

## Transcript – Bible Study\_The Rise of Anti-Messiah

Alrighty, Shabbat shalom and Shabbat shalom to all those with us tonight. Pull up a chair and let us study the Word of Yahweh. Let us start in prayer.

*Dear Heavenly Father,*

*We come before your blessed throne and thank you for another week of life. We thank you Father for all the blessings that you bestow upon us and we thank you Father for your Word that guides us each and every day of our life. We thank you for your Shabbat Father that is here and we thank you for allowing us to enter your rest. We pray Father for your Ruach to guide and lead as we study your Word. And we pray Father for the times we are living in to be accounted worthy to be able to escape the things that are coming. We thank you for all the things that give you praise in the name and by the authority of your Son and our Savior, Yahshua Messiah, we pray.*

*HalleluYah.*

Alrighty. I am not going to go into any world news tonight because I have a lot of information to go over here and basically the whole study is kind of world news. So when you're looking at the situation that's happening now, we are and I was saying this before I just had a feeling the last few months that 2026 was going to be kind of like a turning year, a year, like a joining year, year that is moving into something else in prophecy.

And while after the Davos meeting that they had the other week, you really see that the global order is in a frenzy right now where the strongest nations in the world, China, Russia, America, are buying for power for leadership and everyone pretty much knows the old global order is pretty much failed and they're putting it into a new global order now.

And things are changing. Things are changing very fast and where things will be going. And like I said, as I speak, today one of the biggest American warships just landed in Eilat and they are getting ready. I just believe one way or another they are going to attack Iran, I don't see how Netanyahu that's this is everything that he lives for the last 40 years. What he's been saying with Iran. And now to have President Trump in there that basically will do almost anything he says with the drop of a dime. Israel has never had this kind of backing from America before and I just don't see them backing off of this.

So, as we're moving along, the study we're going to be going in tonight is - who is the anti-Messiah? So, I believe what's happening now will be setting up for that for the anti-Messiah to come. I've had people write me over the last year and even in the past some people thinking that President Trump was the anti-Messiah and although to be honest, he does fit some of the bill and what he is doing now some of the things he's doing is good but he's definitely not the anti-Messiah as we'll see as we get into this study here and we'll talk a little bit more about him at the end of the study.

So, number one, what people think of anti-Messiah, a lot of it has to do with a lot of the false Christian movies and the guy coming with the red eyes and doing this stuff and you really don't see that in Scripture. In Scripture, matter of fact where I'm going to start in 1<sup>st</sup> John 2 and verse 18 that first of all it talks about the spirit of anti-Messiah. So it's a spirit to begin with. Besides there will be a physical being. We'll talk about that

in a little bit. That is going to control the world, the empire and the fourth beast and going to be controlling it. But most of what the New Testament talks about with anti-Messiah is really the spirit of anti-Messiah. 1<sup>st</sup> John 2 and verse 18 says:

**1<sup>st</sup> John 2:18a** *Little children, it is a last hour, ...*

**Comment:** So, we see this in Scripture in the New Testament that the apostle Peter, the apostle Paul and the apostle John all thought that Yahshua was returning in their time frame which didn't happen. But we see again here ...

**1<sup>st</sup> John 2:18** *Little children, it is a last hour, and as you heard that the anti-Messiah is coming, even now many anti-Messiahs have risen up, from which you know that it is a last hour.*

So, remember when you see these movies and you see this guy coming, the anti-Messiah, people think that the anti-Messiah is against Messiah. It's this battle of good and evil. And the word '*anti*' literally means '*in the place of*'. So it's not that the anti-Messiah is against the Messiah. **The anti-Messiah is taking the place of Messiah.**

So when you see, *little children it is a last hour as you have heard that anti-Messiah is coming even now many anti-Messiahs have risen up from which you know it is a last hour.* What is he talking about? He's talking about false people who join the congregation. They bring in false doctrine because they're **changing** the doctrine of Messiah into anti-Messiah into ... instead of Messiah's doctrine. He says:

**1<sup>st</sup> John 2:19** *They went out from us, but they were not of us. For if they were of us, they would have remained with us; but they left so that it might be revealed that **they are not of us.***

So very simple, Yahweh's separating the wheat from the chaff and why? Like I said, I can understand many people start from anywhere. You could start as a Catholic, you could be a Jehovah Witness, you could be a Mormon you could be a Presbyterian, you could be anything. And I've heard people tell me their testimonies and "I went from being a Catholic to being a Jehovah Witness, and then I went to this, and now I find the truth."

But once you get to Mount Zion where do you go from there? There's nowhere to go, there's nowhere to go but falling off the mountain. And like it says here, the spirit of anti-Messiah people that have come and that's why I said, not everybody sitting in the chair next to you, don't always assume that they are a brother or sister because you do have false brethren coming in.

But how do you know it? Because they are anti-Messiah. They come in they try to bring a different message. Yahshua took two and a half years to train His disciples and to train the apostles in doctrine. If He only came to die for our sins, He would have only had to be on the earth three days and three nights but He came for several years to train them to give the doctrine.

And that's why he anointed; he ordained the twelve ordained others who ordained others. And like I said, from my book, *The Gates of Hell Will Not Prevail Against Her*, clearly shows that that line of succession has never failed in two thousand years. So, I had hands laid on me. I've laid hands on other people and the hands that were laid on me were laid on from someone else, from someone else going all the way back to Yahshua

and the apostles.

So, people that come in and they don't want to believe that and they want to bring their own doctrine they want to go their own way and then finally they wind up leaving or being put out but most of the time they leave because they can't be around the truth. And this is what it says they're called the anti-Messiah.

