

Transcript – Opening Meeting Thailand

Shalom, shalom. My name is Elder Don Esposito. And our Heavenly Father whose name is YAHWEH has had me living in Israel and the Middle East the last 25 years. Since COVID and the wars, we've been staying mostly in Jordan and around the Middle East area. But before that since the year 2000, we've been living in the Holy Land.

I've worked for many years with archaeology and have taken groups on biblical tours in Israel with some of the top archaeologists in the world. I've also worked with the Israeli Foreign Ministry and have been invited to the Israeli Knesset, their Law of Congress, over 25 times. And they even invited me about 12 years ago to United Nations in New York where I went as Yahweh's ambassador.

So I'd like to share with you tonight a little bit about Congregation of YAHWEH Jerusalem and the Plan of Salvation that our Heavenly Father has from the Bible. And we are finished, I'm happy to stay here with you and talk with you if you have any questions, to answer your questions, or anything you'd like to hear.

We have two books that are gifts for you, if you didn't get them yet. I was blessed to write both those books. One is called, *The Great Falling Away*. It shares how the original congregation from Jerusalem became what we know today as Christianity. And the second book called, *The Gates of Hell Shall Not Prevail Against Her* shows the historical migration of that first church in Jerusalem with the twelve apostles and where that church is today.

I'm not sure if you ever thought to yourself - if the Bible says there's one body, one congregation, why are there one million or two million churches all over the world believing something different? That book has the answer for that. I've studied congregational history for more than 30 years and I've been blessed to go around the world into the archives of the congregational history that probably only a handful of people in the world that see it.

So I'm going to give you a two minute '*condensation*' of this and then you could read the book and then you'll get all the answers to prove it. So if the only purpose of our Savior ... some of you may know Him as Jesus. I use the Hebrew name Yahshua. But if His only purpose was to die for our sins, then He only had to be on the earth three days and three nights. Because that's what the Bible says, He will be three days and three nights in the grave and then the sins are going to be forgiven.

So why did He have an almost three year ministry? Because He had to **train** the twelve apostles, because how could there be a congregation unless people were trained? It's the same way here in Thailand. You have government and those people in government they were trained to be in their position; Minister of Finance, Minister of Education. They didn't just have a public meeting like this and say, "Okay you be Minister of Education. You be Minister of Finance!" No these people had to be trained. And then the twelve apostles trained others.

By the end of the first century, most of the Christian believers were cast out of the land of Israel. They went to Pella in Jordan and then other parts of the Middle East. I was in Israel during the Iraq War with Saddam Hussein many years ago. And some of the very first Christians that started in the first century were being killed at that time. So the people went up to Armenia and they were called Paulicians. They went to Europe. They were called Waldenses. Why are they called different names? Because they were persecuted.

When you're persecuted, you can't put a name of yourself or you're telling people where to get you. And we know the Roman emperors were persecuting the Christians and even killing them to lions. When I take brethren in Israel on biblical tour, they actually have theaters in Israel where the Christians were killed by the lions. And most of the guides will stand in the stands above and tell the story what happened. I don't do that, I don't stand in the stand; I go down in the middle of the arena with the brethren.

Because we may not be thrown to lions but we are having the same things happening to us today in other ways. And I share with the brethren, "Right where we're standing is where our forefathers and foremothers and ancestors were killed for their faith right here." I just got back from India a couple days ago. We have new congregations starting there. And they were telling me terrible stories of the Hindu's persecuting the Christians over there.

Now praise our Heavenly Father Yahweh, here in Thailand you don't have a lot of persecution like that. But do you know that 70% of the world today that Christians are being persecuted? So we're still dealing with the same thing almost two thousand years later.

So how did things change? It was the fourth century, the year 320 AD, and there was a Roman Emperor. His name was Constantine. Maybe you heard of him? He was a very famous Roman Emperor. And he was going to war and the night before the war, he saw a big cross in a dream. And then he won the war and he said, "I am now a Christian." Don't get too excited because he really didn't change. After supposedly he became a Christian, he had his wife killed. He had his son killed.

