

Transcript – The Return of Yahshua and the End of Satan’s Reign

Alrighty, Shabbat Shalom and Shabbat Shalom to those who are watching with us today. I’ve had over the last couple of years many people asking me if I can do a sermon on the timeline in the end time, what happens. So, the name of the message today is called, *The Return of Yahshua and the End of Satan’s Reign*. And pretty much going over the timeline of Yahshua returning and what happens in the end time.

So I’m going to start in Matthew 28 ... Matthew 28 in verse 18 because this is the Great Commission that goes out that has been to all of us for the last 2000 years, but particularly now to us in the end time as far as the Restoration Ministry. And it says:

Matthew 28:18-20 *And coming up Yahshua talked with them, saying, All authority in Heaven and on earth was given to Me. Then having gone, **disciple all nations**, ... so it starts at Jerusalem and it goes to all the world ... **disciple all nations**, baptizing them into the name of the Father and of the Son, and the Holy Spirit teaching them to observe all things, whatever I commanded you. And, behold, I am with you all the days until the completion of the age.*

So, the point I want to focus on here is not necessarily the Great Commission but the fact of Yahshua saying, **“I am with you all the days until the completion of the age.”** So Yahshua’s **presence has always been with His Congregation for the last 2000 years**. It started with the apostles and that’s why they’re apostles because they are ones directly sent forth from Him. But then it continued on through the Paulicians and Waldenses and Anabaptist and Sacred-Namer’s, all the way up until today for the last 2000 years within His Congregation that His presence has always been there.

But I also want to show that not only is His *spiritual* presence has always been there through the Ruach H’Chodesh, sometimes His *physical* presence has been there. So if we go to Acts 9, we see this that when Yahshua ascended up to Heaven it doesn’t mean that He has never appeared to people as a spirit-being. Acts 9 in verse 3, and this is when Paul is on the road to Damascus. It says:

Acts 9:3-6 *But in the going it happened! He drew near to Damascus, and suddenly a light from the heaven shone around him. And falling on the ground he heard a voice saying to him, Saul, Saul! Why do you persecute Me? And he said, Sir, who are You? And the Master said, **I am Yahshua**, whom you persecute; it is hard for you to kick the stakes. Both trembling and being astonished he said, Master, what do You desire me to do? And the Master said to him, (Yahshua) **Rise up and go into the city, and it will be told you what you must do.***

So we see here clearly after Yahshua’s resurrection He appeared to the Apostle Paul. We also know in the book of Galatians that Paul says he went to Mount Sinai and was actually taught by Yahshua there. And over the last 2000 years there are many first-hand stories of people saying Yahshua has appeared to them.

I have personally met in my life rabbi’s; I’ve heard stories of it. And I’ve actually met a few who have said that Yahshua has appeared to them and has taught them first hand. So it’s not something where when He returns ... what **we’re looking for is His return to stay on the earth and to appear to everyone and to ultimately rule the earth for the thousand-year Millennium and on to forever**. But that doesn’t take away from the fact that He has appeared to people on the earth.

I’ve told the story when I was first married how a cherub or ... I’m not going to say a cherub ... I’m going to say *a malak* ... a malak - a messenger appeared to me in my room. I woke up and he was there. I saw the outline, it was glowing white and there was a hand came up and it was a sword in the hand. There was a grinding stone. He put his sword on the grinding stone. Sparks were coming out. But what he said which I didn’t understand because I hadn’t studied it at that time that “I am the Messenger of Yahweh. Let Me show you the things that must shortly come to pass.” Now if he was

the Messenger of Yahweh then it wasn't a cherub or an angel. It was Yahshua Himself. If it was **a** messenger of Yahweh ... and to be honest, I can't say for sure whether He said **a** messenger or **the** messenger a hundred percent, but He could have appeared to me then. So some kind of heavenly being did appear to me. And it could have been Yahshua or it could have been ... but like I said, from the stories that I've heard and particularly first hand even from rabbis. They said *Yahshua has said*. And actually one Rabbi actually said Yahshua told him to go to our website to learn the true doctrine.

So this is just a fact that these things do happen. And again, in the world of evangelical Christianity and false Messianic and all these other things, you get a lot of hype but you don't get any reality. You don't get any reality of real sermons, of real doctrine, of real things. It's a lot of smoke and mirrors. Like in the end time like it says even what Satan *is doing* and *will be doing* lying signs and wonders. But for us, we don't need the lying signs and wonders because we have the real thing.

In Hebrews 8 in verse 1 ... Hebrews 8 in verse 1 says:

Hebrews 8:1 *Now the sum of the whole thing is this: We have a High Priest, who is seated **on the right hand** of the throne of the Majesty in heaven:*

There's about 13 scriptures all saying this, right? And I usually give these scriptures when I'm trying to prove that Yahshua, the Son, is not the same Being as Yahshua, the Father. That in Heaven right now **there are two thrones** and one is sitting on the ultimate throne, the Father in Heaven and Yahshua is sitting on the throne to the right of Him. But here I'm showing this to show just the fact that **He is up in Heaven right now**. So ultimately that's where He is. He is in Heaven. He's sitting at the right hand of the Father, whenever they meet, I guess; or, when they're being worshipped or whatever.

But that doesn't mean that He can't be omnipotent. That doesn't mean that He can't be in other places. He's not bound. He's not made of flesh and blood or atoms. And He's not bound by space or time. And **Yahshua can appear to people**. Even though ultimately most of them He is up in Heaven but we know He's going to be leaving there as we'll see here in a minute.

So let's go to Acts 1. Acts, the first chapter in verse 6 ... Acts chapter 1 in verse 6. And this is when He's ascending up to Heaven and it says:

Acts 1:6-8 *Then, indeed, coming together they questioned Him (Yahshua), saying, Master, do You restore the kingdom to Israel at this time? And He said to them, It is not yours to know times or seasons which the Father placed in His own authority; But when the spirit of Holiness ... the Spirit of the kadosh ... comes upon you, you will receive the power, and you will be witnesses of Me both in Jerusalem, and in Judea, and Samaria, and to the ends of the earth.*

Comment: So the apostles started this. They didn't stay in Israel. They didn't stay in Jerusalem. They went out to all the earth. They went to the Parthian Empire. They went all the way east to Persia, even as far as India and China. And the Apostle Paul went westward as far as to Europe and even Great Britain. And ultimately to the US, but that was many, many years after that; or even centuries ... let's say. So it goes to all the earth.