**1<sup>st</sup> John 2:20-22** *And you have an anointing from the Holy One, and you know all things. I did not write to you because you do not know the truth, but because you know it, and because every lie is not of the truth. Who is the liar, except the one denying that Yahshua is the Messiah? This is an anti-Messiah, the one denying the Father and the Son.*

**Comment:** We have people with the One-ness doctrine saying that Yahshua is Yahweh, denying that there is a Father and her Son. Again, it's a false doctrine and it is the anti-Messiah like he says.

**1<sup>st</sup> John 2:23** *Everyone denying the Son does not have the Father. The one confessing the Son also has the Father.*

This is the anti-Messiah the one denying the Father and the Son. So, we see that anti-Messiah is a spirit - **it's a spirit that goes against the doctrine of Yahshua**. John was the last good news message. He wrote this about 95 AD and at this time there were a lot of false doctrines that were coming in from the universal church from the Catholic church. Gnosticism there was a lot of Gnostic beliefs that were being brought in.

And let's go now to 1<sup>st</sup> John 4 ... 1<sup>st</sup> John 4:1 through 6 he says:

**1<sup>st</sup> John 4:1-3** *Beloved, do not believe every spirit, but test the spirits, whether they are from Elohim; for many false prophets have gone forth into the world. The Spirit of Elohim is known by this: Every spirit which confesses that Yahshua Messiah has come in the flesh is from YAHWEH. And every spirit which does not confess that Yahshua Messiah has come in the flesh is not from Elohim; and this is the Anti-Messiah which you heard is coming, and now is already in the world.*

**Comment:** Why? Because these Gnostics said no the Messiah could never be born fleshly that He be a human being and they were denying that. And that's why he's saying this. It's called again anti-Messiah.

**1<sup>st</sup> John 4:4** *Little children, you are of Elohim and have overcome them, because He that is in you is greater than he that is in the world.*

**Comment:** And we always have to remember this. We have the Ruach. We have the Spirit of Yahweh. And like scripture says Yahweh Spirit can't deny itself. So that's why people once you come into Yahshua's congregation you would never leave Yahshua's congregation. Why would you? What would be the purpose of leaving His congregation unless you have the spirit of anti-Messiah? So, he's saying *the spirit in us is greater than the spirit in the world*.

**1<sup>st</sup> John 4:5** *They are of the world; because of this they speak of the world, and the world hears them. We are of Elohim; the one knowing Elohim hears us. Whoever is not of Elohim does not hear us. From this we know the spirit of truth and the spirit of error.*

Wow. I mean that's pretty simple. You don't have to go that far. He's literally saying the ones who don't listen, the ones who don't follow judicial order, the ones who don't want to have any leadership and their life that's set by Yahshua himself, is the spirit of anti-Messiah.

So how do we know the spirit of anti-Messiah? **It's by what they teach and what they believe.** And like I said, the anti-Messiah doesn't mean they're against Messiah. They put things **in the place of Messiah**. It's the Laodicean era and the Laodicean attitude is a hundred percent anti-Messiah; false grace, the whole false grace, selfish ambitions against leaders that Yahweh chose. Going against or going into the place of ... in the place of.

2<sup>nd</sup> John 1:7 ... 2<sup>nd</sup> John 1:7, says:

**2<sup>nd</sup> John 1:7** *Because many deceivers went out into the world, those not confessing Yahshua Messiah to have come in the flesh, such a person is a deceiver and an anti-Messiah.*

So again, we see the same thing, right? Those denying that Yahshua was even born. Like in Israel some of the Orthodox when they say if He even existed and just, as a matter of fact, as a historical person it's ridiculous to say that because there is not a human being born on this planet that has had more things written about Him than Yahshua in historical records. So, He definitely ... whether you believe Him or not that's your business but whether He actually existed is just a fact of history. So, but there are some that deny that.

Yet, there will be a real person, or spirit, in the end who unites world leaders into a one world order. Like I said, right now it's stalled to a certain degree for various reasons I'm not going to get into tonight. And President Trump has taken advantage of that to bring his own order. And he is trying to dictate that order. And he's trying to become the leader of that order, even making his own peace initiative now and backing America out of ... I forget how many ... United Nations, charters that they have that he's backed American out of.

Most likely, this is going to bring World War 3. It's almost certain when this will happen, only Yahweh knows but I don't think it's that far and the rise of the anti-Messiah. So that's why I think what's happening now is extremely important because we have not had someone like President Trump who has the arrogance and has the pride and actually the power to try to unite everything under himself.

So, most of these leaders that were out there before, when you look over the last 20, 30 years since George Bush, that first talked about the UN for the first time about this new world order and talked about what it is, you really haven't had any leader in the world; including American presidents that really were strong enough to unite.

Bill Clinton was actually one that was pretty strong and he did bring the Oslo Accords in Israel and came close to fulfilling that if it wasn't for Yasser Arafat. But you really haven't had somebody like Trump, like a dictator type with the power and just threatening and doing and like just insane things. And I believe from this and from the war that's coming, there'll be other world leaders now that are actually part of it because Trump really isn't even part of that inner circle of the global elite that will and will take over it. And as we're going to see, it's not only a human being but it's going to be demonic from Satan.

So, Daniel 2, let's go to the book of Daniel because let's look now and see about the *physical person* not the spirit of anti-Messiah as we've been talking about here but what the Bible says about this person who will

unite these world leaders. And unfortunately, be very bad for ... against believers too. Daniel 2 and starting in verse 31 and this is talking about the image that Nebuchadnezzar saw, right? And he says:

**Daniel 2:31-35a** *You, O king, were seeing. And, behold, a certain great image! That great image stood before you with a brilliant brightness, and its form was terrifying. The head of this image was of fine gold, its breast and its arms were of silver, its belly and its thighs were of bronze, its legs were of iron, its feet were partly of iron and partly of clay. You continued until a stone was cut out without hands, which struck the image on its feet of iron and clay, and broke them to pieces. Then the iron, the clay, the bronze, the silver, and the gold were together crushed to pieces, ...*

**Comment:** So, it's showing this is not successive empires that are going to come one after the other but they're all there at the same time, right? And then they'll be destroyed as we're seeing here.

