh and Yahshua created mankind; They created them in the image of Yahweh, but we have to grow in His likeness**. And this is a key...although I've said it many, many times, you really have to focus on this point that to be like Elohim, He had to give us free choice. If we were made like animals and only instinctive and we didn't have free choice; we wouldn't be like Him; because He's not instinctive, He has free choice.

But at the same rate, He didn't give us that free choice to use the free choice; He gave us the free choice to be like Him to surrender that free will back to Him. We know in **Matthew 26:39**...you don't have to go there...but I go that many times with this; when Yahshua is in the Garden of Gethsemane and He's praying to the Father and what does He say? *Not My will be done; but Your will be done*. That we see even with Yahshua and Yahweh they were two distinct, separate beings; each having their own will. And the will of the Son was surrendered over to the will of the Father.

So now let's go to chapter 3...let's continue with the story here...because that's the way Yahweh created mankind. He created us and it say's at the end of creation everything was good. There was no evil as of yet; although with free will there was always the potential of evil; and Yahweh well knew that with the absence of His Spirit that it would bring evil. Because like we said, there's no such thing as darkness; there's only light; but darkness is the absence of light. There's no such thing as evil; there's only good, but evil is the absence of good. So now we get to Genesis 3:

Genesis 3:1-6 *And the serpent was cunning above every beast of the field which YAHWEH Elohim had made. And he said to the woman, Is it so that Elohim has said, You shall not eat from any tree of the garden? And the woman said to the serpent, of the fruit of the trees of the garden, We may eat, but of the fruit of the tree in the middle of the garden, Elohim has said, You shall not eat of it, nor shall you touch it, lest you die. And the serpent said to the woman, surely, you shall not die...right? So the serpent is contradicting Yahweh. He's calling Yahweh a liar. He's saying what Yahweh said is not true and now Adam and Eve have free will so they have to choose. They have to decide are they going to believe Yahweh in faith, unconditionally, or are they going to commit a treasonous act and give their authority over to Satan and choose Satan...what Satan is saying as the truth...for Elohim knows that in the day you eat of it, even your eyes will be opened, and you will be as Elohim, knowing good and evil...so now they're not...he's not only accusing Yahweh, but he is also saying Yahweh has this great conspiracy why he's trying to hold this back from human beings. And then in verse 6...And the woman saw that the tree was good for food, it was pleasant to the eyes, and the tree was desirable to make one wise. And she took of its fruit and ate it; and she also gave to her husband with her, and he ate it.*

So here it is...Adam and Eve now they surrender their free will, not to Yahweh, but they surrender their sovereignty over to the serpent, right? Because Adam was given dominion over the earth and now he gives that dominion over to Satan by being obedient to Satan instead of Yahweh.

And **remember you're the servant of what you obey**. They didn't believe Yahweh; it brought a spirit of doubt. And even today we see this with some even in the Congregation...that they have all these doubts, doubts, doubts and they're not believing what Yahweh says.

And at this very point, the nature of man changes, right? Because now everything is not good; from creation, now there's a change here because human beings used the free will that Yahweh gave them in an evil way. So if we go back one chapter...Genesis 2 in verse 15:

Genesis 2:15-17 *And YAHWEH Elohim took the man...Ha Adawm... and put him into the Garden of Eden, to work it and to keep it. And YAHWEH Elohim commanded the man, saying, Eating you may eat of every tree in the garden; but of the Tree of the Knowledge of Good and Evil you may not eat, for in the day that you eat of it, surely you shall die.*

So it didn't mean they would literally die that day, but it's interesting, is a thousand years is as a day to Elohim; and a day is as a thousand years. And they did die in the first millennium. Adam was 930 years when he died. But the point what Elohim was trying to say is, from that day...from that day that you disobey...from that day that you choose not in faith to believe in Me...from that day that you don't surrender your free will to Me, but you keep it to yourself to make the wrong decisions; that from that day, death will start, right?

So from that time, even their DNA, their physical bodies changed because they started dying that day. We don't know exactly how...Yahweh doesn't tell us...but certainly they weren't made to die, right? Because death is not in perfection; death is not in eternity. But after this happened, what happens? The process of death starts; and Adam and Eve change when they chose the seed of the serpent over the seed of Elohim.

At creation with the seed of the Spirit of Elohim, mankind didn't know evil, right? Everything was good at creation. But with this rejection they took on the seed of the serpent; decisions were made from pride, self-seeking, even when he thinks...mankind that he's doing something good...many times it's for the wrong reasons; like we said, that they're looking for recognition, they're looking to be patted on the back and this is mankind. They're not doing good like Yahweh says, don't let your right hand know what your left hand is doing when you're doing your alms.

But this is what happens. So at this point, by surrendering the sovereignty...not to Yahweh, but the serpent; mankind takes on the seed of the serpent. Basically his character is what we're saying; he's taking on the character of Satan instead of the character of Elohim; because he's made in the image of Elohim, but he had to grow in His likeness.

So now instead of growing in the likeness of Elohim; he's going to grow in the likeness of the serpent. If we go now to Genesis 3:15 right...now we come though that Yahweh is a Restorer, Yahweh is a Redeemer; so Yahweh has Plan B. He has a Plan B and He says:

Genesis 3:15 *And I will put enmity between you and the woman...he's talking to the serpent, right...and between your seed and her Seed...so now there's going to be two seeds that are here. There's going to be the seed of the serpent and there's going to be the seed of the woman; which will be the seed of Elohim, the redemptive seed... He will bruise your head, and you shall bruise His heel.*

And we know that He's talking...this is the first messianic prophecy that Yahshua is the Seed that is talking about. He will be the second Adam. He will be the One that redeems mankind back to Elohim. He will be the One that pays the penalty for this treasonous act; that not only Adam and Eve did, but now from this point, every human being...because the character of the human beings and the DNA is different now...they're taking on that seed.

It's the same today, like you see...which I find absolutely amazing that because of the internet and because of social media and how many hours that these youth are staying on social media...that literally they're DNA is changing and they're growing horns out of the back of their head. Now if that isn't indicative of Satan being the elohim of the internet...I don't know what is.

But it's I guess because of the way they're bending and they're hours and hours every day doing that. But literally because of that they're DNA is changing; and they're character is changing with it. Up to here we're almost six thousand years since Adam and Eve and no human being has grown horns out of his head; but now who has horns? Satan has horns, right?

But this is what's happening that the youth, the next generation is growing horns because they're taking on the seed of the serpent because they're manifesting completely now. **As Yahweh is manifesting the seed of Elohim; and as we're surrendering over to the mind of Messiah, we are literally changing completely over to Him with the outpouring of the Holy Spirit and the second Shavuot.**

In the world it's the opposite. **The world is manifesting exactly like the seed of serpent.** Now it's not in part, but it's in whole. And this is what's scary because this is why when the Mark of the Beast comes; to the world it's not a bad thing; it's a good thing; because they worship that beast. And they worship this system and they worship the internet and social media. And whoever Satan takes the physical body of, they're going to worship that person and they want it. They want the mark because they want to be like the seed of the serpent.

So **Genesis 3:15**, like we said, the prophecy of the two seeds; which is physical and spiritual; because we know that there has to be a physical seed of Adam. There has to be a second Adam. And that's why a physical second Adam must come from a physical seed of Adam's lineage...went over that many times...not going over that today.

And the result of Adam and Eve's rejection of the seed of Elohim and taking the seed of the serpent; you're the servant of what you obey. **So you're the servant of what you obey** and if that's what you're being obedient to, that's what the way Yahweh made us; although we do have free will.

We do also have instinctive characteristics in us that if we do something over and over and over it becomes instilled in our mind and it does become instinctive to us and Satan knows that. And that's why he's trying to instill the instinctive things of internet and social media and all the evil things that are in the world; the evil music that's out there.

Because he knows you're the servant of what you obey. So now we go to Genesis 4...what is the result of this? What happens? In Genesis 4 we see that...