Acts 1:9-12 *And saying these things, they looked on, He was taken up in a cloud and He was hidden from their sight. And as they were intently looking into the heaven, He having gone, even behold, two men in white clothing stood by them, ... two cherubs ... who also said, Men, Galileans, why do you stand looking up at heaven? This Yahshua who was taken up to heaven, likewise He will come just as you have seen Him who ascended into heaven. Then they returned to Jerusalem from the mount being called Of Olive Grove, which is near Jerusalem, a distance of seven furlongs away.*

So, we see this is ... where did He ascend up to Heaven? From the Mount of Olives! He was buried at the Mount of Olives. He was resurrected at the Mount of Olives. He ascended at the Mount of Olives. And like it says here, He will be returning from the Mount of Olives.

Let's go to Zechariah 14 and see this. Zechariah 14 verse 1:

Zechariah 14:1-4a *Behold, the day of YAHWEH comes, ... the day of Yahweh is His wrath on mankind for their evil and their rebellion and their sin ... and your spoil shall be divided among you. For I will gather all the nations to battle against Jerusalem. And the city will be captured, and the houses plundered, and the women raped. And half the city will go into exile and the rest of the people shall not be cut off from the city. And YAHWEH shall go out and fight against those nations, like the day He fought in the day of battle. And His feet ...*

Comment: So who is this? Yahweh the Father? No! Yahweh the Father does not come to the earth, **Revelation 21**, until after the thousand years are over. **This is Yahweh, the Son. Yahweh being a family name; Yah Yahweh – the Father, Yahshua Yahweh, the Son. Two separate Beings. Echad in One by the Ruach H'Chodesh.** The one Spirit, the one mind, the one thought pattern. They have the same goal, the same purpose, the same thought but they are two different Beings – One through the Spirit. So it's Yahweh, the Son, as we just read will be the One Yahshua coming on the Mount of Olives. And it says:

Zechariah 14:4 *And His feet will stand in that day on the Mount of Olives, which is before Jerusalem on the east; and the Mount of Olives will divide from its middle, from the east even to the west, a very great valley. And half of the mountain shall move toward the north, and half of it toward the south.*

So this is when the great earthquake is going to come. We'll read about that a little later. And the Mount of Olives is going to split and people are going to flee. But we see here that Yahshua is to return to the Mount of Olives as where He ascended from there. And Matthew 24 ... Matthew 24 we see this also at His return. Matthew 24 in verse 27:

Matthew 24:27 *For as the lightning comes forth from the east and shines as far as the west, so also will be the coming of the Son of Man.*

Comment: This is when it comes to the world, right? Like I said, He has appeared to people individually and we know from **Ezekiel 20**, I'm not going to go there, **Ezekiel 20:34** that **Yahshua is even going to appear to the remnant in the wilderness.** You know, whether how long He will be with them or stay with them or who will be teaching them or who will be with them, we don't know for sure, but we know that Yahshua will be there because it says it. So, but this is when He's returning to stay on the earth for the thousand years. This is when He's returning.

We're not just a select amount of people. His believers are going to see Him, just like when He was resurrected, right? What does it tell us in the New Testament? 500 eyewitnesses saw Him. Did everybody see Him? No. Most people didn't see Him, particularly the ones that didn't believe in Him, but who did see Him? His followers, 500 at that time, it talks about, that had seen Him, just like the two on the road to Emmaus, the two believers that saw Him that are there, right? So, but this is when He's returning. *His lightning comes from the east and shines as far as the west. So we'll be the coming of the Son of Man, right?* No matter where you are, everybody sees it because it's in the sky. Verse 28:

Matthew 24:28-31 *For wherever the dead body may be, there the eagles will be gathered. And immediately after the suffering of those days the sun will be darkened and the moon will not give her light, and the stars will fall from the heaven, and the powers of the heavens will be shaken. And then the sign of the Son of Man will appear in the heavens. And then all the tribes of the land will wail. And they will see the Son of Man coming on the clouds of heaven with power*

and much glory ... So He'll be seen in the heavens ... And He will send His cherubs with a great sound of a large trumpet, and they will gather His chosen ones from the four winds, from one end of the sky to the other end of the sky.

So is everybody in Sela? No ... no, 144,000 are and that go with Him from Sela to Mount Zion. But this is when He returns, there will be brethren all over the earth, staying in the communities that they're starting right now. And then they will be taken up in the air, right? They'll shed their mortal bodies within an instant of time. And they'll be given immortality and then the wedding supper will happen after that and we'll see. So this is when Yahshua is returning to the earth. This is about His coming.

Daniel 7 and verse 12, another interesting scripture though, what happens at this time, it says:

Daniel 7:12 *And the rest of the beasts, their rulership was taken away. Yet length of life was prolonged for them for a season and a time.*

So Yahshua returns, right? Because we have these different scriptures. We have the scripture in Joel, right? Where He seems to be fighting people in the Kidron Valley. And then we have the scriptures about Armageddon, where He's up in the middle of the country fighting people. We're going to read that in a little bit in Armageddon. Then we have here where He's and where we just read where He's returning on the Mount of Olives and then we see here where everybody will see Him.

So how does this all equate together? It equates because they're not all the same time period. And what I'm going to show you is that like it says here, *the rest of the beast, the rulership was taken away. Yet length of time was prolonged for them for a season and a time.* How much is that? My guess is six to seven months. A season and a time; time being like a holy day. So that is my guess and I'm going to show you why I believe that because as I proved to you here as we go into these scriptures, Yahshua returns on Yom Teruah, the first day of the seventh month.