**Daniel 2:35b** *... were together crushed to pieces, and they became like the chaff of the summer threshing floors. And the wind carried them away so that no place was found for them. And the stone that struck the image became a great mountain and filled the whole earth ...* So, mountains or kingdoms - it shows greatness.

**Daniel 2:36-38** *This is the dream, and we will tell the meaning of it before the king. You O king are the king of kings. For the Elohim of Heaven has given you the kingdom, the power, and the strength, and the honor. And wherever the sons of men, the animals of the field, and the birds of the sky dwell, He has given them into your hand, and has made you ruler over them all. **You are the head of gold.***

This is Babylon, right? So just like back here, Babylon was the world leader they were the ones basically running the world we see it today, end-time Babylon USA is the world leader. I don't know how anybody could sit there with a straight face, if we're using the Bible as our only guide, and not see that America is Babylon. I mean maybe 20, 30, and 40 years ago you could have brought some other things up. But now, when you're looking at who Babylon is; the world leader, the one who's running everything, the world economic power, the military power and all the things. There's just, and that's for ... I've done many studies on that, well I'm sure we'll do again.

But Babylon is the head of gold. And I think it's really interesting and ironic that since President Trump has got in there this second term, what has he done in the White House? He's made everything of gold. He's put gold on everything. And gold is going up pretty high; it hit \$5,000 an ounce this week. So, what that's costing to put all that gold all over the White House, wow. But that's why President Trump cannot be the anti-Messiah. The anti-Messiah is not the king of Babylon.

The anti-Messiah will be the world leader. And we know that Babylon rides the beast. Babylon set up the beast but the beast is going to destroy her. And that's something that, like I said, Yahweh knows the times and the seasons but it very well could happen during President Trump's second term here. It sure would be fitting. And again, like I said, I'm not predicting anything but I'm saying, boy would it be fitting if it worked that way. So, Babylon is the head of gold, and like I said, Trump made everything gold.

After Babylon falls, the anti-Messiah will rise from the ashes of the war that's coming and he'll bring in a weakened world government. We're going to go from gold to silver, to copper to iron. What is that telling you? It's telling you that economically things are going to get really, really bad. Babylon is the world economic

power that's why everything with Babylon is pleasure seeking and buying and all these phones, iPhones and computers and all this other stuff that's going on. But all that is going to be coming to a screeching halt when this war comes and what comes out of there.

And like I said, the world leader who's pulling all this together will be going from gold to silver, to bronze to iron. So, we're seeing how it is going to be. Even when you see the horsemen of the apocalypse after the war, you see the famine and then the death that's going to come from there.

So, this anti-Messiah is going to take over a weakened world government that will terrorize the earth, persecute believers, but will be destroyed at Yahshua's coming, like we just read there. Daniel 2 and verse 39. Let's go to verse 39 now to verse 45, it says:

**Daniel 2:39-40** *And in your place shall arise another kingdom lower than yours, and another third kingdom of bronze, which shall rule in all the earth. And the fourth kingdom shall be as strong as iron. Inasmuch as iron crushes and smashes all things, and as the iron that shatters all these, it will crush and shatter.*

**Daniel 2:41-42** *And as to that you saw, the feet and the toes were partly of potters' clay and partly of iron, the kingdom shall be divided. But there shall be in it the strength of iron, because you saw the iron mixed with clay of the potter. And as the toes of the feet were partly of iron and partly of clay, so the kingdom shall be partly strong and partly fragile.*

**Comment:** So, after this war, it's not going to be a good time. And as you read **Daniel 11** and what's going to happen? There's going to be different fights and different alliances and different things going on but it will be very fragile.

**Daniel 2:43** *And as you saw the iron mixed with the clay of the clay, they shall be mixed with the seed of men. But they shall not adhere to one another, even as iron does not mix with clay*

**Comment:** And this is where the AI is going to come into too, the transhumanism of making machines that are going to be part human and part machine.

**Daniel 2:44** *And in the days of these kings, ... so it's during this time ... the Elohim of Heaven shall set up a kingdom which shall never be destroyed. And the kingdom shall not be left to other people. It shall crush in pieces and make an end all these kingdoms, and it shall stand forever.*

**Daniel 2:45** *Because you saw that the stone was cut out of the mountain without hands, and that it broke the iron, the bronze, the clay, the silver, and the gold in pieces. The great Elohim has made known to the king what shall occur after this. And the dream is certain, and the meaning of it is trustworthy.*

And here we are; we're not in the beginning of this, we're at the very end of this. We're 80 years into it. And Yahshua said this will happen in one generation, right? We know from **Psalms 102**, the generation of Jews that went into the Holocaust will be the same generation that sees Messiah return and there aren't many left from there that went through there.

So, we are getting close to all these things coming about? And I do believe, like I said, with President Trump shaking up and turning this world order and really trying to push and punish and change leaders in countries now starting to attack countries and take over, war cannot be that far behind.

Daniel 7 ... Daniel 7 talks about the same thing. He says:

**Daniel 7:1-2** *In the first year of Belshazzar, king of Babylon, Daniel saw a dream and visions of his head on his bed. Then he related the dream, giving the sum of the matters. Daniel spoke and said, In my vision by night I was looking. And, behold, the four winds of the heavens were stirring up the Great Sea.*

**Daniel 7:3-4a** *And four great beasts came up from the sea, different from one another. The first was like a lion and had eagle's wings ...*

**Comment:** The United States and Britain alliance that has been going on ever since America started to be a country. So we see this the lion is Great Britain, the eagle is US. So, you see the lion that had eagle's wings.