Genesis 4:1-5 *the man knew his wife Eve. And she conceived and bore Cain, and said, I have gotten a man, YAHWEH...* many Scriptures or translations, put I've gotten a man with the help of Yahweh or whatever; but this is the way it literally is in the original Hebrew. I have got a man, YAHWEH. Why is she saying this? Because she's thinking that Cain is the seed that Yahweh prophesied of, right? Because in the day you eat that fruit, you'll die and now they're thinking they're going to die that day before sunset; but Yahweh is a Redeemer. He talks about this redemptive seed and now they find out they're not going to die that day and

actually, even though they know they'll physically die, there is going to be a Redeemer that's going to come and redeem them and they're thinking Cain is that. And that's why the word Cain means what? To purchase, to redeem, to buy back. That's why they call him Cain and they're thinking they gotten a man, Yahweh; that this is the savior that Yahweh predicted... *And she continued to bear his brother...they're twins and his name is...Habel, Abel...and what does Habel or Abel mean? It means vanity; nothingness, why? Because there was only one prophecy; there was prophecy of one redeemer, not two. So when they got the first one, they figured they didn't need the second one. But how did things work out in the flesh? Not so good... And Habel became a shepherd of flocks. And Cain became a tiller of the ground. And it was in the end of the days; it happened that Cain brought an offering to YAHWEH from the fruit of the ground. And Habel brought, he also, from the firstlings of his flocks, even from their fat. And YAHWEH looked to Habel, Abel and his offering. And He did not look to Cain and to his offering. And Cain glowed greatly with anger, and his face fell.*

Wow, so why is this now...Genesis is an awesome book, not only telling all the creation and the beginning of the Covenant with Abraham...but when you look into this...like I said, every name is important here and there are lessons to learn from everything here. And what are we learning here; we learn from creation that what happens with sin? **Sin brings the shedding of innocent blood.** That when Adam and Eve chose their treasonous act of giving their sovereignty over to Satan and doubting Yahweh, what happened?

Sin came in and what happened? That Yahshua...Yahshua Yahweh who was also Co-Creator there with Yah, Yahweh the Father, He had to kill an animal. We didn't read that part, but we know it's there; that He killed an animal to cover them, right; to cover over. Just like on Yom Kippur, every year the sins are covered from year to year, but they're not removed.

So the sin wasn't removed at that point, but it was covered. So He covered their sin there by the killing of an animal because sin brings the shedding of innocent blood. And that was the precedent that Yahweh set down there. And that's why we see up until Moses comes and the Levitical order, what happens? All the way up...whether you're going from Job to Abraham to Isaac to Jacob...they're bringing these voluntary offerings to Yahweh.

Because like we said, **the word for sacrifice; it doesn't mean to give up; it means to draw closer through relationship.** So now Cain is coming, but he's not bringing a sacrifice; he's bringing the fruit of the ground, right? So he's bringing a blood-less sacrifice.

This is why...it wasn't that Yahweh didn't like his fruit, right...it wasn't that Yahweh looked and said, "Oooh, I don't like whatever, the fruit of the ground; as I don't like tomatoes or I don't like peppers." No! It's the fact that he's bringing a blood-less sacrifice and Abel didn't. Abel was bringing...because there is no forgiveness without the shedding of blood...so Yahweh set this precedent, but Cain didn't want to follow Yahweh's judicial order.

Cain was from the seed of the serpent, right? He didn't want to unconditionally surrender to Yahweh. He wanted to do it his own way and Yahweh said, "No! This is not acceptable" The same way here we are almost six thousand years later and Yahweh still says today, "No, it's not acceptable!"

Christmas is not acceptable to Me! **It's not acceptable you take something pagan and twist it around and now you say it's to Me!** No, the golden calf was not acceptable! It's not acceptable that you're going to take a Helford cow that's worshiped in Egypt and say that cow is Yahweh. No, it's not acceptable to Me.

It's not acceptable that you're going to take My Sabbath and say that Sunday is the Sabbath. No these things are not acceptable. So whatever it is...and it's not acceptable that you're going to take the name gawd of a

Babylonian deity and you're going to call Me by that name. No these things are not acceptable. They all come from the seed of the serpent. They all come from deception. So what happens with Cain?

Genesis 4:6-9 *And YAHWEH said to Cain, Why have you angrily glowed, and why has your face fallen? If you do well, is there not exaltation? And if you do not do well, sin is crouching at the door; and its desire is toward you; but you should rule over it...so really interesting that you don't have too many things...we do have prophecies that Yahweh says; but we don't have too many times you see in the Bible that Yahweh is literally talking to a human being and in wisdom like this. He says, if you do well, is there not exultation? Isn't that true? Like **we don't need man's patting on the back. If we're doing well, naturally from Yahweh's judicial order, good things are going to happen. But if you don't do well, than sin is crouching at the door,** right? And people know it; if your motive is wrong; if your thoughts are wrong. But He says, we should rule over it...**we should rule over sin.** But **you can't do it with the seed of the serpent; you have to have the seed of Elohim to do this.** And then what happens? Does Cain get a repentant heart and turn back? No...*And Cain talked with his brother Abel and said let us go out into the field; And it happened as they were in the field, Cain rose up against his brother Abel, and killed him...Wow! Now today we can understand this, right? Because every day parents are killing children; children are killing parents. People are killing anybody. People are coming and shooting up and so in the world of today, this probably doesn't seem like, Oh, yeah okay. He got mad at the brother and killed him. You know a terrible thing. But remember this is not far from creation...this is not very far from creation. And these were the only two children that Adam and Eve had to this point. There were no other children there with them. So where did they learn this from? Where would he learn this that if I don't get my way, I'm going to kill somebody; seed of the serpent. This is where the decision that the parents made to go against the will of Elohim affects the children also, right?...And YAHWEH said to Cain, Where is your brother Abel?...and what's his answer?... I do not know. Am I my brother's keeper?**

So wow even to Yahweh he's showing disrespect the way that happened here. So what is the outcome of Adam and Eve choosing the seed of Satan over the seed of Elohim? Man now has through his human nature has fully taken on the seed of the serpent; selfish, prideful, rebellious, unloving, disrespectful, against judicial order, self-serving and self-preserving, right, as Cain was, without natural affection. This was his brother...this was his twin; the fruit of the same womb, right?

Without natural affection and no fear of Yahweh; did he have fear when Yahweh came? Did he have fear to think what on earth did I do? I'm going to get caught. No, he actually disrespectfully answers Yahweh, Am I my brother's keeper...with some sarcastic remark, wow! And it brings the curse that comes on him...I'm not going to continue from there, but we know the story.

But then we go to Genesis 6 as we see now it's not only in the dysfunctional family of Adam and Eve and Cain and Abel, but it's throughout all the earth; because now Adam disqualified himself as priest of Yahweh, right? And now nobody went out to teach the rest of society. So what happens to society? Well, **evil is the absence of good.**

So now with the absence of the Torah...**with the absence of the instruction of the Torah there's only going to be evil.** And now by Genesis 6...you're only six chapters into the whole Bible...the whole society was corrupted because Adam as priest of his family did not follow his commission and took the seed of the serpent instead of the seed of Elohim. So Genesis 6:1-3:

Genesis 6:1-3 *And it came about that men began to multiply on the face of the earth, and daughters were born to them. The sons of the Elohim saw the daughters of the men, that they were good, and they took wives for themselves from all those whom they chose. And YAHWEH said, My Spirit shall not always strive with*

mankind; in their going astray he is flesh...the spirit of flesh, not the Holy Spirit... And his days shall be a hundred and twenty years or times...And then if we drop to verse 5:

Genesis 6:5-7 *And YAHWEH saw the evil of man was great on the earth, and every imagination of the thoughts of his heart was only evil all the day long. And YAHWEH sighed with sorrow that He had made man on the earth, and He was grieved to His heart...Can you imagine as a human being that makes you feel that Yahweh says, I wish I never even created them...And YAHWEH said, I will wipe off man whom I have created from the face of the earth, from man to beast, to the creeping thing and to the birds of the heavens; for I repent that I made them...I repent that I made them...verse 11:*

Genesis 6:11-12 *And the earth was corrupt before the Elohim, and the earth was filled with violence And Elohim looked on the earth, and behold, it was corrupted. For all flesh has corrupted its way on the earth*

Right? So like we said, evil is simply the absence of good; and since the instruction, the Torah, was never brought to anybody; this is what happened, that people became so corrupted, so evil in every way that you can imagine. So the Spirit of Yahweh, the Spirit of Elohim, the Seed of Elohim was non-existent except through Noah. We know that Noah was the only one so that Yahweh can at least continue a remnant; and we're going to see that there always is a remnant. Praise Yahweh for that!