But the Millennium doesn't start until Aviv 1, which is six to seven months later. And that's why I'm going to show you here what's happening between that time; from the time He first appears, to help the remnant, to be with the remnant and to save our brother Judah. And when they're going to come to Him, *they'll look upon Him whom they pierced Him mourn from an only Son.* And the time that every eye sees Him in the Millennium literally starts is about six to seven months, time period.

So verse, 13 of Daniel 7:

Daniel 7:13-14 *I was looking in the night visions. And behold! One like the Son of Man came with the clouds of the heavens. And He came to the Ancient of Days. And they brought Him near before Him. And dominion was given to Him, and glory, and a kingdom, that all peoples, nations, and languages should serve Him. His dominion is an everlasting dominion which shall not pass away, and His kingdom that which shall not be destroyed.*

Okay. So this is from the time that He's coming and it's going to be an everlasting kingdom, but it's **not immediately** that all the enemies are taken away from there as we'll see. So the beast power is prolonged after Yahshua's return for a season of time, which like I said, I'm going to show is about six to seven months.

Revelation 8 ... Revelation 8 gets into the seven trumpets because we're going to see at what trumpet Yahshua returns and then we'll see why I'm telling you it's on the Feast of Trumpets on Yom Teruah. Revelation 8, starting verse 1:

Revelation 8:1-3 *And when He opened the seventh seal, there was silence in Heaven for about a half hour. And I saw the seven cherubs who stood before Elohim, and seven trumpets were given to them. And another cherub came and stood on*

the altar, having a golden censer. And many types of incense were given to him that he should give them with the prayers of all the saints on the golden altar before the throne.

Revelation 8:4-6 *And the smoke of the incense went up with the prayers of the saints out of the hand of the cherub before Elohim. And the cherub took the censer, and filled it from the fire of the altar, and cast it into the earth; and sounds and thunders and lightnings and earthquakes occurred. And the seven cherubs having the seven trumpets prepared themselves, that they might trumpet.*

So here we see the seven trumpets that are coming and when does Yahshua return? 1st Corinthians 15:49-52:

1st Corinthians 15:49-52 *And as we bore the image of the earthy man, **we shall also bear the image of the heavenly one** ... Like I said, right, we're made physically in His image the way looks but we have to grow into His likeness ... And I say this, brothers, that flesh and blood is not able to inherit the kingdom of YAHWEH, nor does corruption inherit incorruption. Behold, I speak a mystery to you: We shall not all fall asleep, but we shall all be changed. In a moment, in the blinking of an eye, **at the last trumpet**; ... at the last trumpet; for a trumpet will sound, and the dead will be raised incorruptible, and we shall be changed.*

So we read that in Matthew, right? **At the last trumpet** what's happening? Yahshua is sending His cherubs to the four corners of the earth to get His remnant. They're coming and meeting Him in the sky like I said, we're becoming immortal, we're shedding our mortal bodies and **this is at the seventh trumpet**. So that's why **it happens on the Feast of Teruah, the Feast of the Blowing of Trumpets**.

Revelation 10 ... Revelation 10 also shows because this is when the mystery of Yahweh will end. Revelation 10 and verse 1:

Revelation 10:1-4 *And I saw another strong cherub coming down out of the heaven, having been clothed with a cloud, and a rainbow of the cloud was on his head; and his face was as the sun, and his feet as pillars of fire ... Wow ... And he had in his hand a little scroll having been opened. And he placed his right foot on the sea, and the left on the land, and cried with a great voice, as a lion roars. And when he cried, the seven thunders spoke their sounds. And when the seven thunders spoke their sounds, I was about to write. And I heard a voice out of Heaven saying to me, Seal what things the seven thunders spoke, and do not write these things.*

Revelation 10:5-7 *And the cherub whom I saw standing on the sea and on the land lifted his hand to Heaven, and swore by Him who lives forever and ever, who created the heaven and the things in it, and the earth and the things in it, and the sea and the things in it, that their shall be no longer reckoning of time; ... But in the days of the voice of the seventh cherub, right? That's when Yahshua is returning ... whenever he is about to trumpet, was even ended the mystery of Elohim, as He has proclaimed to His servants, the prophets.*

Right? So that's pretty much where the end of the book where everything is revealed. Yahshua is returned and time is no more pretty much. Because even though there is time in the Millennium because we know it's a thousand years, pretty much the fact of time being against us because we'll be immortal spirit beings. We won't be bound by time any longer at that point and the mystery is ended.

So Yahshua returns on Yom Teruah, the feast of the blowing of trumpets, Tishri 1, but the Millennium doesn't start like I said, the first day of the biblical year is Aviv. That's what is the beginning of days. It goes from **Exodus 12** that the year starts in Aviv. So that's why ... why do I say six to seven months? It depends on if it's an intercalary year because it could be six months or seven months. And as I read some scriptures later, I'll show you why I believe it's probably seven months as we'll see.

Let's go to Revelation 6 in verse 12 because we'll see what else is happening at this time. Because we're living in these times now, and like I said, we possibly could be in the last seven. Maybe there's one more. I always say, I don't know. I'm prophesying that for sure we're in the last seven, but we will see within the next few years. But we are certainly close to that time period. Revelation 6 in verse 12:

Revelation 6:12-14 *And I saw when He opened the sixth seal. And behold, a great earthquake occurred. And the sun became black as sackcloth made of hair; and the moon became as blood; and the stars of the heaven fell to the earth, as a fig tree being shaken by a great wind casts its unripe figs. And the heaven departed like a scroll being rolled up. And mountains and islands were moved out of their place.*

Revelation 6:15-17 *And the kings of the earth, and the great ones, and the rich ones, ... All these people for the New World Order ... and the commanders, and the powerful ones, and every slave, and every freeman hid themselves in the caves and in the rocks of the mountains. And "they said to the mountains and to the rocks, Fall on us," and hide us from the face of the One sitting on the throne, and from the wrath of the Lamb, because the great day of His wrath has come; and who is able to stand?*

Right? The Day of Yahweh - His wrath. But you know what's interesting? The world leaders have already built in these caves and underground in the rocks. They've already built underground cities. They're all over, all over the world. They have them in America but they have them every place. That **these leaders know this is coming** because Satan is giving them their instructions so they know it's coming. And they've already built these cities where exactly where it says they're going to go hiding themselves in the caves and in the rocks and in the mountains. So it's very interesting for that.