**Daniel 7:4b-5** *... I watched until its wings were torn off ... so showing about America going down ... And it was lifted up from the earth and made to stand on two feet like a man, and a man's heart was given to it. And, behold, another beast, a second, like a bear ... Russia is the bear ... And it was established on one side, and three ribs were in its mouth between its teeth. And they said this to it, Rise up, eat much flesh.*

**Daniel 7:6a** *After this I was looking, and, behold, another like a leopard, ...*

**Comment:** And the leopard for France. And we know like in the city where they met at the end of World War II and they made the peace treaty where Versailles, maybe it was. The actual flag of that city is the leopard. So, the leopard is France.

**Daniel 7:6b-7** *... and to it were four wings of a bird on its side. And also to the beast were four leaders. And rulership was given to it ... it could be other European leaders with them ... And after this I was looking in the night visions. And, behold, the fourth beast was frightening and terrifying, and exceedingly strong! And to it were huge iron teeth. It devoured, and crushed, and stamped what was left with its feet. And it was different from all the beasts before it; and it had ten horns.*

So, interesting enough, we see that the Security Council has these there. And I believe this is talking about United Nations, the way it was set up. You have seven heads to it and this is what it talks about in Revelation - 7 heads and 10 horns, five permanent members on the council, a secretary general and a rotating president. And then you have ten horns and you have ten rotating countries every year that switch, or every year or two years, I forget what it was, but that switch. And I believe that's what it's talking about.

And we're seeing that here. But now once this war comes, and it is, there's going to be changing over. This beast that's going to come out of it that's going to heal the deadly wound of this global government, it's going to be awful, as we see here. So, this beast is horrible and it's going to be dictatorial. It's not going to be fun at that time and it's going to be a tough time to get through that. Verse 8 says:

**Daniel 7:8** *I was thinking about the horns. And behold! Another little horn ... this is the anti-Messiah now ... came up among them, and three of the first horns were uprooted ... Is that America Britain and France? Maybe,*

who knows? We'll see ... *And behold! In this horn were eyes like the eyes of the man, and a mouth speaking domineering things.*

So, this is the little horn this is the anti-Messiah who's going to rise from this. Verse 23, 25 says:

**Daniel 7:23-24** *And he said, The fourth beast shall be the fourth kingdom on earth, which shall be different from all kingdoms, and shall devour all the earth, and shall trample it down and crush it. And the ten horns out of this kingdom are ten kings; they shall rise, and another shall rise after them. And he shall be different from the first, and he shall humble three kings.*

**Daniel 7:25** *And he shall speak commands against the Most High, and he shall wear out the saints of the Most High. And he intends to change times and law. And they shall be given into his hand until a time and times and a half time.*

So, we see that this is speaking for about three and a half years. **Revelation 13** says it's given 42 months to rule this beast. The key is when that officially starts when we know it, or will we already be into it once it started there? So, we see here, that times are going to be changed and it's going to be a very, very tough time during that time.

Mark 13 and verse 22 ... Mark 13 and verse 22 because also as we're seeing a lot of false prophets and people coming up with all kinds of crazy stuff. It says:

**Mark 13:22** *For false Messiahs and false prophets will be raised, and they will give signs and wonders in order to lead astray, if possible, even the elect.*

And that's why we have to be careful. And that's why we want to stay off the internet and we want to be in ... having our noses in the Bible. We don't want to be surfing all this crazy stuff and conspiracy theories because you might think you're getting the truth with a lot of this conspiracy stuff. And some of it is true but some of it isn't. And once you get into a lot of those crazy conspiracy websites and stuff there's no way for you to know. And the only way to know for sure is to keep your eyes in the Bible and on the Bible.

So, we see this, already false prophets will appear as we're already seeing. Let's go to Revelation 13 now. This Revelation 13 kind of parallels what we're reading here in Daniel. Revelation 13 and I'm going to read starting here, 1 through 9, says:

**Revelation 13:1-2** *And I stood on the sand of the sea. And I saw a beast coming up out of the sea, having seven heads and ten horns, ... like I was just talking about ... and on his horns ten crowns, ... So these are countries world leaders ... and on its heads names of blasphemy. And the beast which I saw was like a leopard, and its feet were like the feet of a bear, and its mouth was as a lion's mouth ... we don't see the eagles wings anymore ... And the dragon ... China ... the dragon gave its power to it, ... of course this dragon is Satan but China's also. Their symbol is the dragon but of course this is talking about Satan the dragon ... gave its power to it, and its throne, and great authority.*

**Comment:** But although China will be a big player in this, the kings of the east coming. So, in one way yes, we of course, we know the dragon here is Satan. But also I do believe it's also symbolically talking about China

**Revelation 13:3** *And I saw one of its heads, as having been slain to death, and its deadly wound was healed. And all the earth wondered after the beast.*

**Comment:** So, is that Babylon's fall, the deadly wound? We will see. But it's a good chance.

**Revelation 13:4-5** *And they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, Who is like the beast; who is able to make war with it? ... So, are people fighting this world government? No, they're going along with it ... And a mouth speaking great things and blasphemies was given to it. And authority was given to it to act forty-two months ... like we just saw three and a half years.*

**Revelation 13:6-7a** *And it opened its mouth in blasphemy toward YAHWEH, to blaspheme His name ... is His name important? Of course! And this beast power is ... blaspheming YAHWEH's name and His dwelling place, and those dwelling in Heaven. And it was given to it "to war with the saints, and to overcome them." ...*

**Comment:** So, this is where the fifth seal, the great martyrism, is coming about and we're already starting to see a lot of persecution in a lot of places around the world right now.