But this continued now...so I wanted to set a foundation because this is the way things started right? And it continued all the way up to the second Adam; nothing really changed because we know even from Noah; the minute that they came out of the ark, right? And he's planting a vineyard and starting to replenish the world, what happens? The evilness that his son Ham did to him by looking on his nakedness and the seed of the serpent continues.

So it continued all the way up until the time of Yahshua throughout mankind unfortunately. But like I said, as you could see, you could look from Genesis to Revelation, you will see that there was never a time in the history of mankind where the majority of people were righteous; where they were following Yahweh and surrendering to Him...never! It's always only a remnant...it is always only a remnant.

So now we come to Genesis 6...let's continue this story here, right? Because the seed of serpent is still there, but now the second Adam has come. So now what we just read from the beginning in Genesis, we're going to see how it's going to be restored...so John 6, I'm going to start reading here in verse 44:

John 6:44 *No one is able to come to Me unless the Father who sent Me draws him, and I will raise him up in the last day...so this, the first Adam should have been saying this. The first Adam should have been going out to society and he should have been bringing the good news of the priesthood of Melchizedek to them, but he didn't, right? So now the second Adam is going to fulfill what the first Adam lost and it's very clear... No one is able to come to Yahshua unless the Father who sent Me draws him, and I will raise him up in the last day...If we drop down now to verse 46...*

John 6:46-51 *Is it not that man can see the Father...It is not that man can see the Father, rather He who is from Elohim is He who sees the Father...so nobody knows the Father except the Son and nobody can come to the Father except through the Son. And that's why I say, not to criticize our brother Judah, but without coming to Messiah there's no way you can come to the Father. Because every human being is from the seed of the serpent; they're not from the seed of Elohim; and the only way to be redeemed back to Yahweh is to come to the Son to get that seed of Elohim. You can't get it on your own. There's no way you can get it on your own; and there's a lot of Laodiceans out there who are deceived thinking they can, but they can't. You have to come through the Son...and then verse 47...Truly, truly, I say to you, The one believing into Me has everlasting life. I AM the Bread of life...this is Yahshua saying this. The I AM; thirteen times in the*

Brit Chadashah and the four good news messages does Yahshua call Himself the I AM from Exodus 3. Yahshua says...*I AM the Bread of Life. Your fathers ate the manna in the wilderness and died. This is the Bread coming down out of Heaven that anyone may eat of it and not die. I AM the Living Bread that came down from Heaven. If anyone eats of this Bread, he will live forever...*right? What Adam and Eve lost; what did they lose there? They lost eternal life when they treasonously, rebelliously went against Yahweh and doubted Him and believed the word of the serpent over the Word of Elohim. But now Yahshua comes as the second Adam to redeem; and what does He say? **If we believe in Him we will get eternal life. What Adam and Eve lost by not surrendering their free will to Yahweh, we can get back by surrendering our free will and believing...***If anyone eats of this Bread, he will live forever. And indeed the bread which I give is My flesh, which I give for the life of the world.*

Right? Because there is no forgiveness without the shedding of blood and there had to be the shedding of blood for the forgiveness of sin. And that's what Yahshua did; that's why **He came to give His physical flesh to die to pay the penalty of the sins of all the world because His life as Creator of the universe and Creator of every human being; His life is worth more than all His created beings put together.**

So the seed of the serpent would continue until the second Adam would come to redeem man back to the earth. Go to Romans 5 in verse 12...we see this...Romans 5 in verse 12, it says:

Romans 5:12 *Even as sin entered the world through one man...we read that a little ago...and death through sin...*right? The day you eat that fruit, you'll die; had nothing to do with eating the fruit. It wasn't poisoned; it didn't have worms in it or maggots; **it was that they went against Yahweh that they didn't show faith in His Word, but they believed in the word of the serpent...** *Even as sin entered the world through one man and death through sin so also death passed to all men, as much as all sinned.*

Because **without the instruction of the Torah, every single person will sin; there's no way you can be righteous on your own.** And that's why if you're ever going to get the Plan of Salvation, you have to understand the seed of the serpent and the seed of Elohim. You have to understand that **every single human being born is born with the seed of the serpent.**

We're born into a world where the serpent is the elohim; the god of this world. And you have to reject that...you have to...the same way Adam and Eve rejected Elohim, **we have to reject the serpent; and we have to redeem ourself back to Elohim.** And then t says in verse 15...

Romans 5:15-18 *But the free gift is not also like the offence. For by the offence of the one the many died how much more the grace and the gift of YAHWEH, because one Man, Yahshua Messiah, be increased for many. And the effect of the gift of YAHWEH was greater than the effect of the offence of Adam; For while the judgment of one man's offence resulted in the condemnation of many, but the free gift...Yahweh's grace...the free gift of YAHWEH in the forgiveness of sins resulted in justification to many more...and there's only one way to get justification; it's by repentance and accepting the shed blood of Yahshua...For if by the offence of the one death reigned through the one, much more those who are receiving the abundance of grace and the gift of righteousness shall rule in life by the One, Yahshua Messiah. Therefore, as on account of the offence of one, condemnation was to all men; so on account of the righteousness of one, will the victory unto life be to all men.*

And that's what it has to come down to...it's very simple, but **you have to humble yourself to accept this; that there's only one road to salvation. And that road is through the blood of Messiah paying the penalty of your sins.** There's no other way! And to think of the great sacrifice as He did for us; it's not only humbling, it should bring you to tears to think that this eternal Being that had no beginning, no end, that's been

there forever...that Spirit...so He never feels hunger or pain or thirst or sickness; that **He came to this earth to feel all those things so that He could understand how we feel and that He can redeem us and He could be there in our time of need...**Wow!

So now, how did it go with the second Adam coming? Was he accepted by mankind? Let's see...let's go back to John 6 and start in verse 60 now...back to John 6 and starting in verse 60, says:

John 6:60-66 *Then many of His disciples having heard, they said, This Word is hard; who is able to bear it? ...so never mind; number one, most of people in the world did not accept Yahshua, right? And even the ones who did, these are His disciples saying this; this Word is too hard to bear... But knowing in Himself that His disciples were murmuring about this, Yahshua said to them, Does this offend you? What if you see the Son of Man ascending to the place where He was before?...right? Because He came from Heaven and He's going back to Heaven... It is the Spirit that gives life. The flesh does not profit, nothing!...right? And **the seed of the serpent is the seed of the flesh; it has nothing to do with anything of spiritual things.** It's Satan, by our human nature and knowing that we're made of flesh, he tries to get your flesh addicted; he tries to get your flesh...the same way...what did he say to the woman, right? As he's trying to coerce her, and what is she saying? Whoa it's good for food, pleasant to the eyes and desirable to make one...all fleshly things...nothing spiritual. And it's the same that the serpent does today, but look what He says...*The Spirit is what gives life. The flesh does not profit, nothing! The Words which I speak to you are spirit and are life. But there are some of you who are not believing. For Yahshua knew from the beginning who they were, the ones not believing, and who was the one betraying Him...*right? So we see right now even here, the seed of the serpent was mixed with the seed of Elohim. They were both there at the same time, right? And we're going to get into that more later, but they were there together... *And He said, Because of this, I have told you that no one is able to come to Me except it is given to him from My Father. Because of this saying, many of His disciples turned their backs and did not walk with Him.**

Right? So now what is the answer of the second Adam coming? Human beings are saying it's too hard...I don't want to change...I like the way I am. Surrender my free will to Yahweh! No way! Right, and here we are two thousand years later, people saying the same thing, I'll never follow a man! I'm keeping my free will! Seed of the spirit or seed of Elohim, right? Because **unless you surrender, like Yahshua did; unless you say to Yahweh, Not my will be done, but Your will be done; you're following the seed of the serpent.** And most people are just...they're too weak to change. They don't want to change. And that's the end of it.

You know I've given many messages on true repentance; at the end of the day, what I say to people is, **if you can't overcome a sin; it's for one simple reason, you love the sin too much.** Because like I said, nobody is saying, "I have this terrible habit. Every day I wake up I go over to the stove and I put my hand on this stove and burn myself and I can't stop myself!" I mean somebody sadistic...some sick person in the world would do that, but no normal person does that. Because if something is going to hurt you, you're not going to do it.