Revelation 9 and verse 18. But at this time where people repenting? They talk about in the end time there's going to be this great revival, is that really what the Bible says? As this stuff is happening where you would think that people would be scared to death and would be repenting. No, that's not what's happening. Let's look. Revelation 9 and verse 18:

Revelation 9:18-19 *By these three were killed the third part of men, by the fire, and by the smoke, and by the brimstone coming out of their mouths. For their authority is in their mouth, and in their tails; for their tails are like snakes, having heads, and they do harm with them.*

Revelation 9:20-21 *And the rest of men, those not killed by these plagues, **did not repent** of the works of their hands, ... And they will not, and they will not worship, they will not repent of the works of their hands ... that they will not worship demons, and "golden idols, and silver, and bronze, and stone, and wooden idols, which neither are able to see, nor hear, nor walk." And they did not repent of their murders, nor of their witchcraft, nor of their fornications, nor of their thefts.*

As we see today, even like we say, you look at COVID and you look at the vaccine, I just recently I saw that it said at least 17 million people have died just from the vaccine itself. That's a lot of people just to drop dead from the vaccine and yet what's happening? Do they double down and they bring another shot and another shot. I think now they're up to six or seven shots already as even as more people drop dead, but that's what's happening. They're not repenting for their murders and their fornication and their thefts. They're not repenting of their witchcraft, their pharmakia. The pharmakia, the witchcraft that they're perpetrating. So they're only becoming more angry and they're blasphemers, right?

Let's go to Ezekiel 38 now and when the war broke out in Israel recently, again, people start saying, Gog, Magog. And I'm not sure I can't understand how they could read these scriptures and almost everybody come up with it that Gog; Magog is something that's going to happen right now. When clearly as we'll see here and I've done Bible studies on this not that long ago, Gog, Magog is not the time that's now. But Gog, Magog is the time before the Millennium, but after

Yahshua returns, it's a time where Israel is living in security that certainly is not going to happen before Yahshua returns, but the people still don't know Yahweh. So it is not the Millennium yet because He says in the millennium, everyone will know Him.

So let's read here a little bit and we'll see what this time is. Ezekiel 38 ... Ezekiel 38 verse 1 through 11 says:

Ezekiel 38:1-4 *And the Word of YAHWEH was to me, saying, Son of man, set your face against Gog, the land of Magog, the prince ... or the Chief ... of Rosh, Meshech, and Tubal, and prophesy against him. And say, So says Adonai YAHWEH: Behold, I am against you, O Gog, the prince of Rosh, Meshech, and Tubal. And I will turn you back and put hooks into your jaws. And I will bring you and all your army out: horses and horsemen, all of them clothed most perfectly; a great assembly with buckler and shield, all of them swordsmen.*

Comment: So Yahweh is bringing them out to fight, right? He's almost like coaxing them to fight at this time. And who is there?

Ezekiel 38:5-6 *Persia, ... which is Iran ... Ethiopia, ... We see now Yemen, all the problems Yemen is starting, Ethiopia, North Sudan ... Libya with them, all of them with shield and helmet; Gomer and all its bands; the house of Togarmah from the recesses of the north, and all its bands; many peoples are with you.*

Comment: So it's interesting that Japheth, he talks about Gomer in all the bands, Japheth is the oldest - son of Japheth is Gomer. So you know, are also the Asians, China and what not here.

Ezekiel 38:7-8a *Be prepared; yea, prepared for yourself, you and all your assembly that are assembled to you, and be a guard to them. After many days you shall be visited. In the after years ...*

Comment: And this is key - in the after years, what does he mean *after years*? It's not in the latter days. It's not in the Millennium, right? It's in the after years. This is the only time this phrase is used in Scripture because **it's after** Yahshua returns but before the Millennium starts ... *in the after years*.

Ezekiel 38:8b *... you shall come into the land turned back from the sword, gathered out of many people, on the mountains of Israel which have been for a continual waste ... So Israel's redeemed like it is now but there's one big difference as we're going to see ... But he has been brought out of the people, and they shall dwell securely, all of them.*

Comment: So Israel has not been dwelling securely in the last 75 years as we know. And I said that the saddest thing would happen from the 50 year anniversary from the Yom Kippur War, and the war that started now with Gaza, is in fact in 75 years nothing has changed. Israel is no more secure now than the day they started 75 years ago. And do they have more weapons? Yes! Do they have iron shield, iron dome, do they have nuclear weapons? They have all of it. And they are simply are not any more secure than the day they started when they virtually had no weapons and not even an army and here it is. And maybe they're even less secure now because their enemies have more weapons that can destroy them than before. So He says ... but they're dwelling securely here.

Ezekiel 38:9-11 *And you shall go up, you shall come like a storm; you shall be like a cloud to cover the land, you and all your bands, and many peoples with you. So says Adonai YAHWEH: And it shall be in that day, words shall come up into your heart, and you shall devise an evil plan. And you shall say, I will go up to the land of open spaces. ... This is an idiom, the land of open spaces meaning when they say, "land of un-walled villages" meaning that it's secure, they don't need walls, they don't need guard houses ... I will go to those **at ease, who live securely**, all of them living with no walls, and there are no bars and gates to them,*

So it says here in our note, this seems to be the time after Yom Teruah when Yahshua returns but before the actual Millennium will begin seven months from them in the month of Aviv. So very, very clearly here we see that Israel at this time, so it can't be now because now they're not living secure, they're not living without walls. Matter of fact, there's walls all over the place there, walls in the West Bank, walls around Gaza and even that didn't help, that didn't stop the invasion that came there. Drop down to verse 14.