**Revelation 13:7b** *And authority was given to it over every tribe and kindred and tongue and nation.*

**Comment:** Sometimes people say, "Where did it ever say there's world government?" Where? Right there ... right there.

**Revelation 13:8-9** *And all those dwelling in the earth will worship him, those of whom the names had not been written in the Book of Life of the Lamb having been slain from the foundation of the world. If anyone has an ear, let him hear.*

So, I pray as you're listening you have ears to hear and you understand that this world government is being set up as I speak. And like I said this meeting they had in Davos, I believe was a big meeting, important meeting, for what's coming this year and what's coming next year. And of course, the big plan is 2030, they want everything finished and done by 2030 and possibly before that. There's a lot of things even saying by 2028. So meaningly, controlling the world, doing all the things, the cashless society, everything, a lot of different things that they're talking about.

Okay, let's drop down to verse 11 and it says:

**Revelation 13:11-12** *And I saw another beast coming up out of the earth. And it had two horns like a lamb, but spoke like a dragon ... so this is the false prophet ... And it executes all the authority of the first beast before it. And it causes that the earth and those dwelling in it should worship the first beast, whose deadly wound was healed.*

So, I've said in a symbolic way the internet is really a false prophet. I do believe there'll be a person that will be a religious leader that will be pushing this. But when you look at it one in a symbolic way, the internet is also doing this job. And the internet is causing ... brainwashing people and the beast power is using the internet to get people to follow and believe whatever they want you to believe, just like we saw with COVID.

**Revelation 13:13-14** *And he performed great signs, even so as to make fire come down from heaven upon the earth, before men ... So we see that the anti-Messiah and the false prophet will be doing miracles and signs*

because it's demon related ... *And he deceives those dwelling on the earth, because of the signs which were given to it to do before the beast, saying to those dwelling on the earth to make an image to the beast who has the wound of the sword, and lived ...* This is probably with Ai.

**Revelation 13:15-16** *And was given to it to **put life** into the image of the beast, ... this certainly could be AI ... so that the image of the beast might even speak, and might cause as many as would not worship the image of the beast to be killed. And the small and the great, and the rich and the poor, and the freemen and the slaves, it causes that they give to them all a mark on their right hand, and on their foreheads,*

**Revelation 13:17-18** *even that not any could buy or sell, except the one having the mark, or the name of the beast, or the number of its name ... Here we are. Cashless society is being all set up, the digital id's. I mean everything is moving forward very, very fast ... Here is wisdom: Let him who has understanding compute the number of the beast, for it is the number of a man and its number is six hundred and sixty six.*

And like I said 3 is a number of unity; 6 is number of man. So, 666 is *man unified against Yahweh*.

Let's go back to Daniel 8 now. Daniel 8 and verse 9, talking again about the anti-Messiah, he says:

**Daniel 8:9-10** *And out of one of them came a little horn which became very great, toward the south, and toward the east, and toward the bountiful land ... So not toward the west but toward the south and the east and the bountiful land, which is Israel ... And it became great, even to the host of the heavens. And it caused some of the host and of the stars to fall to the ground, and it trampled them.*

So, this is talking about when Satan and Satan the war in heaven. We'll go into that.

**Daniel 8:11** *Yea, he magnified himself even to the leader of the host ... Wow, Yahshua Himself ... And the continual sacrifice was taken away by him, and the place of his sanctuary was cast down.*

Well, what is the continuous sacrifice? It's Yahshua's sacrifice, like we read in **Hebrews 10**. It is in perpetuity, it's ongoing. And that's why anybody at any time, it doesn't matter how bad they were, it doesn't matter if they were a murderer in prison, they could always repent and turn to Yahweh and have their sins forgiven. But at this time that's being taken away. Yahweh's grace is taken from the earth. And wow, that's why you can picture why it will be the worst time the world has ever known and ever will know.

**Daniel 8:12-13** *And a massive army was given him against the continual sacrifice because of sin. And it threw the truth down to the ground, and it worked and pushed forward ... Wow ... Then I heard a certain holy one speaking, and another holy one said to that one who spoke, Until when is the vision, the continual sacrifice and the devastating rebellious revolt, to give both the sanctuary and the massive crowd to be trampled? ... this is the war in heaven.*

**Daniel 8:14** *And he said to me, For two thousand, three hundred evenings and mornings, then the sanctuary will be made righteous.*

1,150 days that's two a day coming to 2,300. If you drop down the verse 23 and it says:

**Daniel 8:23-24** *And in the latter time of their kingdom, when the apostasy has been complete, a king, strong of face and understanding dark sentences, shall stand up. And his power shall be mighty, but not by his own*

*power. And he shall destroy wondrously, and he shall prosper, and work, and destroy the powerful, and the holy people.*

**Daniel 8:25** *And also through his policy he will make deceit succeed in his land. And he will lift himself up in his heart, and by peace; he shall destroy many. He shall also stand up against the Prince of Princes, but he shall be shattered without a hand.*

So just like President Trump is doing now making false peace deals trying to make it sound like there's peace there when it's not. *When they say peace and safety sudden destruction comes.* And this is what's going to happen after this great world war where probably a billion people in the world are going to die. He's going to make a false peace that's not going to be a lasting peace and many are going to be destroyed through that and by that.

And like I said Daniel ... this is also talking about, like I said, Ai and the transhumanism. Daniel 2 in verse 43 ... Daniel 2 in verse 43, it says:

**Daniel 2:43** *And as you saw the iron mixed with the clay of the clay, they shall be mixed with the seed of men. But they shall not adhere to one another, even as iron does not mix with clay.*

So, here we are, you're talking about, like I said, transhumanism - Ai ,the mixing of man with machine that will be there.

Daniel 11:36 through 39 ... Daniel 11:36 through 39 and it will be continual war after that, he says:

**Daniel 11:36-37** *And the king shall do according to his will. And he shall exalt and magnify himself above every El; he shall even speak marvelous things against the El of Elohim and shall prosper until the fury is completed. For that which is decreed shall be done. He shall not regard the Elohim of his fathers, nor the desire of women; ... he's going to be homosexual ... yea, he will not come to any Elohim. For he shall magnify himself above all.*

He's making himself into an elohim like we're going to read Thessalonians.