But **people continue in sin because they perceive that it's going to help them and they're pleasure seekers and they seek pleasure more than they seek Elohim.** And it's a sad thing, but this is what happens you know. Mankind still chose the seed of the serpent and rejected the seed of Elohim. Go to 2nd Corinthians 4 in verse 2, he says:

2nd Corinthians 4:2-4 *But we have renounced the hidden things of shame, not walking in craftiness, nor corrupting the Word of Elohim, but by the revelation of the truth commending ourselves to every conscience of men before Elohim. But, also if our good news is being hidden, it has been hidden in those being lost...*right? The seed of the serpent...*in whom the god of this world has been blinded the thoughts of the unbelieving so*

that the brightness of the good news of the glory of Messiah, who is the image of YAHWEH, should not dawn on them.

Right? Because **the same way that Yahweh made Adam in His image, but he had to become in His likeness; we see the same way that the second Adam is in the image and likeness. He is the express image and likeness of Elohim. And now we have the opportunity, He can live in us and we can be the express image and likeness of Yahshua, who is the express image and likeness of Elohim.**

But prideful human nature wants no accountability and the god of this world; they'd rather bow to him. You know why? Because he doesn't ask you to give him any reverence; Satan, the seed of the serpent, he doesn't ask nothing from you accept one thing; just please yourself. Because all he wants is to take your eternal life away. So as long as you're going against Yahweh, he could care less. Like I said, you can keep nine commandments perfect as long you're consistently breaking one, that's all he cares about.

So the god of this world...the god of this world which most people are following; which is sad to say...that people want no accountability. They'd rather follow the god of this world and the seed of the serpent. But the good news is...let's go back to John 6 in verse 67...John 6 in verse 67...and this is after the disciples walk away, right?

John 6:67-69 *And then therefore, Yahshua says to the Twelve, Do you also wish to go? And Simon Peter answered Him, Master, to whom shall we go? You have the Words of everlasting life...right, wow... And we have believed and have known that You are the Messiah, the Son of the living Elohim.*

So that's the point like I say, **when you've come to Mount Zion...when you get to the top of the mountain where do you go from there?** There's nowhere to go. It's one thing if you start out as a Catholic or a Protestant and then you became a Jehovah Witness and a Seventh Day Adventist; but once you've come to Mount Zion...**once you've come to the Truth, once you're part of Yahshua's true Congregation and you have the Truth and you've seen Mount Zion...where do you go from there?**

And that's what Peter is saying, where do we go from here? But if you're the seed of the serpent, it's not going to matter because you never came looking for Truth. You came looking for something, but it wasn't the Truth; and that's unfortunately what happens in the Congregation from the First Century; that it's always been mixed with the seed of the serpent and the seed of Elohim.

And why does Yahweh allow it? He allows it as we're going to see for our own benefit; because if not how else can we test the spirits unless Yahweh allows this to happen. But the great part is that **there's always a remnant of true-hearted believers. There's always a remnant.** And we're going to see exactly how to know who that remnant is. Go to Romans 9 in verse 23...there's always a remnant, praise Yahweh...Romans 9 in verse 23...actually I'll start here in verse 25:

Romans 9:25-29 *As also He says in Hosea, "I will call those Not My people, My people! And those not beloved, Beloved!" "And it shall be, in the place where it was said to them, You are not My people, there they will be called, Sons of the Living Elohim."...talking about the redemption of Ephraim in the end days...But Isaiah cries on behalf of Israel, "If the number of the sons of Israel be as the sand of the sea, only a remnant will be saved."...right? There's probably a billion Israelites out in the world today, but only a small remnant will be saved..For He is bringing the matter to an end, and having been cut short "in righteousness, because YAHWEH will do a thing cut short on the earth."...and here we are, right?...And as Isaiah has said before, "If YAHWEH of hosts had not shown favor to us with a remnant, we would have become as Sodom, and we would have become as Gomorrah."*

So it's not because of our goodness; it's not anything we do. Like He says in Ezekiel 36...**it's not because you're House of Israel; it's because of His Word and His promises; and that Yahweh is good...but praise Him for that. Praise Him for His mercy and His grace which is unending; because if He didn't have that mercy and that grace there wouldn't be one human being ever that would be alive.**

And that's the key of everything here. But Yahweh is calling a remnant to reject the seed of the serpent, surrender their free will to Him and get the begotten seed of Elohim, right? And now, **since the days of Yahshua, we can literally get the seed of Elohim physically; that He puts His seed in us. We can become begotten with His Spirit;** which is amazing.

Let's go to Acts 26...and this is the Good News; this is the Good News message that Yahshua came to bring. And it couldn't happen until He came, the second Adam, to redeem the earth back to Elohim; but from the time of Yahshua, literally now, literally we don't have to be a physical seed. He had to be a physical seed of Adam, but **we can be a literal seed of the second Adam by His Spirit living in us.** Acts 26 starting in verse 14...and this is when Paul was on the road to Damascus and he's retelling the story to Agrippa...

Acts 26:14-18 *And all of us falling to the ground, I heard a voice speaking to me, and saying in the Hebrew dialect, Shaul, Shaul why do you persecute Me? It is hard for you to kick against the stakes. And I said, Who are you, Sir? And He said, I am Yahshua whom you persecute;...right? Says in the Hebrew dialect, we know His name has to be a Hebrew name; and the name is Yahshua. He says...but rise up and stand on your feet, for it is for this reason I appeared to you, to appoint you a servant and a witness both of what you saw, and in what I shall appear to you, having delivered you from the people and the nations, to whom I now send you,...and look what He's sending him to do...to open their eyes, and to turn them from darkness to light...right? There is no such thing as darkness, only the absence of light. So now He's bringing the light so there'll be no darkness... and from the authority of Satan to YAHWEH...from the authority of Satan; from the seed of the serpent to the seed of Elohim... in order that they may receive remission of sins, and an inheritance among those being sanctified by faith in Me.*

Wow...**to bring them from darkness to light, from the authority of Satan to Yahweh. And that is what the Good News is all about.** And like I said, it could only be done by One; the Son of David, who was the son of Noah, who was the son of Abraham, who was the son of Adam; He had to be the second Adam to come and to do that; and He did.

This is the Good News; **Yahshua is transforming us from the seed of the serpent to the literal child of Elohim.** Romans 8 in verse 5...Romans 8 in verse 5...but never forget there's still two seeds there. There will be two seeds there until Yahshua's return; until His coming by the light of His presence will destroy everything that's not of Yahweh. Romans 8 in verse 5...

Romans 8:5-8 *For the ones that are according to flesh mind the things of the flesh. And the ones according to Spirit mind the things of the Spirit...seed of serpent, seed of Elohim...To be carnally minded is death, but to be spiritually minded is life and peace;...so to the Laodicean spirit which is the seed of the serpent...it's only a dead end road of death as we saw with Adam and Eve...because the mind of the flesh is enmity...it's hatred...toward Elohim; for it is not subject to the Torah of Elohim, and it is not possible to be so...And that's why the Laodicean thinks he's rich and increased with goods and need of nothing, but he's actually poor, blind, miserable and naked; because he can't please Elohim when he's trying to do it himself. And we can't please Elohim simply by our own obedience because in the flesh we can never be totally obedient. The way we please Elohim is by surrendering to Him. By admitting our faults, by repenting, by changing and by having a humble spirit and let that humility show mercy and love and grace in our life to other people...And those being in the flesh are not able to please Elohim.*

So you have to decide...do you want to be a Laodicean, seed of the serpent or do you want to be an Elohim-guided seed of Yahweh. It's one or the other, but it can't be both. And where does that lead to...where does it lead to? It leads to verse 9...right?

Romans 8:9 *But you are not in flesh, but in Spirit, since the Spirit of YAHWEH dwells in you. But if anyone has not the Spirit of Messiah, this one does not belong to Him.*

Right? There's only two spirits in the world. There's not a third option. There's not fourth option. **You are either the seed of the serpent or the seed of Elohim.** And now, wow...this is the first time in the history of human beings, that the seed of the serpent is manifested in a world system.