And what he did was, he took the pagan religion of Rome and blended it with Christianity and started what's called the Universal Church. The word Catholic ... you probably know Catholic Church? *Catholic* means 'universal'. That is the church that Constantine started. So up until that time, believers kept the Ten Commandments. That was never in question.

Some Christian pastors say the Old Testament is done away with. But do you know the New Testament, 42% is word for word the Old Testament? So if the Old Testament is done away with, let me rip it out of my Bible but then I have to rip out half of the New Testament. I'm going to be left with very little of my Bible left. The Bible says Yahweh is the same yesterday, today and forever. I'm here to tell you as a remnant of that first church that was started in Jerusalem the Bible was never done away with.

Obedying the Commandments was never in question. The Apostle Paul wrote a letter to the Romans. We hold the book of Romans in the New Testament, but it was a letter. He wrote a letter to the Roman brethren. And the pastors will tell you, "That letter proves the Old Testament is done away with!" Do you know that letter was written 36 years **after** the Resurrection? And in that one letter, the one letter, the Apostle Paul quotes the Old Testament 40 times word for word!

So read the book, *The Great Falling Away* that we have there and you'll see what I'm saying is absolutely 100% from the Bible. And really what you have to decide, do you want to belong to the Congregation that our Savior started 2000 years ago; or do you want to belong to the congregation Constantine started in the fourth century? Because Constantine, it's a fact of history, he started the Catholic Church. But Martin Luther started Protestant Reformation. Martin Luther was a Catholic priest. So every Protestant Church came out of the Catholic Church. And today we have evangelical. They all came out of the Protestant Church.

So I challenge you to prove everything I'm saying here tonight. That's why we gave you the gifts. And to see that our Heavenly Father is doing something powerful in these last days. And at the time I have now, I want to share that with you. Let's go to the book of Luke chapter 24 in verse 46 through 48.

Luke 24:46-48 *and He said to them, So it is written, and so the Messiah must suffer, and to rise from the dead on the third day. And repentance and remission of sins must be preached on His name to all the nations, beginning from Jerusalem. And you are witnesses of these things.*

So our Savior was a Hebrew Savior. He was Jewish. He wasn't Greek, He was Jewish. His name was Yahshua. It means - Yahweh's salvation. And the work started in Jerusalem and the commission was for those twelve Jewish apostles to go

all throughout the world with this message. So it went to the Roman world. It went to the Greek world. And here we are it's in Thailand. So it doesn't matter your color. It doesn't matter what country you're from. It doesn't matter if you're a girl or a man. Salvation is open to anyone who would want to receive it. But **the Word comes from Jerusalem.**

If I want to bring the best Thai recipes in the world for food, I'm not going to get that recipe in Pakistan. I'm going to get it right here in Thailand. And just for the record, the Thai food is the best food. It really is. But the same way, the doctrine started in Jerusalem and after 2000 years it's going back there.

Because yes, the message of salvation is to everyone - the message of forgiveness of sins; that we're all sinners and need forgiveness. That's to every human being. But that wasn't really the main message our Savior was bringing. **He was bringing the message of the Kingdom of Yahweh.** So our personal salvation is how we get forgiven to go into that kingdom. But the kingdom is not in your heart, it's a real kingdom.

In the book of Acts in chapter 1 in verse 6, before Yahshua ascended up to Heaven, it says:

Acts 1:6 *Then, indeed, coming together they questioned Him (Yahshua), saying, Master, do You restore the kingdom to Israel at this time?*

So **the Kingdom of Yahweh is a real kingdom.** And our Savior is coming back to this earth and He is going to reign from Jerusalem for a thousand years. That's the message all throughout the Bible, New Testament and Old Testament. And for any human being, it doesn't matter whether you're male or female, or any human being that will stop his sinning and accept Yahshua's blood for forgiveness can be part of that kingdom.