**Daniel 11:38-39** *But in his place he shall honor the Elohim of forces, ... nature worship ... and he shall honor a Elohim whom his fathers did not know, with gold and silver and with precious stones, and desirable things. And he shall act in the strongholds of the fortresses with a foreign Elohe, ... maybe he'll even be worshipping Allah ... whom he shall acknowledge. He shall increase in glory, and he shall cause them to rule over many and shall divide the land for a price.*

So, you don't have to really imagine too much because actually since they've been trying to do this one world religion for the last 35 years or so, you've seen the Pope come out and go inside of mosques and you've seen the Pope say there's more than one way to salvation. And have the Pope recognize Allah and Islam.

So, the same thing is going to happen over here that there'll be war constant power struggles and also false worship.

Let's go to 2nd Thessalonians 2 that's what I was talking about this anti-Messiah will be making himself into an elohim and doing lying signs of wonders. Like I said President Trump may have power because he's the

president of the strongest country in the world right now. But he is not doing any kind of miracles or anything, or has no power to do that. 2<sup>nd</sup> Thessalonians 2 in verse 3 he says:

**2<sup>nd</sup> Thessalonians 2:3-5** *Do not let anyone deceive you in any way, because that Day ... the Day of Yahweh ... will not come unless first there comes a great (falling away) great rebellion, and the man of sin is revealed, the son of perdition, the one opposing and exalting himself over everything being called Elohim, or object of reverence, so as for him "To sit in the sanctuary of Elohim" as an El, and sets himself forth, as if he is an Elohim. Do you not remember that I told you these things, when I was with you?*

**2<sup>nd</sup> Thessalonians 2:6-8** *And now you know what has prevented him, for being revealed in his time. For the mystery of lawlessness is already working, until He who is now the obstacle, is taken out of the way ... that's the grace through Yahshua ... And then "the Lawless One" will be exposed, "whom our Master Yahshua will consume by the spirit of His mouth," he will destroy by the brightness of His presence.*

**2<sup>nd</sup> Thessalonians 2:9-10** *His coming is due to the working of Satan in all power and miraculous signs and lying wonders, and in all deceit of unrighteousness in those who will perish, because they did not receive the love of the truth in order for them to be saved.*

So what's happening here? Because **they did not have the love of the truth** and that's what we were saying the spirit of anti-Messiah is the spirit of a false doctrine. We have to love the truth and we have to hold on to the truth.

**2<sup>nd</sup> Thessalonians 2:11-13** *And because of this, Elohim will send to them a working of deception, for them to believe the lie, that those not believing in the truth, but who have delighted in unrighteousness all may be damned. But we ought to thank Elohim always concerning you, brothers, beloved by YAHWEH, because Elohim chose you from the beginning to salvation ... how? ... **in sanctification of the Spirit and through a true faith,***

So, this is the anti-Messiah. The falling away is already happening. Man of sin not revealed yet but he's going to exalt himself, do all kinds of lying signs and wonders.

Revelation 12 ... Revelation 12 and verse 7 it says:

**Revelation 12:7-8** *And war occurred in Heaven, Michael and his cherubs making war against the dragon. And the dragon and his cherubs made war, but they did not have strength, nor yet was place found for them in Heaven. And the great dragon was cast out, the old serpent being called the devil, and, Satan; he deceiving the whole inhabitable world was cast out onto the earth, and his messengers were cast out with him ... his demons.*

**Revelation 12:9-11** *And I heard a great voice in heaven, which said: Now is come the salvation, and the power and the kingdom of our Elohim, and the dominion of his Messiah: because the Accuser of our brethren is cast out, the one who accuses them day and night before our Elohim. And they overcame him because of the blood of the Lamb, and because of the Word of their testimony. And they did not love their soul even until death ... and again the fifth seal.*

**Revelation 12:12** *Because of this, be glad, the heavens and those dwelling in them. Woe to the ones dwelling on the earth, and in the sea, because the devil came down to you having great anger, knowing that his time is short!*

So here we are - we're at this spot and what also happens when Satan is cast to the earth? He's got the key to the abyss and he's going to open that up. We're going to go to Revelation 9 and it says:

**Revelation 9:1-2** *And the fifth cherub trumpeted. And I saw a star out of the heaven falling onto the earth. And the key to the pit of the abyss was given to it. And he opened the pit of the abyss ... So stars are cherubs in this case, maybe a fallen cherub. We don't know ... And smoke went up out of the pit, like smoke of a great furnace. And the sun was darkened, and the air, by the smoke of the pit.*

**Revelation 9:3-4** *And out of the smoke locusts came forth to the earth. And authority was given to them, as the scorpions of the earth have authority. And it was said to them that they should not harm the grass of the earth, nor every green thing, nor every tree, except only the men who do not have the seal of YAHWEH on their foreheads.*

**Comment:** So, Satan has his mark in the hands and in the forehead with his QR code and all the other stuff that's coming. But Yahweh has His mark through His Spirit and His Word and you can't have both.

**Revelation 9:5-6** *And it was given to them that they should not kill them, but that they be tormented five months. And their torment is as the torment of a scorpion when it stings a man. And in those days men will seek death, and they will not find it. And they will long to die, yet death will flee from them.*

**Revelation 9:7-8** *And the likenesses of the locusts were like horses having been prepared for war; and they had crowns on their heads like gold; and their faces were like the faces of men. And their hair was like the hair of women; and their teeth were like those of lions ...* Horrible demon looking things.

**Revelation 9:9-10** *And they had breastplates like iron breastplates; and the sound of their wings was like the sound of chariots with many horses running to war. And they have tails like scorpions, and their stings were in their tails; and their authority is to harm men five months ...* In Joel, you also see this in **Joel 1**. I'm not going to go there tonight though.