Ezekiel 38:14-15 *So prophesy, son of man, and say to Gog, So says Adonai YAHWEH: Shall you not know in that day when My people Israel dwells securely? And you shall come from your place out of the recesses of the north, you and many peoples with you, all of them riding on horses, a great assembly, a mighty army.*

Comment: So remember when you show returns to the Mount of Olives, right? And He's fighting the people there. That's not the end of it, that's only the beginning of the fight. And He's going to come and He's going to fight and then this is going to come after that. And not just from the people right there, not just from Hamas or Hezbollah, but all the countries that are around. We saw Gog and Magog; which we see these countries going all the way to Russia and Armenia and possibly China and areas over there as well as Iran and Yemen and these other places, Libya. And He says:

Ezekiel 38:15-16 *And you shall come from your place out of the recesses of the north, you and many people with you, all of them riding on horses, a great assembly, a mighty army. And you shall come up on My people Israel like a cloud, to cover the land. It shall be **in the after days**, ... in the after days ... and I will bring you against My land so that the nations may know Me, when I shall be sanctified in you before their eyes, Gog.*

Comments: So this will be afterwards. And what I believe is, and I'll get into it in a little bit when I get into some of the other scriptures, I believe that with all this UFO stuff, they're bringing up now, and they're bringing up aliens and there's aliens around and all this other stuff, which we know there's no such thing as aliens. There are creatures, but they're demons. Anything that has come to this earth in some kind of space craft or whatever is a demon.

And I believe that what Satan is going to have with his global government is when Yahshua returns and He's going to return, I'm going to show you what He's going to look like. He's going to be like a glorified and a light and this being that's going to come. They're going to think He's some kind of being from out of space. And that's why they're all coming together and they're all going to come and come against Him.

Ezekiel 38:17-20 *So says Adonai YAHWEH: Are you he of whom I have spoken in former days by the hand of My servants, the prophets of Israel, who prophesied in those days and years, to bring you against them? And it shall be on that day, when Gog comes against the land of Israel, declares Adonai YAHWEH, My fury shall come up in My face. And in My jealousy, in the fire of My wrath, I have spoken. Surely, in that day there shall be a great quaking in the land of Israel. And the fish of the sea, and the birds of the heavens, and the beasts of the field, and all creeping things that creep on the earth, and all men on the face of the earth, shall quake at My face. And the mountains shall be thrown down, and the steep places shall fall, and every wall shall fall to the ground ... This is during the Day of Yahweh, His wrath.*

Ezekiel 38:21-23 *And I shall call a sword against him on all My mountains, declares Adonai YAHWEH. Each man's sword shall be against his brother. And I will judge him with a plague and with blood, and an overflowing shower, and hailstones ... Talks about in Revelation, 100 pound hail stones coming down ... I will rain fire and brimstone on him, and on his bands, and on the many peoples who are with him. And I will magnify Myself and sanctify Myself. And I will be known in the eyes of the many nations, and they shall know that I am YAHWEH.*

So we're going to see this is the same time when Yahshua returns. That's when the wrath of Yahweh starts. That is the beginning of the wrath of Yahweh because He brings the wrath of Yahweh and He brings the bowls and that's where you

see the real wrath that's coming from that time. And then the nations coming as we'll see the Armageddon to fight against Him. And this is the time. This is the time of Armageddon as we'll see here. So **Yahshua will fight the nations coming on Israel.**

Go to chapter 39. I'll read here 1 through 8:

Ezekiel 39:1-3 *And you, son of man, prophesy against Gog and say, So says Adonai YAHWEH: Behold, I am against you, O Gog, the prince of Rosh, Meshech, and Tubal. And I will turn you back and lead you on. And I will bring you up from the recesses of the north, and will bring you on the mountains of Israel. And I will strike your bow out of your left hand, and I will cause your arrows to fall out of your right hand.*

Ezekiel 39:4-7a *You shall fall on the mountains of Israel, you and all your bands, and the people with you. I will give you for food to the birds of prey, a bird of every wing, and to the beasts of the field. You shall fall on the face of the field, for I have spoken, declares Adonai YAHWEH. And I will send a fire on Magog, and on those living securely on the coasts. And they will know that **I am YAHWEH**. And **I will make My holy name known in the midst of My people Israel** ... So Yahweh's name is not known yet. So this has to be before the millennium starts ... **I will make My holy name known in the midst of My people Israel**. And I will not let My holy name be profaned any more. And the nations will know that I am YAHWEH, the Holy One of Israel. Behold! It has come, and it has happened, declares Adonai YAHWEH. That is the day of which I have spoken.*

This is the day of Yahweh's wrath. This is the day of His wrath that is coming. Isaiah 13 take a look in verse 2. Matter of fact let me go to verse 6:

Isaiah 13:6-7 *Howl! For the day of YAHWEH is at hand. It shall come as a destruction from the Almighty. On account of this all hands shall droop, and every heart of man shall melt;*

Isaiah 13:8-10 *and they shall be afraid. Pangs and sorrows shall take hold of them; they shall be in pain like one giving birth; they will be amazed, each man to his neighbor; faces of flames shall be their faces. Behold, the day of YAHWEH comes, cruel and with wrath and fierce anger, to lay the land waste. And He shall destroy its sinners out of it. For the stars of the heavens and their constellations shall not give light; the sun shall be darkened in its going forth, and the moon shall not reflect its light.*

Isaiah 13:11-12 *And I will visit evil on the world, and their iniquity on the wicked. And I will cause the arrogance of the proud to cease; and I will humble the pride of tyrants. I will make a man more rare than fine gold; even a man more than the carvings of Ophir.*

So this is when Yahweh's anger comes out and the day of His wrath and this is what we are saying here in **Ezekiel 38 and Ezekiel 39.**

Daniel 10 verse 4 ... Daniel 10 verse 4 we see how does Yahshua look when He returns at this time.