We've never had that before. You had good systems and bad systems; you had the kingdom of Babylon, the kingdom of Egypt; you had the kingdom of Rome, the kingdom of Greece. But we've never had a world-wide system that is controlled by Satan like we have today and it talks about it. We're going over the Bible study in Daniel talking about the system...Revelation we've already done...talking about this system; but you can't be in both. You have to decide...verse 11:

Romans 8:11-18 *But if the Spirit of the One having raised Yahshua from the dead dwells in you, the One having raised the Messiah from the dead will also make your mortal bodies live through the indwelling of His Spirit in you. So then, brothers, we are debtors, not to the flesh, to live according to flesh, for if you live according to flesh, you are going to die. But if by the Spirit you put to death the practices of the body, you will live..And that's why the only way to do this is with the Spirit of Elohim and surrender to Him. And **it's not a one-time thing**...it's not by tricking an elder to baptize you when you've never repented, thinking now you'll do it all. No, Yahweh will not be mocked...*For as many as are led by the Spirit of Elohim, these are sons...the children...of Elohim. For you did not receive a spirit of slavery...right? That's the seed of the serpent, is the spirit of slavery...to fear but you received a Spirit of sonship by which we cry, Abba! Father!...Daddy...that literally we are becoming children by Him begetting us; putting His Spirit in us;* the same way that an egg and sperm come together in the womb of a woman when two people are married; is the same way that Yahweh is putting His seed inside of each of us when we are baptized and have laying on of hands...*The Spirit itself witnesses with our spirit that we are the children of YAHWEH....why does it witness with our spirit? Because it's causing our spirit to surrender our will to the will of Yahweh. If you keep your free-will, if you'll never follow a man...man, you are the seed of the devil...you are the seed of the serpent! **It is only by surrendering that will to Yahweh by humbling yourself before Him; that you have any chance at eternal life...And if children, then heirs; truly heirs of Elohim, and joint heirs of Messiah, if indeed we suffer together, that we may be glorified together.****

Wow! Joint-heirs with Yahshua of the universe! What a plan that Yahweh has...boy, talk about a Plan B, right? I don't know all the Plan A...we only see part of it in Genesis and then Adam failed pretty bad; but boy, does He have a Plan B...what a Plan B that He has there; to be literal children of His.

And how do you become children of His, right? **You become children of His by being begetted with the Ruach Ha'Chodesh; with the Holy Spirit. And we are the literal seed of Elohim; children and heirs.** In Psalm 82 in verse 6 says:

Psalm 82:6 *I have said, You are Elohim, and all of you are sons of the Most High.*

So this isn't like sometimes Rabbi's say, "That's a New Testament thing. That's a Christian thing!" No, it's not...no it's not. It's there from the beginning; that Yahweh had a the plan of His creation to us become like Him; to be made in His image, to grow in His likeness and to become literal children of His just like we read there in Psalm 82.

So how is it? How do you receive the Holy Spirit? Because the deception now is the seed of the serpent is going to try every way along the way, right? He deceived Adam and Eve and then he went after each way along the way, he went after Abraham, he went after Isaac, he went after Jacob. When Moses was born, he tried to kill the children. When Yahshua was born he tried to kill the children.

The seed of the serpent is not going to stop until he's completely destroyed. And today, he is well and alive; because he is the god of this world. And he does have power in his world and that's why **Yahweh says to us; we need to come out of this world. We have to hate the world the way Yahweh hates the world.**

If you love the world then what seed are you bearing? You're bearing the seed of the serpent, not the seed of Elohim. But he's also trying to trick new believers that they don't need to be baptized or they don't need an elder to baptize them. So how...let's just look at what Scripture says...very, very clearly...how do you receive this Spirit that just said, if the same spirit that's in Yahshua is in you, that's what makes you a child.

So how do we receive that Spirit? Let's look...let's go to Acts 2 in verse 31...Acts 2 in verse 31...because there's only way to receive that Spirit...remember **there's only one name in Heaven and earth where men will be saved; and that name is Yahshua, Messiah.** It's not Jesus. So one way is tricking Christians to getting the wrong name, right? That's one way he uses it, but even within the believers there is the seed of Satan there trying to trick believers.

There's sometimes people saying that you don't need to be baptized or you don't need to an elder to baptize you. What do we see here...Acts 2 in verse 31...where people out there that are going out in the Messianic movement, where people that were never trained, never ordained going out and baptizing people with no authority and people are not receiving the Holy Spirit. And who's the only one that's happy then? Satan, because that's all he wants; he wants to try anything to trick the believers...but Acts 2 in verse 31, he says:

Acts 2:31-40 *Foreseeing, he spoke about the resurrection of the Messiah, "That His soul would not be left in sheol, nor did His corpse see corruption." This Yahshua, Elohim raised up, of which we all are witnesses. Then being exalted to the right of YAHWEH, and receiving the promise of the Holy Spirit from the Father, He poured out this which you now see and hear. For David did not ascend into Heaven, but says, "YAHWEH said to my Adonai, sit at My right hand until I place those who are enemies to You as a footstool for Your feet."...from Psalm 110, the Melchizedek Priesthood...Then assuredly, let all the house of Israel acknowledge that YAHWEH made known this same Yahshua whom you crucified, is both YAHWEH and Messiah...right? People say, where does it ever say Yahshua is Yahweh? Right here...right here it says it in the original Aramaic manuscripts that there are two; **Yahweh is a family name, with Yah, Yahweh the Father, Yahshua Yahweh the Son.** And anybody who doesn't believe it is a liar! Because it's right in your Scripture in the original manuscripts...*That this Yahshua whom you crucified is both Yahweh and Messiah. And hearing, they were touched in the heart, and they said to Simon Peter and the rest of the apostles, Men, our brothers, What shall we do?...What shall we do? So how we get the same Spirit that He has?...And Peter Kefah said to them, Repent and be baptized, each of you in the name of Yahshua YAHWEH...Repent each of you and be baptized in the name of Yahshua Yahweh; the family name...for the forgiveness of sins, that you may receive the gift of the Spirit of Holiness. For the promise is to you and to your children, and to all those afar off, as many as the Master our Elohim will call...Everybody who's part of that remnant...everybody that has a heart toward Yahweh who will humble himself before Him; who will surrender their will to the will of Yahweh, Yahweh will give this gift; and the spirit of holiness. And with many other words he earnestly testified and exhorted, saying, Be saved from this perverse generation.**

Be saved from the seed of the serpent...be saved from this perverse generation. And **I say that to you today, be saved from this perverse generation.** It is totally perverse. We are getting this close toward the Kingdom

of Yahweh and the whole world out there is corrupted. **Get away from all the corruption of this world. Stay away from it; stay away from social media; stay away from all of these devices of Satan; being in the world, working in the world, being part of the world.**

And people say, well what can we do? Well what is Yahweh doing in the last five years? He's building up communities in His Congregations all over the world. More and more...every year we're seeing more coming up and praise Yahweh for that! But **we have to come out of the world.**

Acts 8 in verse 9...Acts 8 in verse 9...just go over one more Scripture on receiving the Holy Spirit; because it's important because **without the Holy Spirit you're none of His.** And there are deceivers out there; people deceiving people that...claiming you don't have to be...have an elder baptize, right? But yet in Acts 9, what does he say? Acts 8, I'm sorry, in verse 9...Acts 8 in verse 9:

Acts 8:9-16 *Now there was a certain man there whose name was Simon Magus who lived in that city a long time and deceived the people of Samaria by his sorcery while magnifying himself and saying, I AM Great!...right? So he's deceiving the people...he's the seed of the serpent in the flesh; definitely demonic spirit in this person; and saying how great he is and giving no glory to Elohim...All were bowing toward him, from small to great, saying, This one is the great power of Elohim. And they persuaded him, all of them, because a long time ago he had persuaded them with his sorceries. But when they believed Philip preaching the good news, the things concerning the kingdom of YAHWEH, in the name of Yahshua, they were baptized, both men and women...And remember that Philip was ordained in Acts the sixth chapter with the five other men that were there; and he's coming there...And Simon himself also believed, and being baptized was continuing steadfastly with Philip. And seeing miracles and mighty works happening, he was amazed...Simon Magus, right? So he's seeing that his power is fake. His power is demonic, but Philip has real power from Elohim...And the apostles in Jerusalem hearing that Samaria had received the Word of Elohim, they sent Simon Peter and John to them, who going down prayed concerning them that they may receive the Holy Spirit. For it was not upon any one of them yet, but they were only being baptized in the name of the Master...Right? Because baptism, **the ceremony of baptism is two-fold; it's a Covenant. And the way you enter the Covenant is; it's an agreement by two parties. Both parties have something to do. So the person has to go in the water that he is given the commitment he will fully die to the old self and one hundred percent surrender to the will of Yahweh and then Yahweh uses His ordained elder that He hand-picked to lay hands on that person for the giving of the Holy Spirit.** It's the same ceremony. It's not two different ceremonies; its two parts of one ceremony, but its one ceremony. You put the person in the water and then you lay the hands of him and it has to be an ordained elder...look, verse 17.*