And if you think about it, in the first century when Yahshua came, Israel was not a sovereign nation. The nation of Israel was a colony controlled by the Romans. And at some points there were 500 Jews a day being crucified. So if you were living in that day you would be wondering, "Are You going to be restoring the kingdom now? This is bad stuff." But they didn't really understand Yahweh's time frame.

The same way that the world was created in six days and the seventh day Yahweh rested, the Apostle Peter says, *a day is like a thousand years and a thousand years is like a day.* So the plan is like a one week plan, a 7000 year plan. Six days, or 6000 years for man to do his own work and then Yahshua will come back for the 1000 year Millennium, the Sabbath rest, to restore all things like it was in the Garden of Eden.

How much time has gone by since this plan started? Almost 6000 years. We're very, very close. I could give you a lecture for two hours just showing Bible signs that we're definitely in the last generation; one of those signs, Israel being a nation again. So the time is very close to the Kingdom of Yahweh being established on this earth. And it says all the believers will rule with Yahshua throughout the world.

So if we go back, let's go to Genesis 1 in the beginning.

Genesis 1:1-3 *In the beginning Elohim created the heavens and the earth; and the earth being without form and empty, and darkness on the face of the deep, and the Spirit of Elohim moving gently on the face of the waters, then Elohim said, Let light be! And there was light.*

Genesis 1:4-5 *And Elohim saw the light, that it was good, and Elohim separated between the light and darkness. And Elohim called the light, Day. And He called the darkness, Night. And there was evening, and there was morning, day one.*

So we see, on day one Yahweh creates light and darkness. Day two He creates the waters. Day three He creates the seed, the living seed. Day four He creates the light sources, the sun, the moon and the stars. And then you have day five.

Day six He creates man. And what's very interesting about this creation week ... which were six literal days ... **everything that was created needed what was created the next day to survive.**

So Yahweh creates the seeds for plants, for growing. Then He creates the sun, the moon and the stars because for plants to grow, you need the night, the oxygen in the day and then you need the moon in the night. Then man is created on day six because if there is no food the man couldn't survive.

So going down to verse 24 ...

Genesis 1:24-25 *And Elohim said, Let the earth bring forth the soul of life according to its kind cattle, and creepers, its beasts of the earth, according to its kind. And it was so. And Elohim made the beasts of the earth according to its kind, and cattle according to its kind, and all creepers of the ground according to its kind. And Elohim saw that it was good.*

Genesis 1:26-27 *And Elohim said, let Us make man in Our image, according to Our likeness; and let them rule over the fish of the sea, and over the birds of the heavens, and over the cattle, and over all the earth, and over all the creepers creeping on the earth. And Elohim created the man in His own image; in the image of Elohim He created him. He created them male and female.*

Genesis 1:28 *And Elohim blessed them; and Elohim said to them, Be fruitful and multiply, and fill the earth, and subdue it, and rule over the fish of the seas, and over birds of the heavens, and over all beasts creeping on the earth.*

So we are all here. We're all in the room. That's a reality but how did we get here? There are two theories. The one theory is evolution, or like I like to say 'evil-lution'. That actually there was nothing there and nothing blew up and here we are. That's pretty hard for me to believe. How could nothing blow up?

I told you I lived in Israel and the Middle East the last 25 years. I've seen suicide bombers and explosions bring chaos. They don't bring order. If we put all the books here and a stick of dynamite and blew them up it wouldn't create new books. So the evolution doesn't really fit.

The second theory is by creative design. So I talk to many atheists and I try to share with them, nobody can really be atheist. Nobody can be that stupid. **It takes more faith to believe in evolution than to believe in a Creator.** So can sit here and we can debate on religion or belief, but Somebody created us. And now we have absolute proof of that. It's called DNA.

Since DNA you can't dis-prove that there's a Creator. What is DNA? It is billions of lines of code. So think of any website you go to. We have a website – www.coyhwh.com. Any website you go to, a website for news, a website for vitamins, think of any website. Did that website evolve? Did it just somehow ... first it was a bug then it became a website? Of course not! How does every website come on the internet? Somebody is sitting there putting in all the code. I mean hundreds of thousands line of code.