Daniel 10:4-6 *And in the twenty fourth day of the first month, as I was by the side of the great river, which is Tigris, then I lifted up my eyes and looked: And behold! A certain man was **clothed in linen, whose loins were wrapped in fine gold from Uphaz. His body was also like the beryl, and His face looked like lightning** ... This is exactly what it talks about in Revelation ... **And His eyes were like torches of fire;** ... can you imagine? ... **and His arms and His feet in color like polished bronze; and the sound of His words were as the noise of a multitude.***

So think about this, same in Revelation that this Being that is coming that you can't even look at Him, just the brightness of His coming will melt people. It talks about that in Zechariah; their eyeballs melting in their sockets. But when we see this that's why they're going to think He's an alien. They're going to think He's some kind of alien that's coming. They don't understand.

And that's why this New World Order, this global government, the way they are now threatening to all come together against Israel which they will. It talks about that surrounding Jerusalem. What's going to happen? That they're going to come and they're going to try to come and fight Yahshua. And they're going to think He's some kind of foreign alien that's coming to the earth and they have to protect it.

So this is what happened ... Yahshua looks ... that's how He looks in a glorified state. Satan will deceive the world that UFOs are invading. And like I said, he's already tricked the people into it. But UFOs are nothing more than demons. But this is how they'll say that Yahshua is some kind of UFO or alien and they all need to come together.

Revelation 16, because that's about the only time the world comes together is for evil; never for good. So Revelation 16 and verse 8, because this is the time we're reading about of Armageddon as we see here as we read in **chapter 39**, what did He say, **verse 4**: *"you shall fall in the mountains of Israel and all the bands and all the people. And I will give you for food to the birds, a prayer, a bird of every wing and the beasts of the field."* So they're going to be at the great banquet that these birds are going to have because of all the millions and millions of people that are dying. They're going to have a lot of food to eat there. Revelation 16 and verse 8:

Revelation 16:8-9 *And the fourth cherub poured out his bowl onto the sun. And it was given to him to burn men with fire. And men were burned with great heat. And **they blasphemed the name of YAHWEH, the One having authority over these plagues and they did not repent to give Him glory.***

Comment: So there's not a great revival in the end time. It's the opposite. This is where Yahweh has to destroy these people because they have fully ... they've taken the mark of the beast to begin with, right? They're a hundred percent part of Satan's system, not Yahweh's system, and they want nothing to do with Yahweh.

Revelation 16:10-11 *And the fifth cherub poured out his bowl onto the throne of the beast. And its kingdom became darkened; and they gnawed their tongues from the pain. And they blasphemed the Elohim of Heaven, from their pains and from their sores. And they did not repent of their works.*

Revelation 16:12-13 *And the sixth cherub poured out his bowl onto the great river Euphrates, and its water was dried up so that the way of the kings from the East might be prepared ... And they were already damming up the Euphrates rivers now so the kings of the east can come ... And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet ... so the dragon is Satan. The beast is the leader who has Satan dwelling in him and the false prophet, whoever that is.*

Revelation 16:14 *For they are spirits of demons doing signs, which go forth to the kings of the earth, even of the whole inhabitable world to assemble them to the war of that day, the great day of El Shaddai.*

Comment: So this is where artificial intelligence and all the lying signs and wonders are going to come in and they're going to fake all this stuff that's happening in the skies, right?

Revelation 16:14-16 *For **they are spirits of demons** doing signs, which go forth to the kings of the earth, even of the whole inhabitable world to assemble them to the war of that day, the great day of El Shaddai. Behold, I am coming as a*

*thief. Blessed is the one watching and keeping his garments, that he does not walk naked, and they may see his shame. And He assembled them in the place having been called in Hebrew, ... what? ... **Har-Megiddo**.*

Comment: And the English from the Greek, they say Armageddon, but it comes literally from Har-Megiddo, Harus Mountain, the mountain of Megiddo, which is in the Jezreel Valley gigantic plain there that could maybe one of the only places in Israel that could fit that many millions of people.

Revelation 16:17-18 *And the seventh cherub poured out his bowl into the air, and a great voice came from the throne from the sanctuary of Heaven, saying, It has happened! And voices and thunders and lightnings occurred. And a great earthquake occurred, such as did not occur since man came into being on the earth, such a huge earthquake, so great!*

Comment: And now we're seeing here earthquakes that are 7, 7.3, 7.5, even close to 8. Can you imagine this could be a 10 maybe? Who knows?

Revelation 16:19-21 *And the great city came to be into three parts ... from the earthquake ... and the cities of the nations fell. And Babylon the great was remembered before YAHWEH, to give to her the cup of the wine of the anger of His wrath ... because Babylon has created this whole system in the end time ... And every island fled away, and mountains were not found. And a great hail, as the size of a talent, ... I just read it in Ezekiel right the hail coming down ... came down out of the heaven upon men. And men blasphemed Elohim from the plague of the hail, because its plague is exceedingly great.*

Wow! So this is what's happening at that time. Go to Revelation 19 and verse 11 ... Revelation 19 and verse 11. Its then in 17 and 18 he goes and shows how Babylon was falling. It's kind of like almost like thinking back, remembering like a flash back. And chapter 19 and verse 11 says:

Revelation 19:11-13 *And I saw Heaven being opened. And, behold! A white horse, and He sitting on it having been called Faithful and True. And He judges and makes war in righteousness ... This is Yahshua now returning ... And His eyes were as a flame of fire, and on His head were many crowns with many titles written on it, and one of the titles that had been written, no man knew but He Himself; and having been clothed in a garment which had been dipped in blood. And **His name is called The Word of YAHWEH**.*

Revelation 19:14-16 *And the armies in Heaven followed Him on white horses, being dressed in fine linen, white and pure ... wow what a day that's going to be ... And out of His mouth goes forth a sharp sword, that with it He might smite the nations. And He will shepherd them with an iron rod. And He treads the winepress of the wine of the anger and of the wrath of YAHWEH Almighty. And He has on His garment and on His thigh a name having been written: KING OF KINGS AND MASTER OF MASTERS.*