**Revelation 9:11** *And they have a king over them, the messenger of the abyss. In Hebrew his name was Abaddon, and in Greek he has the name Apollyon.*

And in Aramaic, he has the name 'breaker' break up. So this is the opening of the abyss and this is why I'm saying it's not going to be a human being that is going to be controlling things in the head of this world empire. It's literally going to be demon and Satan ruled.

Daniel 11 ... back to Daniel 11 now ... back to Daniel 11 and verse 40 and 41 because it's very interesting, as all this is happening and the anti-Messiah here and all these things are going on. I didn't read the rest of that chapter but we know I've read it many times. Yahweh's remnant flees to the wilderness and look at Daniel 11. The one place that is not being attacked at this time. Daniel 11 verse 40:

**Daniel 11:40-41** *And at the end time, the king of the south will engage in butting with him. And the king of the north shall come against him like a whirlwind, with chariots and with horsemen and with many ships. And he shall go into the lands and shall overflow and pass over. And he shall enter into the glorious land, ... Israel ... and many will be stumbled. But these shall escape out of his hand: Edom and Moab, ... so who is the anti-Messiah not going to be attacking at this time? ... Edom, Moab and the chief of the sons of Ammon ... Jordan.*

Interesting enough and we know from **Song of Solomon 2:14**, where is the remnant? The remnant is there in Sela that's where the remnant is being taken to in the stronghold. The refuge of Sela is where it's at. So interesting that Jordan, later Jordan, is attacked at the end but here during this time Jordan is protected and that's where Yahweh says His remnant will be.

Daniel 7 in verse 22 ... Daniel 7 in verse 22, it says:

**Daniel 7:22** *until the Ancient of Days came. And judgment was given to the saints of the Most High, and the time came that the saints possessed the kingdom.*

So as horrible as the time, it's a short time. We have to get through it and after that the kingdom is given to the saints. Verse 26 and 27 says:

**Daniel 7:26-27** *But the court shall sit, and they shall take away his rulership, to exterminate and to destroy until the end. And the kingdom and rulership, and the greatness of the kingdom under all the heavens shall be given to the people of the saints of the Most High, whose kingdom is an everlasting kingdom. And all kingdoms shall serve and obey Him.*

So, do you want to live for commercial Babylon now that's going to be destroyed in this world, which is timed and temporary? Or do you want to live for that everlasting kingdom? Do you want to rule with Yahshua forever, forever and ever when there'll be no more time. There'll be no more sickness. There'll be no more death. And that's the choice we have to make. Are we going to work for Him now and be ambassadors for the Kingdom of Yahweh? Or are you part of commercial Babylon the system of Satan?

So do we see that the kingdom of commercial Babylon set up by Satan and is evil, oppressive and will lead to Satan coming to earth to try to destroy the Kingdom of Yahweh. That's his whole purpose when he comes. So as bad as things are now, we haven't seen anything yet. It's mostly bad with immorality and things like that but once this world war comes and once the beast power takes over, it's just going to be sinister. There'll be no caring for life, or people, or whatever. It's just going to be a sinister time.

So, President Trump is the head of gold. He is the head of gold. He's the king of Babylon and due to his pride. He is the patsy that Satan will use to bring about the fourth beast kingdom. So, Daniel 4, let's go into a little bit here before we end about President Trump because he's not the beast power.

But I believe why it's important that he is there now doing what will bring about the beast power because of his pride. And now thinking he's going to take the world over. He will be the patsy that Satan is going to use to bring about this fourth beast power. So, Daniel 4 and verse 1 says:

**Daniel 4:1** *Nebuchadnezzar the king to all the peoples, the nations, and the languages that dwell in all the earth: May your peace be increased.*

So, this is Nebuchadnezzar speaking. Very interesting this is the only chapter of the entire Bible that's written by a pagan king. Drop down to verse 10 and 11 and he says:

**Daniel 4:10-11** *As to the visions of my head on my bed, I was looking, and, behold, a tree was in the middle of the earth. And its height was great. The tree became great and strong, and its height reached to the heaven, and its appearance to the end of all the earth.*

So, what is this tree? He's going to tell us. Go down to verse 20:

**Daniel 4:20-22** *The tree that you saw, which became great and strong, whose height reached to the heaven and its appearance to all the earth, and its leaves being beautiful, and its fruit plentiful, and food for all being in it, under which the beasts of the field lived, and in its branches the birds of the sky had their home: It was you, O king, for you have become great and strong. For your greatness has grown and reaches to the sky, and your rule is to the end of the earth.*

**Comment:** Babylon is ruling the world and like the tree that's symbolic here, a good green tree with food and fruit during this time. Although yes, is there famines that go out? Is there food shortage is a time? Of course, but nothing like what's coming, absolutely nothing. And in all fairness, for the last 70-80 years America has done a lot with giving food around the world. And the United Nations of course with the United Nations programs. So that's what he's saying. That Babylon is that great tree and that its appearance reaches all throughout the earth and people being fed and people being taken care of because of it.

**Daniel 4:23** *And as the king saw a guarding Cherub and a holy one coming down from the heavens, and saying, Cut the tree down, and destroy it. ... Babylon is going to be destroyed ... Yet leave the stump of its roots in the earth, ... that's the deadly wound that's healed ... even with a band of iron and bronze, in the grass of the field ... that's the fourth beast ... And let him be wet with the dew of the heavens, and his lot be with the beasts of the field, until **seven times pass over him**.*

**Comment:** You know that Yahweh works in sevens. So are we in the middle of this seven? Or are we coming to the middle of the seven? We're not sure but it's interesting that says *seven times passing over*.

**Daniel 4:24-25** *This is the meaning, O king, and this the decree of the Most High, which has come on my master the king: And you shall be driven from men, and your dwelling shall be with the beasts of the field. And you shall be fed with grass like oxen. And you shall be wet with dew of the heavens; and seven years shall pass over you until you know that the Most High is Ruler in the kingdom of men, and He gives it to whomever He desires.*

So, wow, I can think of President Trump here with his arrogance and his "he's done all this." And if it wasn't for him and he's made NATO great and he's made this one great. And it's saying because of your pride you're going down.