You have in your body a hundred billion lines of code. And every single cell in your body has a hundred million lines of code to those billion lines of code. And if one code was wrong, nothing in your body would work. Your heart, your liver, your kidneys, nothing would work. In Hebrew there's something called *gematria*; it simply means that every word has a letter value.

So in English we have letters and we have numbers but Hebrew wasn't like that. Hebrew has 22 letters and every letter had a number value. Aleph is 1, Beth is 2, Gimel is 3. So every word in Hebrew has a gematria; it has a number value. The number value of the Creator Yahweh is 26. Do you want to know something really, really amazing? When they were

figuring out the DNA of human beings, they found out that the code, the billions of lines of code each of us have in our body, every ten lines is connected. And do you know what it's connected by? 26, the number of YAHWEH - 26, 26, 26 throughout every human beings body. **The Creator literally put His name on our DNA!**

Sometimes Christian pastors are afraid of scientists but I'm not afraid because Yahweh is the major Scientist. He is the King Scientist. And everything that's coming out is only proving that He exists. And it doesn't matter whether you're a Thai, or you're Armenian, or you're American, we are all human beings made in His image.

I have a Bible School I've done in Israel for many years. Now we're doing it in Jordan. And I teach a course there called, *The Incredible Human Potential*. Because in this society we're living today, the Bible says Satan is the god of this world. Yahweh's Kingdom is coming very soon. But the system that's in the world today is of commercial Babylon.

Many people think that America is a very, very rich nation but there are millions of Americans living on the street right now today; soldiers living on the street without food. And yet, when it comes to making money to bomb another nation, they find the money all the time. Yahweh says when His Kingdom comes that *they will learn war no more*. Not only isn't there going to be war, they'll **learn** war no more. It's not that there's just no weapons, it's that people won't even think of doing that.

When we're sharing with our children, "Johnny, you don't understand in the old world there was war." He'll say, "Mommy, what's war? What do you mean war?" Because the mind of humans will be changed and they won't think of war. Today world leaders, they don't care about their people. They make decisions on pride. But I'm an ambassador for Yahweh. I come to share His Kingdom, not only a kingdom of peace, but a kingdom where people will not even think of war; where everybody will have a job.

Maybe your job is making corn and your job is making olive oil. And you know what? If you need the olive oil you can just come and you're going to get. There'll be no having to give money to get something. And nobody will take more than they need, ask for what they don't need. Our congregations are starting to live that way right now. In Israel they call it kibbutz. I don't know if you ever heard of that name? But it basically is just communal living. I'll read it to you in Acts 2 in verse 44 through 47.

Acts 2:44-47 *And all the believers were echad ... they were united ... and had all things common. And they sold possessions and goods and distributed them to all, according as anyone had need. And continuing steadfastly with one mind day by day in the sanctuary, and breaking bread from house to house, they shared food in gladness and simplicity of heart, they were praising YAHWEH while finding favor before all the people. And everyday our Master would add to those who lived among the congregation.*

So this is the way of Yahweh - sharing, giving, and helping each other. And the Bible says, *freely you receive, freely you give*. We have books outside. They're a gift. We're giving them to you because we're trying to have that mindset of the Kingdom now.

My message to you tonight is **Yahweh made each of you for a wonderful purpose. We are not a creation of evolution**. If we came from monkeys, why are there still monkeys? Does that make any sense? I had a teacher one time when I was in High School and she was trying to say we came from monkeys. And I told her, "Please Ms. Teacher, speak for yourself."

No, the Bible tells us Yahweh made the cow after the cow kind. He made the bird after the bird kind. He made the horse after the horse kind. And He made us after Him. We are made in His image. We didn't come from animals. He made us above the animal. We have a mind to think and to reason. An animal can't do that.

Can you imagine you had a dog in your house and he starts thinking, “Oooh, this winter may be hot. I’m going to go north Thailand to get away from it.” No, animals are instinctive. **Humans were made to think and to reason like our Creator.** We’re made in His image. He has eyes and a nose and a mouth the Bible says, but we have to grow in His likeness.