Revelation 19:17-19 *And I saw one cherub standing in the sun. And he cried with a great voice, saying to all the birds flying in mid-heaven, Come and gather together to the supper of the great Elohim, that you may eat the flesh of kings, and the flesh of captains, and the flesh of strong ones, and the flesh of horses, and of the ones sitting on them, and the flesh of all, both freemen and slaves, even of the small and great. And I saw the beast and the kings of the earth, and their armies being assembled to make war with the One sitting on the horse, and with His army.*

Revelation 19:20-21 *And the beast was seized, and with this one the false prophet doing signs before it, by which he led astray those having received the mark of the beast, and those worshiping its image. The two were thrown alive into the Lake of Fire burning with brimstone ... And like I said we already have that mark here today - the technology ... And the rest were killed with the sword of the One sitting on the horse, the sword having gone forth from His mouth. And all the birds were filled from their flesh.*

So we read the same thing in Ezekiel that of this great banquet that these birds are going to have because of all the people killed. Let's go back to Ezekiel 39 and verse 11 and see again that this is exactly what I was reading about that's happening in Revelation. Ezekiel 39 and verse 11:

Ezekiel 39:11-12 *And it will be on that day, I will give to Gog a place there, a grave in Israel, the valley of those who pass by, east of the sea. And it shall stop those who pass by. And they shall bury Gog and all his multitude there, and they shall call it The Valley of the Multitude of Gog. And the house of Israel shall bury them, in order to cleanse the land, seven months.*

Comment: And that's why I said it's probably an intercalary year because why the cleanser is seven months until the Millennium starts on Aviv 1. So this is from the time Yahshua returns, seven months that's happening there.

Ezekiel 39:13 *And the people of the land shall bury. And it shall be for a name to them, the day when I am glorified, declares Adonai YAHWEH.*

Comment: That will be the day when Yahshua returns and He fights these armies and the people start to understand and then we will go throughout all the earth. And we will be telling the people what's happening and sharing the name of Yahweh the way we are now but then to a world that will all the people that are left will understand and will embrace it.

Ezekiel 39:14-15 *And they shall separate men who continually pass through the land, burying those who passed through, who remain on the face of the earth, to cleanse it. At the end of seven months, they shall make a search ... So there's going to be a lot of people dead there'll be some that are alive like it says men will be rarer than the gold of Ophir ... And as they pass, those who pass through the land, and any sees a bone of a man, then he shall build a post beside it until the ones burying have buried it in The Valley of the Multitude of Gog.*

Ezekiel 39:16-17 *And also the name of the city is Hamunah (The Multitude). And they shall cleanse the land. And you, son of man, So says Adonai YAHWEH: Say to the bird of every wing, and to every beast of the field: Gather yourselves and come, collect yourselves from all around to My sacrifice which I sacrifice for you, a great sacrifice on the mountains of Israel, so that you may eat flesh and drink blood ... exactly what happened in Armageddon is happening here ... And also the name of the city is Hamunah the multitude and they shall cleanse the land.*

Ezekiel 39:18-20 *You shall eat the flesh of the mighty, and drink the blood of the rulers of the earth, of rams, lambs, goats, and bulls, all of them fatlings of Bashan. And you shall eat fat until you are full, and drink blood until drunkenness, of My sacrifice which I have sacrificed for you. And you shall be satisfied at My table with horses and chariots, and mighty men, all the men of war, declares Adonai YAHWEH.*

And it's very interesting you know that in the Hula Valley in Israel in the north, every year millions of birds come through there. When the winter is coming you know they are flying from the north down to the south. When the winter has ended they are coming from the south back to the north. And they stop there for several weeks at the Hula Valley. It's like you could say, their vacation spot. It's kind of interesting here it doesn't say the Hula Valley but it's close to that area where Jezreel is, not that far. And I believe this is where these birds that are ... naturally every year that come through there will actually be having some feast that year. It will be like the ultimate feast for them. Birds coming from all over the place that will have that great ... like it says, *the great sacrifice by Yahweh* and they are going to be having that banquet. Verse 20:

Ezekiel 39:20-22 *And you shall be satisfied at My table with horses and chariots, and mighty men, all the men of war, declares Adonai YAHWEH. And I will put My glory among the nations, and all the nations shall see My judgments which I*

*have done, and My hand that I have laid on them. **So the house of Israel shall know that I am YAHWEH their Elohim, from that day and forward** ... so it's from that day and forward that they will know it.*

Ezekiel 39:23 *And the nations shall know that the house of Israel was exiled for their iniquity. Because they betrayed Me, so I hid My face from them and gave them into the hand of their enemies. And they fell by the sword, all of them.*

Comment: And this is what's been happening for 75 years. So yes, **it's Yahweh's hand bringing them back there but it's not His hand yet protecting them because they haven't asked for it. And they've been in their sins. And it will only be at this point that Israel will really be redeemed.**

Ezekiel 39:24-25 *According to their uncleanness and according to their sins, I have done to them, and have hidden My face from them ... Why? Because they've chosen **demon-ocracy**. They've chosen commercial Babylon over the Tanakh of Yahweh ... So Adonai Yahweh says this, now I will return the captivity of Jacob and we'll have mercy on all the house of Israel ... So this is also when the northern tribes are returning, the tribes of Ephraim ... and I will be jealous for My holy name ... Wow. So this is at the point where these things are happening.*

If we go to just a couple pages back Ezekiel 36 and verse 16 this is where we see this.