Acts 8:17-21 *Then they laid hands on them, and they received the Holy Spirit. But when Simon Magus saw that the Holy Spirit is given through the laying on of the hands of the apostles...the elders...he offered them money...when Simon Magus, this is the deceiver; this is the one even doing lying signs and wonders, but he sees how is the Holy Spirit given; through the laying on of hands of an elder. And then what does he say... saying, Give to me also this authority...right? Because **if you don't have that authority as an ordained elder of Yahweh, nothing is going to happen. No Holy Spirit is going to be transferred; it only is transferred through the laying on of hands of the elder.** And Simon Magus, this sorcerer, this deceiver, is trying to give them money to give him the authority... *that to whomever I may lay on the hands may receive the Holy Spirit...and then what's Peter's answer...Peter says to him, May your silver be with you into destruction, because you thought to obtain the gift of Elohim through money. You have no part or portion in this faith because your heart is not straight before Elohim.**

And I can tell you through the years, there are people...sometimes they come to the feast...they come, they want to be baptized because they know to look here...how do you deny this? That there's only one baptism,

there's one faith, there's one way to get the Holy Spirit. You have to have an ordained elder baptize you and lay hands on you. So they know it...so they lie, they deceive; they don't repent of their sins and they lie to the elder. What can happen? But they're not lying to Yahweh because I know probably half the people I baptize never receive the Holy Spirit; because they never repented. And they're just like Simon Magus.

You think Simon Magus received the Holy Spirit? He was baptized; he never received the Holy Spirit because he was of the seed of the serpent; he wasn't of the seed of Elohim. And what's interesting is, the same people that will try to go out then and say you don't need an elder to baptize you...then why do they come to me and ask for baptism? Isn't that hypocrisy?

That they'll want me to baptize them, but then they go afterwards and say you don't need an elder to baptize because they're liars and deceivers and they know you need an elder. They know that **Scripture is so clear that a member just can't go and baptize another member.**

Because if that was the case, wow, you think Yahweh would leave it up to just lay-members to go out and give His Spirit to anybody? When you look at the qualifications of an elder; they are so strict that very few people fit that qualification because Yahweh can't take chances with giving His Spirit away. And it's not even once you're ordained; it doesn't mean you're ordained for life; you're only ordained...**you're only recognized as an elder for as long as you're fulfilling those qualifications.**

And there are people that come in the Congregation and they lie about that. And then they deceive and then they're ordained and then they leave thinking, Hah, now I got what I want. I'll go on my own. But **they're not an elder of Yahweh and they have no authority from Yahweh to lay hands on people to give the Holy Spirit.**

So we see this here. And when we're talking about the seed of the serpent, this is important because this is one of the main things that Satan wants to deceive people with. Because this is ground zero! **This is where if you don't have the Holy Spirit, you're none of His and it's so important for people to understand this; that only ordained elders have this authority. Others are fakers and robbers and of the seed of the serpent trying to trick new believers from becoming literal children of the Yahweh family.**

And even Simon Magus was baptized; as many as these fake brethren will get baptized, they will have the laying on hands and then after that they say you don't need it anymore. Then they leave on their own thinking they got what they wanted, but Yahweh will be mocked...Yahweh will not be mocked.

So like I said, as human beings, we have to give mercy and grace and we have to give the benefit of the doubt and there will be people, as we're going to see here, there will be people that are of the seed of Satan that Satan plants in the Congregation. And until they manifest themselves, there's nothing you can do. And Yahweh allows it...Yahweh allows it. But 1st John 4:6 or 4:1...1st John 4:1 says:

1st John 4:1-2, 6 *Beloved, do not believe every spirit, but test the spirits, whether they are from Yahweh; for many false prophets have gone into the world...we have to test the spirits.* And how do we test the spirits? Look at verse 6...*We are of Elohim; the one knowing Elohim hears us. Whoever is not of Elohim does not hear us. From this we know the spirit of truth and the spirit of error...If they don't believe in the doctrine that came from Yahweh; that Yahshua gave to the twelve apostles; who gave to others, who gave to others.* And we actually even have the records...the Waldenses and the Paulicians have the manual of discipline. **We have had this doctrine for two thousand years and there's people that are brand new that come in the Congregation saying they know better than Yahshua. That they know better than the apostles; they know better than the Waldenses and they know better of the ordained elders today and they don't want to follow.** But like it says, how do you know the seed of the serpent from the seed of Elohim?... *do not believe*

every spirit, but test the spirit, whether they are from Yahweh; We of Elohim; the ones knowing Elohim hears us. Whoever is not of Elohim does not hear us. For this we know the spirit of truth and the spirit of error.

So very, very clearly **if they're not following the doctrines then they're not of the seed of Elohim.** 1st John 2 in verse 18...1st John 2 in verse 18 says:

1st John 2:18-20 *Little children, it is a last hour, and as you heard that the anti-Messiah is coming, even now many anti-Messiahs have risen up, from which you know that it is a last hour. They went out from us, but they were not of us. For if they were of us, they would have remained with us; but they left so that it might be revealed that they all are not of us. And you have an anointing from the Holy One, and you know all things...so* it's very clear. This is such a clear Scripture, right? There will be people that will be plants of Satan that will come in the Congregation for all different reasons. Sometimes people come in just because they're lonely, sometimes people come in for whatever...there's one thing they like; they like something I said about prophecy or they're interested in the Tabernacle of David or whatever; but **if they're not of the seed of Elohim and of the seed of Satan and they love the world more than the things of Elohim, they'll never stay.** And how do you know the difference? Right here...right here; **people that come and leave, it says they're not of us!** How much clearer can this be?...*They went out from us, but they were not of us. If they were of us; they would have remained with us; but they left so it might be revealed that they all are not of us.*

Very simple...so when you see people...and worse off, when it's someone who was in leadership that falsely was in leadership and flees from the sheep and they want to go off and start their own ministries...you know, John Doe ministries...those are people that we should have nothing to do with...nothing to do with it. Because they are not surrendering to Elohim, they are doing the same treasonous act that Adam and Eve did.

Instead of believing Yahweh, they believe the serpent and now what do they do? They're actually...Yahweh forgives them, He shows them mercy; they're part of His Congregation, but they can never, ever, ever submit to Yahweh. **They can never submit to the ordained elders so they will be there for a day, a week, maybe a year, maybe two years, who knows; but in the end they will always leave. And they are not part of us...they're not part of us.**

Because the Scripture says it, either you believe it or you don't! They left us because they're not part of us; and **bad communications ruin good habits...bad companionships ruin good habits.** And wow, **if you're keeping fellowship with the seed of the serpent...people that left and are rebellious and are not surrendering to Yahweh...you are in big trouble because chances are you will wind up getting in the same spot.**

Because most of these people, the most miserable people you have ever seen because where do you go after you've been to Mount Zion? You don't go anywhere...and they're not happy and they're miserable and they're bitter because it's not that they couldn't repent and come back; it's that they can't because of their pride. They're only stopping themselves.

And that's why like I said to me, sometimes there's...there's somebody who will leave and come back and maybe their motive isn't right, but you have to accept that. **You have to accept someone's repentance and then they'll know it by their fruits.** Like it says, we know it. And sometimes it's great. You have people coming back and they really are sincere, but a lot of times you see the opposite.