And that’s why the New Testament tells us not only to love the people who love us, but even love your enemies. It’s not even natural for a human being to love their enemies. Sometimes it’s not even natural to love our family members, depending what they are. But the Spirit of Yahweh changes the human spirit and makes us love everyone and fulfill the great purpose He gave us to become a creator like He’s a Creator. And He’s calling us to be child of His. The world wants us to think just that it happened, we’re just here by chance because satan wants to hide that great purpose that Yahweh has for you.

Psalm 139, I’m going to read verse 13 through 16:

Psalm 139:13-16 *For You have possessed my inward parts; You wove me in the womb of my mother. I will thank You, for with fearful things I am wonderful; Your works are marvelous, and my soul knows it very well. My bones were not hidden from You when I was made in secret; when I was woven in the depths of the earth. Your eyes saw my embryo; and in Your book all my members were written the days they were formed, and not one was yet among them.*

Wow, isn’t that an amazing scripture! Yahweh knew us before we were even born. Billions of code of DNA and He wove and made that code for each and every one of us. And this is why abortion is such a horrible thing because from the time that the husband and the wife come together, a male and female, it’s a baby. It’s a baby in the womb. And Yahweh formed each of you in your mother’s womb and has watched you every single day of your life. **He doesn’t want religion. He wants relationship.** He wants a relationship with each of us. He wants to know us. He wants us to talk to Him as a Father and He wants to be part of our life.

Psalm 8, we have such an amazing potential. We can’t let it just pass by. Psalm 8 in verse 1:

Psalm 8:1 *O YAHWEH, our Master, how majestic is Your name in all the earth; You have set Your glory above the heavens!*

Verse 3 to verse 9:

Psalm 8:3-5 *When I look upon Your heavens, the work of Your fingers: the moon and the stars which You have fixed; what is man that You are mindful of him, and the son of man, that You visit him? For You have made him lack a little from Elohim; and have crowned him with glory and honor.*

Psalm 8:6-9 *You made him rule over the works of Your hands; You have put all under his feet: all flocks and oxen, and also the animals of the field, the birds of the heavens, and the fish of the sea, all that pass through the sea. O YAHWEH, our Master, how majestic is Your name in all the earth!*

And he’s amazed at “what is man! You created the stars and the planets and what is little man!” Now, they’re finding out there’s not only millions of planets but there’s billions of galaxies with billions of planets. Why did Yahweh create all this? Because He’s creating us as His children and we are going to create that whole universe as time goes on. He created us for such a purpose we can’t even imagine.

And you think of some of the things mankind has created, right? Electricity, how do we have light? I mean when you think of the energy that’s in the air and they were able to take that energy and move it and create light. The telephone,

wow, you can talk to somebody on the other side of the world. You can talk to them and hear them. So many amazing things that human beings have done. And Yahweh called each of us to use those gifts to serve each other – to be part of the solution instead of part of the problem.

And I ask you tonight, I challenge you – **be part of the solution!** Each of us have different gifts that we're given. Use it to help other people. Start to think with the mindset of the Kingdom of Yahweh and not the kingdom of this world. Because even though we were created for a great purpose, in order to be created like Yahweh, He had to give us free will.

Like I said, animals don't have free will. They're instinctive. But if we're made in Yahweh's image, He's got to give us free will. We have to make the decision. And when we look at our lives sometimes when things are not going very good, it's not just chance. We might be making the wrong decisions sometimes. Like the Bible says, *we reap what we sow*. If you plant corn, you're not going to come up with wheat. If you plant tomato, you're not going to come up with cucumber.

And **satan wants to hide our great potential from us**. Somebody said to me one time, "You know Elder Don to come out of the world and change the way I'm thinking, it's very hard." And I said, "I'm not going to lie to you. When you're doing something a certain way for so long, yes, it's very hard to change. But one thing I can guarantee you, every day you walk the way of Yahweh, it gets easier."