Ezekiel 36:16-19 *And the Word of YAHWEH was to me, saying, Son of man, when the house of Israel dwelt on their land, they even defiled it by their ways and by their doings. As the defilement of woman's impurity, their way was before Me. So I poured out My fury on them, because of the blood that they had poured out on the land, and for their idols by which they defiled it. And I scattered them among the nations, and they were sown among all the earth; I judged them by their way and by their doings.*

Ezekiel 36:20-22 *And when they entered into the nations, there where they went, they even profaned My holy name, by saying to them, These are the people of YAHWEH, and they are gone out of His land. But I had pity for My holy name which the house of Israel had profaned among the nations, there where they went. Therefore, say to the house of Israel, So says Adonai YAHWEH: I do not do this for your sake, O house of Israel, but only for My holy name which you profaned among the nations, there where you went.*

Ezekiel 36:23 *And I will sanctify **My great name** ... the name of Yahweh. Right? That's the cornerstone of the restoration in the end time. The Restoration Ministry ... And I will sanctify My great name which was profaned among the nations, which you profaned among them. And the nations shall know that I am YAHWEH, declares Adonai YAHWEH, when I am sanctified in you, in their eyes.*

And the nation of Israel today because Yahweh took His name out of the mouth of Judah, it tells us that in the book of Jeremiah. They have never since that time ever proclaimed a name Yahweh and they are not doing it today. Matter of fact, if you use the name Yahweh in Israel they get offended. You know at least the rabbis do and the religious people. So this is why because of their sin, Yahweh is not allowing that but there is going to be redemption as we see here in the end time and Yahweh will come and fight for them and then all the tribes will be redeemed **at that time.**

Ezekiel 39:9 and 10, Ezekiel 39 9 and 10:

Ezekiel 39:9-10 *And those living in the cities of Israel shall go out and shall set afire and burn the weapons, even the shields and the buckler, the bow and the arrows, and the hand staff, and the spears. And they shall burn them with fire seven years. And they shall not take wood out of the field and they shall not cut down out of the forest. For they shall burn the weapons with fire. They shall plunder those who plundered them, and rob those who robbed them, declares Adonai YAHWEH.*

So wow, this is where we see them burning these weapons **for seven years** it says here. They will be burning those weapons and everything that they had and this is where we get also from the book of Micah. If we go to the book of Micah chapter 4 verse 1-4 and I'll read 6 and 7.

Micah 4:1-2 *But it shall be in the end of the days, the mountain of the house of YAHWEH will be established on the top of the mountains; and it will be lifted up from the hills; and people will flow on it. And many nations will come and say, Come, and let us go up to the mountain of YAHWEH, ... This is in the Millennium ... and to the house of the Elohim of Jacob. And He will teach us from His ways, and we will walk in His paths. For the Torah shall go forth out of Zion, and the Word of YAHWEH from Jerusalem.*

Comment: Everything starts and ends in Jerusalem. That is where Yahweh's restoration started but it does have to go out to the world. It does go out to the world.

Micah 4:3-4 *And He shall judge between many peoples, and will decide for strong nations afar off. And **they will beat their swords into plowshares**, and their spears into pruning hooks ... Like we just read here, burning their weapons and melting them down from a gun or whatever, or spear into a plowshare from them ... Nation shall not lift up a sword against nation, nor shall they learn war anymore. But they will each one sit under his vine and under his fig tree, and there shall be no trembling. For the mouth of YAHWEH of Hosts has spoken.*

Drop down to verse 6.

Micah 4:6-7 *In that day I will gather the lame, declares YAHWEH, and I will gather the banished, and the one I have afflicted. And I will make the lame into a remnant, and her who was removed into a strong nation. And YAHWEH will reign over them in Mount Zion from now on, and to forever.*

So this is it. This is what's happening. This is the time frame. This is how it happens when Yahshua returns and this is the great and wonderful time when the Millennium will start. And we are so close to that and only goodness will come from that point.

One more scripture, Revelation 20 because what's exciting about it is, that we will be a part of it. We will be a part of it. Just like Yahshua said in the first scripture in **Matthew 28:18-20**, *lo, I am with you all the way to the end of the ages* and then we see the reward that comes in Revelation 20 starting in verse 1:

Revelation 20:1-2 *And I saw a cherub coming down out of Heaven, having the key of the abyss, and a chain in his hand. And he laid hold of the dragon, the old serpent who is called the Devil, and Satan, and bound him a thousand years,*

Comment: So yes, **Satan is called the devil and the serpent**. There's no doubt sometimes people get from false Judaism that the serpent in Genesis was not Satan of course it is; same being and same tactics.

Revelation 20:2-3 *And he laid hold of the dragon, the old serpent who is the Devil, and Satan, and bound him a thousand years, and threw him into the abyss, and shut him up, and put a seal over him, that he should not still lead astray the nations, until the thousand years are fulfilled. And after these things, he must be set loose a little time.*

Comment: So during the millennium, the human beings that are alive at that time will not have to deal with that.

Revelation 20:4 *And I saw thrones, and they sat on them. And judgment was given to them, and the souls of the ones having been beheaded because of the witness of Yahshua, and because of the Word of YAHWEH, and who had not worshiped the beast, nor its image, and had not received the mark on their forehead and on their hand ... They are not*

part of that system. I can guarantee you not one of them had the dumb iPhone ... *And they lived and reigned with Messiah a thousand years ...* And these are His first fruits.

Revelation 20:5-6 *This is the first resurrection. Blessed and kadosh is the one having part in the first resurrection. The second death has no authority over these, ... Why? Because they have already shed their human bodies. They have already been given immortality and they are glorified spirit beings ... but **they will be priests of YAHWEH and of His Messiah, and will reign with Him a thousand years.***

That is our destiny. That is the great incredible human potential that Yahweh gives us. And this is how it happens. This is how in the end like I said, I can see it can at times seem confusing because it almost seems like Yahshua is returning to different places and different things happening. But it is all because of the timeline that happens. That He can appear to His people at any time.

He will appear to the remnant in the wilderness. But then He will appear when every eye will see Him. He will be in Jerusalem fighting against the armies there. And then ultimately He will be fighting all the armies of the earth and Armageddon in the Jezreel Valley in the north where He will conquer them all. And then like I said they will be burying the bodies for seven months and burning the weapons and melting them for seven years as the Millennium starts. And we are reigning with Him forever.

Wow! It doesn't get any better than that. Praise Yahweh. Shabbat Shalom.