You see in most of the time they won't even come back. But praise Yahweh, we've seen even in Africa things where there was a misunderstanding and people left and then they come back and they're all together and they're joined in unity...and you really see. And that's the Spirit of Yahweh, but you have to test the spirits. Acts 2 in verse 41...Acts 2 in verse 41 it says:

Acts 2:41-44 *And some of them readily received his words...talking about Peter... and believed and were baptized. And there were added in that day about three thousand souls. And they were continuing steadfastly in the doctrine of the apostles, and in fellowship, and in the breaking of bread, and prayers. And fear came to every soul, and signs and many mighty deeds occurred by the hands of the apostles in Jerusalem. And all the believers were echad...united...and had all things common.*

Let me tell you something...we have something happening that is such a miracle that...like I said, in thirty-six years in the faith, I've never seen it...we see where the miracle of **Yahweh's people not only growing in the faith and knowledge of Yahshua Messiah and Elohim; but the people of Yahweh that are actually wanting to live together; that are living in community; living together in the same place, in the same property day in and day out and surrendering to each other and surrendering to Yahweh and serving each other and losing their pride and growing in the nine fruits of the Spirit;** and Satan hates it...he hates it. Because he knows this is the remnant that Yahweh is building up in the end time to go into the Kingdom.

That we are the first fruits that are going to go in and be teaching those people that are left after the Great Tribulation, the Wrath of Yahweh; and he'll do anything to stop it. And the Laodicean spirit I noticed there's seasons for it...that everything can go good for X amount of years, then all of a sudden the Laodicean spirit will creep its way up. And the only way to stop it; it's not for me...I can give messages like this to teach you, but **it's for each brother or sister out there to stand up against it...to stand up against it.**

Don't listen to the murmurings; don't listen to the false doctrine. Don't listen when someone comes against the leadership, against the elders, against the doctrine of Yahshua...stand in their face and rebuke them! Get behind me Satan! Don't have nothing to do with a person like that because we're not commanded to...the opposite. We're told to rebuke somebody like that and put them out of our fellowship.

And we can't have people among the people of Yahweh who will not follow the doctrines of Yahweh. Ephesians 4 in verse 10...and there's a reason why Yahshua put elders in the Congregation...there's a reason why...there's a reason why you can't be new, you have to be the husband of one wife, you have to have your family in order, you have to have all these things as qualifications because **it's a serious thing to be an elder.** And that **Yahshua that these men would be watching His sheep and be over them.** Ephesians 4 in verse 10 he says,

Ephesians 4:10-15 *He that came down...talking about Yahshua...is the same who went up above all things in heaven, that He might fill all things. And indeed He...Yahshua... assigned some to be apostles; some prophets; some evangelists; some shepherds and teachers; for the perfecting of the saints for the work of the ministry, for the building up of the body of Messiah, until we all may come to the unity of the faith and the full knowledge of the Son of Elohim...right? Till we all get the Kingdom mindset; until Yahshua comes and brings the Kingdom back to the earth...to a full-grown man, to the measure of the stature of the fullness of Messiah...that's what we do as elders. This is how we're building up the body of Messiah and why...so that we...the brethren...may no longer be children, being blown and carried about by every wind of false doctrine of men, who through their craftiness are very skillful in deceiving the people...I would have never thought in my life, that people that were in the Truth for ten and twenty years would ever fall for the rotating Sabbath. I would never have thought that in a million years, but people are by the thousands! Sabbath is Tuesday this week, Wednesday next month...crazy! But this is why you need elders because in two thousand years... I can guarantee you an elder of Yahweh has never, ever, ever preached that. A matter of fact the Seventh Day Sabbath Saturday...if you look at my book, *The Gates of Hell Will Not Prevail Against Them*...that has been the main sign of Yahweh's people...the main sign; beside the Passover on the 14th day of the month of Aviv; the Sabbath day. But these seeds of the serpent they are very crafty in deceiving especially the weak minded*

people. But he says it, that the elders are there so they're not blown by every wind of false doctrine through skillful people deceiving the people, *but speaking the truth in love, we may grow up into Him in all things, who is the Head, the Messiah...* right?

So this is why the elders are there. **It's not up to the brethren to decide the doctrine. Yahweh puts the doctrine in the hands of the elders; the brethren are there to prove it.** And once you prove it, then that's it...you don't have to keep re-proving it again. And if there's people that are there...because I know sometimes...that Satan will put his seed there...and there will be brethren among us and they'll never say anything to the elder...but they'll try to get the ears of the people...trying to bring false doctrines, whatever it may be, bring it up.

And these are people that need to be exposed because we have to understand that the seed of Satan is there in the Congregation today. Matthew 13 in verse 36...I'll prove it to you right now...Matthew 13 in verse 36, right? This is the parable of the sower in the field:

Matthew 13:36-50 *Then sending away the crowd, Yahshua came to the house. And His disciples came to Him saying, Explain to us the parable of the tares and the wheat...right? Explain this to us. And listen very clearly; very clearly how He explains it...And answering, He said to them, The One sowing the good seed...the wheat... is the Son of Man. And the field is the world; and the good seed, these are the sons of the kingdom...the seed of Elohim...and the tares...they're the seed of the serpent. The seed of the evil one. Very clearly, there's a seed of the serpent and a seed of Elohim...And the enemy who sowed them is the Devil, and the harvest is the end of the age, and the cherubs are the reapers. Then as the tares are gathered and are consumed in the fire, so it will be in the completion of the age. The Son of Man will send forth His cherubs, and they will gather out of His kingdom all stumbling blocks, and those who practice lawlessness...And unfortunately, sometimes...and praise Yahweh it's not a big problem in our Congregation...but every now and then you'll get this...you'll get a tare...you'll get a stumbling block. You'll get somebody who wants to bring whatever false doctrine that they want to preach...And I find it really interesting, like I always say, if you look about in the Bible of women not being teachers...it's so simple...let a woman not teach, right? How can you get it any other way? Who are the ones who fight against it? A woman who wants to be a teacher, right?...Divorce and re-marriage, it's very clear; if you leave your spouse and marry another, you're committing adultery. Who are the ones who fight against that? The ones who are divorced and re-married...who want to divorce and remarry. It's the seed of the serpent...it's the seed of the flesh; it's the ones who don't want to surrender over to Yahweh that have all these reasons in the flesh on why they don't want to follow a certain doctrine. And what do we see here? That they are put from the devil; the enemy who sowed them is the devil and the harvest is the end of the age and cherubs are the reapers...Then as the tares are gathered and are consumed in the fire, so it will be in the completion of the age. The Son of Man will send forth His cherubs, and they will gather out of His kingdom all stumbling blocks, and those who practice lawlessness. And they will throw them into the furnace of fire; there will be weeping and gnashing of the teeth. Then the righteous will shine like the sun in the kingdom of their Father...right? Light, there will be no darkness...The one having ears to hear, let him hear.*

So don't be deceived because the seed of the serpent is alive today. And when you go on the internet, wow, you are putting yourself over...it's bad enough when you get one here and there that try to infiltrate our Congregation...and praise Yahweh, like I said that's rare, but it happens...**but when you go on the internet you are looking for it...you are putting yourself out for the seed of Satan today in the Laodicean Congregation.**

And like I said, they do try from time to time to infiltrate Yahweh's Congregation. But these people can't follow anybody. Jude 1:3-4...and you know, the same way as it says sometimes Satan comes as an angel of

light...that what will happen is...they'll be against the leadership...they'll be against the doctrine, but they'll try to befriend people. They'll sometimes even give money to people that may need it. They'll try to buy for gifts for them. They'll try in a very cunning way with fleshly things to try to get brethren on their side and then boom...then they come out against an elder, against the leader, against the doctrine, against whatever it is...just like the seed of Satan always does. But let's just read here what the book of Jude says, verse 3 of Jude says:

Jude 1:3-4 *Having all haste to write to you about the common salvation, beloved, I need to write to you to exhort you to contend earnestly for the faith once delivered to the saints...right? We want to go back to the apostolic word here...For certain men stole in, those of old having been written before to this condemnation, wicked ones perverting the grace of our Elohim into lasciviousness, and denying the only Sovereign Elohim, and our Master Yahshua Messiah.*

Some of them say Yahshua never pre-existed; that's another one of the evil false doctrines that they're trying to bring. Go down to verse 8...