Think of the alcoholic whose drinking alcohol every day, the body is addicted to it. And it's like it needs that alcohol. And the first day, the second day, the third day without alcohol the person is pulling his hair out because when you have an addiction, you'll do almost anything to get that addiction. But as you detox off that drug it gets easier and easier every day. And as the people of Yahweh, we're detoxing out of satan's system. And again, it's not easy, but every day you do it your life belongs better. You become more fulfilled. You become happier. We're made in Yahweh's image but we have to **grow** in His likeness, His character.

Luke chapter 12, I'm going to read verse 4 through 9.

Luke 12:4-5 *But I say to you, My friends, stop being afraid of the ones killing the body, and after these things not having anything more they can do to you. But I will warn you whom you should fear; fear the One who after the killing has authority to cast into Gehenna (Hell); yea, I say to you, Fear that One!*

Luke 12:6-7 *Are not five sparrows sold for two coins? And not one of them has been forgotten before YAHWEH. But even the hairs of your head have been numbered. Then stop being afraid; you are more valuable than many sparrows.*

Luke 12:8-9 *But I say to you, Everyone who may confess Me before men, the Son of Man will also confess him before the cherubs of Elohim. But he that denies Me before man shall be denied before the cherubs of Elohim.*

So this is the great potential that each of us has. This is what our Heavenly Father wants. He wants us to fulfill the great potential that He gave us as human beings. And He's given opportunity to be part of that little group He's working in today to bring this message throughout the world. I've been having the most blessed life ever of being sent in Jerusalem and bringing this message all over the planet. But without people bringing the message, how would anyone hear?

Romans chapter 10 in verse 13 through 15:

Romans 10:13-15 *For everyone, "whoever may call on the name of YAHWEH will be saved." How then may they call on One into whom they have not believed? And how may they believe One of whom they have not heard? And how may*

they hear without a preacher? And how may they preach if they are not sent? Even as it has been written, "How beautiful are the feet of those who preach the good news of peace, of those preaching good things."

So there are many religions – Buddhism, Islam, Jewish, Hinduism but only in the New Testament is there a way to have the soul cleansed. Every religion has a prophet – Buddha, Mohammad, but only in the New Testament does it talk about Yahshua being the **Son** of Yahweh, the Son of the Creator.

It's not just a matter of being good. **It's a matter of having your soul cleansed.** I've heard rabbi's in Israel sometimes say about Yahshua, "**IF** He existed!" We know He existed. He's in the history books. And do you want to know something? The Jewish people do not believe in Yahshua. But do you know in the Jewish writings they say Yahshua walked on water. They say He healed the eyes of the blind. They say He raised the dead. So people who don't believe in Him are testifying to the things He did.

And I can tell you firsthand for myself, that I personally know six Jewish rabbis; two of them from Israel, others from other parts of the world who have witnessed to me personally that just like with the Apostle Paul that Yahshua appeared to them and told who He was. And all six came to faith. Two of them said Yahshua gave them our website to go to.

Yahshua is written in many different history books; Greek history books, Roman history books. So there is no doubt He existed. And it's one thing if someone can heal you, if I'm crippled and somebody can make me walk. If I'm blind and someone can make me see, those are wonderful things and it's going to make my physical life a little better. But Yahshua did more than that. **He was raised from the dead!**

If you believe in Him, death has no power over you. He is promising not just physical healing in this life, but **living forever in His Kingdom.** When I heard that, I said, "I'm in! I want to be part of that." I love living now but this life goes very fast. And even if you're the best person in the world, every one that lived has died. Nobody is alive that's a thousand years old today. And even they were a thousand years old you're still going to die sooner or later. Yahshua is offering eternal life. And do you know how powerful that is not to fear this life whatsoever?

When I was just in India they were saying, "Be careful. If they catch as a Christian pastor, they may beat you. They may kill you." I said, "Number one, I'm an ambassador for Yahweh. If you harm an ambassador you're starting a war. And you don't want to start war with my Dad! He owns the universe. So I have no fear of death. And number two, do you want to know something? Every man dies."