**Daniel 4:26-27** *And in that they commanded to leave the stump of the tree roots, Your kingdom shall be enduring to you after you have realized that Heaven rules. So, O king, let my advice be pleasing to you: Even break off your sins by righteousness, and your iniquities by pitying the poor, whether there will be duration to your prosperity.*

**Comment:** And this is like a message everybody ... but particularly here, this is the king of Babylon ... this is a message for President Trump. So far, he's not heeding it but there's still time.

**Daniel 4:26-27** *All this came on the king, Nebuchadnezzar. At the end of twelve months, he walked in the palace of the kingdom of Babylon.*

**Comment:** And it's kind of interesting that President Trump's coming up on his first-year anniversary, 12 months being in office now. So, he definitely ... you could see he has some form of dementia. He's having health problems. Is this getting ready to be fulfilled? Only Yahweh knows. So ...

**Daniel 4:26-30** *All this came on the king, Nebuchadnezzar. At the end of twelve months, he walked in the palace of the kingdom of Babylon. The king spoke and said, Is this not great Babylon that I have built for the house of the kingdom, by the might of my power, and for the honor of my majesty? ... Wow, if that isn't Donald Trump speaking I don't know who is.*

**Daniel 4:31-32** *The word was still in the king's mouth when a voice fell from the heavens, saying, O king Nebuchadnezzar, ... or O King, President Trump ... to you it is declared: The kingdom has been taken from you! And you shall be driven from men, and your dwelling shall be with the beasts of the field. You shall be fed with the grass like oxen, and seven times shall pass over you until you know that the Most High is Ruler in the kingdom of men, and that He gives it to whomever He desires.*

**Daniel 4:33** *In that moment, the thing was fulfilled on Nebuchadnezzar. And he was driven from men, and he ate the grass like oxen, and his body was wet with the dew of the heavens, until his hair had grown like eagles' feathers, and his nails like birds' claws.*

And I don't know if you notice in President Trump's second term his hair is really wild. I mean it doesn't look like he's cutting it. It's wild, it's all over the place. And here it is the same thing was prophesied for Nebuchadnezzar.

So, the head of gold must shatter for the world government and the anti-Messiah to rise. And that's why like I said, what's going on now is extremely important because it is bringing about the rise of the fourth beast and the rise of the anti-Messiah.

Last scripture to go into here, Revelation 19, because it is, like I said, it is a scary time. It's a scary time to live. It's a scary time to think about this. But what we want to think about is not so much what's going to happen in the next three to five, to seven eight years, we want to think about what's going to happen for eternity. So Revelation 19:20 and 21 it says:

**Revelation 19:20-21** *And the beast was seized, and with this one the false prophet doing signs before it, by which he led astray those having received the mark of the beast, and those worshiping its image. The two were thrown alive into the Lake of Fire burning with brimstone. And the rest were killed with the sword of the One sitting on the horse, ... talking about Yahshua ... the sword having gone forth from His mouth. And all the birds were filled from their flesh.*

So, this is the great war that's coming when Yahshua returns and He's coming back to fight the armies of the earth. And like we see in the book of **Zechariah 14** their eyeballs will melt in their sockets. And they're certainly not going to win that.

And then Revelation 20, continuing here 1 through 3 says:

**Revelation 20:1-3** *And I saw a cherub coming down out of Heaven, having the key of the abyss, and a great chain in his hand. And he laid hold of the dragon, the old serpent who is the Devil, and Satan, and bound him a thousand years, ... so Satan can be bound. He can be chained and he's got to follow what Yahweh does ... and threw him into the abyss, and shut him up, and put a seal over him, that he should not still lead astray the nations, until the thousand years are fulfilled. And after these things, he must be set loose a little time.*

So is this some kind of black hole that's out there? It could be that he's stuck in and can't get out. But one thing is sure he will not be there for that thousand years and he'll be chained. And then in verse 10:

**Revelation 20:10** *And the Devil leading them astray was thrown into the Lake of Fire and Brimstone, where the beast and the false prophet were. And they were tormented day and night for ages to ages.*

So, we see that also Satan is going to go into the lake of fire and in the end be no more. So, it is sober, exciting and numbing to a degree to live in these times we're living in. And not to just be, like I said, this is written 2000 years ago and brethren have been reading the book of Revelation, the book of Daniel for thousands of years understanding some, not understanding some because it was sealed until the time of the end.

But here we are, we are that end time generation and we're living it, we're seeing it. And that's why, like I said, the most important thing that we have to come from this is yes, is there going to be a horrible war coming and then a beast power that's going to come out of that, where it's going to be, like I said, very, very tough time and famine and death and all these things happening? Of course.

But what we need to do is show Yahweh now, not when that happens, not when we lose everything, not when you're in a prison somewhere, not when there's nothing else to lose and to say, "Oh Yahweh, I'll sacrifice everything for You" because there'll be nothing to sacrifice at that point and even your life will be in your own hands. But now is the time. Now is the time to say to Yahweh, "Yahweh, I want to serve you with all my heart, my mind, my soul and my strength and mean it, actually do something.

Every single baptized believer should have a ministry. It's that simple. You should have a ministry and you should be bearing fruit for the Kingdom of Yahweh. And this is what it's all about. It's about which kingdom are you living for? Are you living for the kingdom of commercial Babylon? Or are you living for the Kingdom of Yahweh?

So, praise Yahweh that He's given us eyes to see and the ears to hear and to understand. And I pray that each and every one of you that's listening to this will be working on getting your garments white and getting ready for that day. The time is moving fast. We only have two months till Passover, believe it or not. Wow, so we need to redeem the time because the days are evil. And until next time, Yahweh bless!