Jude 1:8-13 *Likewise, also these filthy dreamers defile the flesh, and despise authority, and speak evil of glories...just like Cain, the spirit of Cain; the seed of the serpent was disrespectful to even Yahweh; these men can't be respectful to leaders or authority...But Michael the archangel, when contending with the Devil, he argued about the body of Moses; he dared not bring a judgment of blasphemy, but said, "Let YAHWEH rebuke you!" But what things they do not know, they speak evil of. And what things they understand naturally, like the animals without reason, they are corrupted by those...Like I said, we're creatures of habit. So in this world, since Satan has all this evilness of the internet and all these different addictions and all these things, they're following it in-complete knowledge... Woe to them, because they went the way of Cain...just like we read in the beginning of the sermon...and gave themselves up to the errors of Balaam for reward, and perished in the speaking against Korah!...Some of these men are out there selling the Word of Yahweh, selling tapes, selling videos, selling all this, and like we said, what did Peter say? You're not part of Yahshua's ministry. We should not be selling. Freely you receive; freely you give...Jude 16 he says,*

Jude 1:16-21 *These are murmurers, complainers, going according to their lusts, and their mouth speaks proud flattering words, lifting up faces for the sake of gain. But you, beloved, remember the words spoken before by the apostles of our Master Yahshua Messiah,...So again, if they're coming to you...if people they don't want to come to the elders, if they have something they disagree with; but they come behind the elder's back and they want to murmur to you or they want to complain...just tell them I don't want to hear it. Rebuke them...rebuke them and tell them, look you have a problem go to the elder, but I don't want to hear this...because they told you that at the last time there will be mockers following wickedness, according to their lusts. These are they setting themselves apart, animal-like ones, not having the Spirit...They're the seed of the serpent, not of Elohim... But you, beloved, building yourselves up in your most holy faith, praying in the Holy Spirit,*

So here we see **they cannot follow anybody because they only divisive, sneaky and two-faced hypocrites**...unfortunately. That's just the way it is. And sadly enough, it's up to the brethren to stop it.

So let's finish up here, my time is getting short, but I do want to go into to show Ephesians 4 that you can see the difference; like it says, test the spirits. Now let's see how to test that spirit because in our Congregation it's easy you could see the spirit of Elohim that's there. And when something is so contrary you can see against it. Ephesians 4 says:

Ephesians 4:1-6 *Then I, the prisoner of our Master, exhort you to walk worthily of the calling in which you were called, with all humility and meekness...is someone showing humility and meekness... with long-suffering, bearing with one another in love...right? All men will know you're my disciples by this, your love one for another...but eager to keep the unity of the Spirit in the bond of peace...is it somebody trying to bring their own ware, their own doctrine that's against the doctrine of Yahshua and the elders...There is one body and one Spirit, even as you also were called in one hope of your calling; one YAHWEH (family), one faith, one baptism, one Elohim and Father of all, the One above all and through all and in you all.*

Wow, so here we see **there's one faith, there's one hope, there's one baptism**...and that's by an ordained elder of Yahweh with the laying on of hands; there's no other baptism that is there. **One doctrine, one judicial order.**

And somebody who Yahweh has not set apart for elderhood, or deaconship or whatever it is and they're trying to bring their own doctrine is somebody that needs to humble themselves and repent and turn back. It's like I said, bad relationships ruin good habits. You have to stay away from the Laodicean seed of the serpent because they're only going to bring doubt in your life. Ephesians 4 in verse 20...two more Scriptures, we'll be done...Ephesians 4 in verse 20 now, it says:

Ephesians 4:20-24 *But that is not what you have been taught in Messiah, if indeed you heard Him and were taught in Him, as the truth is in Yahshua. Lay aside all your former practices and put off the old man, having been degenerated with deceitful lusts, and be renewed in the spirit of your mind...right? The seed of Elohim... be renewed in the spirit of your mind...we're born with the seed of the serpent, but **we need to be baptized, have laying on of hands, get the seed of Elohim and then we need to be renewed in the seed of Elohim... be renewed in the spirit of your mind and to put on the new man, who is created by Elohim in righteousness and true holiness...right? Sons of light...sons of light.***

We must choose which seed we will surrender to. And you want to know something? Here we are, it's six thousand years later...Yahweh works in the circular, right? And we're in the circular. It's the Garden of Eden all over again; it's the Garden of Eden all over again; that here we are, that we have to choose which way we're going to go.

Satan is out there every day as the prince and the power of the airwave putting all his false deception out there; his false doctrines; his trying to put doubt in Yahweh's Congregation, trying to put doubt in Yahshua being the Messiah, even His pre-existence and now we have to choose.

You're Adam or your Eve; you're one or the other and what is it going to be? **Are you going to unconditionally believe Yahweh with all your heart, mind, soul and strength or are you going to do the same thing? Are you going to surrender your sovereignty instead of to Yahweh over to Satan?**

And it's very easy if you take your free will and just say wow, in six thousand years free will has done nothing; **Yahweh I don't want my free will. Take it. I'm unconditionally going to follow everything in your Word even if I don't understand it. I will follow it because I only want to be led by the seed of Elohim and the Spirit of Elohim.**

So we have to choose to which seed we will surrender. It's the Garden of Eden all over again. Last Scripture is Philippians 2...Philippians 2 he says:

Philippians 2:1-8 *So then, if there is any comfort in Messiah, if any consolation of love, if any fellowship of the Spirit, if any mercies and compassions, complete my joy, by being in one accord, and one love, and one soul, and one mind. Doing nothing according to strife or self-glory, but in humility, let each regard his neighbor as*

better than himself; let no one be mindful only of his own things, but let each one also be mindful of the things of his neighbor. For think this within you, which mind was also in Yahshua, Messiah. who existed in the very form of Elohim, thought it not robbery to be the equal with Elohim, but emptied Himself, taking the image of a servant, having become in the image of the sons of men and being found in form like a man, He humbled Himself, having become obedient until death, even the death of a torture stake.

So this is what Yahshua is saying that **He wants us all to be one. He wants us to be one.** Like 1st Corinthians 10 says...1:10:

1st Corinthians 1:10 *Now I beseech you, brothers, through the name of our Master Yahshua Messiah you all say the same thing, and there be no divisions among you, but you be united in the same mind and in the same judgment.*

Be united in the same mind; the mind of Messiah, the seed of Elohim. And people say this, that they can't even see it where Yahweh says in marriage; the man will leave his mother and father and cleave to his wife and the two will become one. They can't even see it in marriage. Never mind between brethren.

But this is what it is; **there's only one Spirit and the same Spirit that's in the Father is the same Spirit that's in the Son. And if you've been repentant of your sins truly and been baptized and had the laying on of hands of an elder of Yahweh then that same Spirit is in you.**

And this is where we have we to make sure now that we are understanding this. And as we see Yahweh's Congregation growing...as the second Shavuot is being poured out more year by year and like I said, we have about fifteen of these communities around the world now. Not one has folded in five years. They're only growing. They're only getting better. They're only looking for information. Now we have our Community Manual. **We're going forward and in humility and love and mercy; we're working together and helping together and nobody is thinking something is his own and if my brother needs something more than I...it's really, really working.**

And I believe that's why Satan is angry and he will from time to time bring one of his seed in there to try to disrupt and that's why if that happens we have to be just committees of one and just say, I want nothing to do with this.

We have to surrender our free will to the will of Yahweh and put on the Mind of Messiah. We have to take every thought into captivity of the obedience of Yahshua. Whatever the Word says, read it day in and day out; have those words in your mind so that the Holy Spirit can bring them to remembrance when you need them.

Embrace our calling as a child of Elohim. Remember the Kingdom of Yahweh is a mentality that you must live in daily. The same way as the seed of the serpent, in the worldly mindset, is a mindset they live daily; **always putting on the Armor of Yahweh to fight the fiery darts of the devil.**

We must be studying daily, praying without ceasing, fasting often to allow the seed of Elohim to grow in us into a Tree of Life and fully reject the Tree of the Knowledge of Good and Evil. The Tree of the Knowledge of Good and Evil is a mixture; it's a hybrid seed of the world of the devil, right? And **that's why Yahweh says we're not to mix seed.** You're not to take a tomato and a watermelon and make a water-mato...or whatever it is. Or a toma-melon...but we're to have pure seed because the Tree of the Knowledge of Good and Evil is a mixture.

It's a mixture of trying to take part of the things of Yahweh with the seed of the world and the seed of the devil. But the pure seed of the Tree of Life is one hundred percent surrender to Yahweh in everything. Same way that we are commanded not to mix physical seed when planting; we are also commanded not to mix with the seed of the serpent in this world.

Yahweh has given us free will to choose life or death. We have to give that free will back to Him and choose life.

Shabbat Shalom!