Every man dies, but not every man truly lives. What good is my life without purpose? There is no life without purpose. You have to have purpose in your life. And when you become a child of Yahweh, you have the greatest purpose of any human being on the planet. And like it says, you don't have to fear man. You don't have to fear sickness. You don't have to fear death because the Bible says death is simply sleeping.

And when we die, in **one second** ... it will seem like one second. Like when you fall asleep you don't realize, "Boy, eight hours are going by." It seems like a second. And for the people that died, in one second they'll be resurrected and be in the Kingdom forever. What a great gift our Heavenly Father is offering us, to live in a world where there is no war. To live in a world where there's no sickness, no suffering, no starvation and where everyone loves their neighbor as themselves.

I want to read you one scripture on this in Isaiah 35 about this great Kingdom, starting in verse 5:

Isaiah 35:5-7 *Then the eyes of the blind will be opened, and the ears of the deaf opened. Then the lame shall leap like a deer, and the tongue of the dumb will sing. For waters shall break out in the wilderness, and streams in the desert. And the mirage shall become a pool, and the thirsty land shall become springs of waters, in the home of jackals, in its lair, and a place for the reed and rush.*

Isaiah 35:8-10 *And a highway will be there, and a way, it will be called, The Way of Holiness. The unclean will not pass over it. And it is for them, the one going in the way; yea, fools shall not go astray. No lion will be there; and no violent beast will be up on it; it shall not be found there. But redeemed ones shall walk there. And the ransomed of YAHWEH will return and enter Zion, with singing and everlasting joy on their head; gladness and joy shall reach them; and sorrow and sighing shall flee.*

So this is the message that Yahweh has given us: six thousand years ago He created a perfect world and He offered Adam and Eve exactly what I'm offering you tonight – a relationship and to be His child forever and to bring other people into Eden. And what happened? Adam and Eve didn't believe. They listened to the serpent. They didn't trust Yahweh and six thousand years later, here we are.

So Yahweh gave ... it's a 7000 year plan. And when Adam and Eve rejected exactly what I'm telling you now Yahweh said, "Okay, I'm going to give you six days to do it your own way - a day being a thousand years. Make your own societies. Make your own governments. Make your own schools. And at the end of 6000 years, when you're on the verge of killing every man, woman and child on this planet, then I will return and will do it the right way."

And that's why Yahweh is calling out now, ambassadors for Him, to share this message all over the world. You don't have to be rich. You don't have to be educated. Yahweh created every human being the same. All you have to do is believe Him. Believe the message, want that relationship with Him, and be part of the solution, not part of the problem.

I'll read you one more scripture and then we'll end here. It's in Matthew 28:18-20. And this is when Yahshua was resurrected, the last thing He told His followers before He left.

Matthew 28:18-20 *And coming up Yahshua talked with them, saying, All authority in Heaven and on earth was given to Me. And as My Father sent Me, I send you. Then having gone, disciple all nations, baptizing them into the name of the Father and of the Son, and the Holy Spirit teaching them to observe all things, whatever I commanded you. And, behold, I am with you all the days until the completion of the age.*

So Yahshua promised to His disciples that He would put His Spirit inside His believers; and whether it was the original twelve apostles, or the believers in the fourth century in Rome with Constantine that were being murdered, or the believers in the 1500's, the Anabaptists that were being persecuted in Europe; or the remnant of believers here today in Thailand - the promise is the same. Yahweh's Spirit is in His believers and we are waiting for the same that they were waiting for 2000 years. His return is very soon.

So it's a message that everyone is welcome, everyone is important, everyone has a great potential as a human being. I thank you for this wonderful opportunity to be before you tonight. And I'll be here to answer any questions, to say hello and to talk to you. And I think you all know Elder Pong. If anybody wants to know more about our Congregation, you're welcome to talk with Elder Pong or one of the other brethren here. But I thank you for listening and may Yahweh bless each and every one of you.

Yahweh bless!
